USER GUIDE

The purpose of the 2017-18 Portfolio Additional Estimates Statements (PAES), like that of the Portfolio Budget Statements (PB Statements), is to inform Senators and Members of Parliament of the proposed allocation of resources to Government outcomes by entities within the portfolio. The focus of the PAES differs from the PB Statements in one important aspect. While the PAES include an Entity Resource Statement to inform Parliament of the revised estimate of the total resources available to an entity, the focus of the PAES is on explaining the changes in resourcing by outcome(s) since the Budget. As such, the PAES provides information on new measures and their impact on the financial and/or non-financial planned performance of programs supporting those outcomes.

The PAES facilitate understanding of the proposed appropriations in Appropriation Bills (Nos. 3 and 4) and Appropriation (Parliamentary Departments) Bill (No. 2) 2017-2018. In this sense, the PAES is declared by the Additional Estimates Appropriation Bills to be a ‘relevant document’ to the interpretation of the Bills according to section 15AB of the Acts Interpretation Act 1901.

Whereas the Mid-Year Economic and Fiscal Outlook (MYEFO) 2017-18 is a mid-year budget report which provides updated information to allow the assessment of the Government’s fiscal performance against its fiscal strategy, the PAES update the most recent budget appropriations for entities within the portfolio.
Structure of the Portfolio Additional Estimates Statements

The PAES are presented in three parts with subsections.

PORTFOLIO OVERVIEW
**DEFENCE PORTFOLIO OVERVIEW**

The Defence Portfolio consists of component organisations that together are responsible for the defence of Australia and its national interests. The most significant bodies are:

- the Department of Defence: a department of state headed by the Secretary of the Department of Defence; and

- the Australian Defence Force (ADF): commanded by the Chief of the Defence Force and consisting of the three Services, which are commanded by Service Chiefs.

In practice, these bodies work together closely and are broadly regarded as one organisation known simply as Defence.

The portfolio contains some smaller entities, including a number of statutory offices, trusts and companies created by the *Public Governance, Performance and Accountability Act 2013*, *Defence Force Discipline Act 1982* and *Defence Act 1903*, which are independent but reside administratively within Defence. These include, amongst others, Defence Housing Australia (DHA) and the Australian Strategic Policy Institute (ASPI).

The portfolio also contains the Department of Veterans’ Affairs and associated bodies, as designated in the Administrative Arrangements Order. The Department of Veterans’ Affairs is administered separately to Defence and information related to the Department can be found in the Department of Veterans’ Affairs portfolio budget and portfolio additional estimate statements.

The *Naval Defence Act 1910* and *Air Force Act 1923* were repealed on 1 July 2016.

A full outline of the Department of Defence’s Portfolio Overview can be found in the *Portfolio Budget Statements 2017–18* (PBS 2017–18).
