"It's Official – It's Open"

Official Opening of the Strarch Hanger & Internal Works – 25 Nov 08

After a lot of hard yakka (mainly Construction Wing & our Museum Curator), the Strarch Hanger and the new internal works (in the new building) have been officially opened by the CO of the SME. Here's a quick look at what happened!

To all involved; Top Job & on behalf of the wider Corps - thanks!

The Strarch Hanger – We'll have some big displays in here next year. This hanger gives us the opportunity to have larger displays accessible all the time. We'll keep you posted of course!

A more in-depth look at the full works will be sent out next year!

Inside the Theatrette – the electronic media system is on the way!

The breakout area – this leads to the main display area
