- Conclusions xxxi

PART 1 1

Introduction 3
- Background 3
- Australia's security challenges for the next 20 years 4
- Aim of the Scan 2025 6
- Objectives 6
- Organisation of the report and supporting information 7
- Method 7

PART 2 9

Current Profile of Defence 11
- Introduction 11
- Overview of the ADF 14
- Overview of the Australian Defence Force Reserves 16
- Overview of the Defence APS 18
  - Age composition of the Defence APS 19
  - Defence APS Employment Levels 20
  - Defence APS Recruitment and Retention 22
- Overview of the Australian Defence Force Cadets 24

Recruitment of the ADF 27
Recruiting performance 29
Generation Y Research 30
Ages and Stages of ADF careers 31
Lifestyle Issues 37
Gender and cultural issues 37
Recruitment Strategies 39

Retention in the ADF 41
Career Decision Points 42
Change in Distribution of separations between 1998/99 and 2004/05 47
Critical Categories 51

PART 3 59

Australian Demography 61
The Australian Population: A Background Primer 61
Introduction 61
The Fundamentals of Demography: Fertility, Mortality and Migration 62
Fertility 62
Mortality 65
Migration 66
Current and Historical Perspectives on the Australian Population 68
Population Size and Growth 68
Population Ageing 69
Population Distribution 71
Simulating Australia's Future Population 72
Implications of Population Ageing 79
Age Structures of Selected Countries 83
Summary 88
Defence Implications 89

Workforce 91
Is Demography Destiny?
Labour Supply Issues in an Ageing Population 91
Introduction 91
Aspects of the Labour Force 92
Size of the Labour Force 92
Participation by Age and Gender 93
Retirement 95
Full Time and Part Time Employment 96
Demographic Influences on Aggregate Labour Supply 98
Simulations of Australia's Future Labour Supply 99
Variations in Demographically Determined Working Age Population 100
Variations in Participation Rates 103
The Relative Importance of Demography and Participation 106
Industry/Occupation Level, Results from MONASH 109
Implications of Australia's Changing Workforce 112
The Importance of Age Composition 112
Sources of Skilled Labour 114
Summary 115
Defence Implications – Workforce 116

Australian Society 119
Population Composition: A National and Regional View of Australia's Social Demography 119
Introduction 119
Young People 120
Historical and Projected Numbers of Young People 120
Marital Status and Living Arrangements 125
Marital Status 125
Living Arrangements 127
Ethnicity and Country of Birth 129
Distribution and Labour Market Characteristics of Migrants 130
Future Ethnic Composition of Australia 134
A Closer Look: Sub National Ageing and Regional Labour Markets 136
Sub National Ageing 136
Regional Labour Markets 140
Summary 143
Social attitudes, work and future society 144
Implications for Defence 146

The Australian Economy and Personnel Issues 147
The Australian Economy - Recent Trends and Outlook 147
Introduction 147
Domestic Outlook 148
Economic Growth and Productivity 148
Short Run Economic Growth Outlook 148
Labour Market Productivity Outlook 150
Ageing Effects in the Medium to Long Term 152
Inflation Outlook 154
International Outlook and Trade 155
Australian Economic Growth and Productivity in Perspective 155
Population Ageing and the Economic Role of the Elderly 158
Summary Points 160
Defence Implications 161

Education, Training and Development (Learning) 163
General Introduction 163
The Australian Education System 164
Learning and Work 165
State differences in full engagement of young people 167
Engagement patterns amongst school leavers 173
Educational attainment and labour force participation 174
What do students know about work? 175
Educating Boys – the picture unfolds 176
Educating Boys – Defence Implications 178
Vocational Education and Training in Australia 179
Selected VET summary at State/Territory Government level 181
New South Wales 181
Victoria 181
Queensland 181
Western Australia 182
Australian Capital Territory 182
Northern Territory 183
Defence and VET - Implications 183

Higher Education in Australia 184
Future Concepts, Trends and Technologies - Flexible Learning.....185
Education in Defence 186
Risks - Science, Engineering and Information Technology Professions.....188
Defence and VET 189
Accreditation of Defence Education 191
Accreditation of Defence Higher Education 192
The Future of Defence Higher Education Accreditation 193
Defence VET Accreditation 194
Defence - Flexible Learning Strategy 195
Defence APS Careers - Education, Qualification and Learning 196
Defence and Defence Industry Workforce - Development 198
Conclusion – Defence Implications 199

Health 201
General Introduction 201
A summary of Australian Health 201
Young people's health in Australia.....203
Asthma 204
Diabetes 204
Oral health 204
Mental Health 205
Drug use – Youth 206
Alcohol – Youth 206
HIV/AIDS/Hepatitus C 206
Physical Activity 207
Obesity - Youth 207
Smoking - Youth 208
Mortality 208
Major underlying causes of death by life stage 208
Injury-related deaths 210
Global aspects of health now and into the future.....211
Global Health Threats 212
Australian Health in 2025 215
The Australian Patient of 2025.....215
Medical Technology in 2025.....216
Pharmaceuticals in 2025.....217
Health and Care Economics in 2025 217
Information and Health in 2025.....217
The 2025 Hospital 218
Future health - Defence implications 219

Climate, Water, Energy, and Technology..... 223
Introduction.....223
Climate 224
Environmental Futures.....225
Global and National Climate Change 227

A Summary of Global Climate Profiles and Impacts 228
Australia 228
New Zealand 230
Small Island States 230
China 231
United States of America 232
European Union 233
India, Pakistan and Bangladesh 233
Latin America 234
The Russian Federation 235
Africa 236
Australia and New Zealand – migration due to the impact of global climate change 237
Responsibility, Insurance and Global Bankruptcy 237
An Abrupt Climate Change Scenario and the Longer Term Scenario 238
Defence and its Environmental principles 239
Defence and climate change, the potential strategic scenarios 240
Water Resources – the Twenty Thirst Century 241
Overview of the National Water Initiative (NWI) 242
Water - Defence implications 243
Energy Resources 244
Defence Energy Implications 245
Future Technology – the Priorities for Australia 246
Safeguarding Australia 246
Promoting and Maintaining Good Health 247
An Environmentally Sustainable Australia 247
Frontier Technologies for Building and Transforming Australian Industries 248
The CSIRO - National Research Flagships Program 250
Defence Major Science and Technology Initiatives (S&T) 250
Technology - Network Centric Warfare and Defence 251
Networks 251
Net centric warfare 251
The Critical Risk – People 253

PART 4 255

Future Personnel Environment 2005 - 2025 257
Introduction 257
The Future Civilian Personnel Environment 257
Demographic and Societal Changes 257
Trade and investment; raising incomes and generating employment 259
Skills Shortages 259
Health 261
Climate Change and Resources 261
The Future of the Global Workplace 262
Changes in the Australian Workforce and Employment 265
Changes to employment 266
The Rise of the Knowledge Worker 266
The Manager of 2020 267
Effects of change on organisational culture 267
Australia's International competitiveness 268
Defence Industry - Personnel and Workforce issues 269

International Military – Security and Personnel Issues 270
Defence Strategy 270
Key Capability Implications.....270
Dimensions of conflict 271
Defence Culture.....272
Summary and Defence Implications.....272
Conclusions.....275
Annex A - International Military – Security and Personnel Issues 277
The United States of America 277
USA - Reserves..... 279
USA – Defence Civilian Workforce..... 279
Canadian Armed Forces 280
The Australian Context.....281
The Future Australian Personnel Environment 2005 - 2025 283

PART 5..... 293

Bibliography..... 295
