

ICT Integrated Plan of Work

Scoping In Flight

Support to military operations

- Op Slipper
 - NANKEEN INAC
 - Afghan Mission Network
 - AMAB Terrestrial Comms.
 - MEAO HQ AMAB
- Amenities Internet Access Services
- Mobile ICT (Blackberry, DREAMS, SMEPED)
- Standardisation of Collab Tools (Nexus/SharePoint)
- ROMAN SW Upgrade Unicode/EHP4
- PSP: PMKeyS Technical Refresh incl Electronic Reserve Pay
- DSN Meteorological Data Migration Project (Blue Link)
- Defence Formal Messaging System Upgrade
- Primary Submarine Commcen Relocation to WA

ICT Reform

Optimise investment through sourcing

- Data Centre Program
- Distributed Computing Centralised Services
- Terrestrial Communications bundle (incl JP2047)
- Specialist Communication Modernisation Program

Deliver agreed priority solution applications

- Deliver Unified Communications
- Software Licence Rationalisation

Deliver agreed priority solutions – infrastructure

- ICT Infrastructure Remediation
- ITSM
- DIISI - Defence Info Infrastructure Security Improvement
- Analysis of Disruptive Technology
- Defence Network Standardisation Initiative

Optimise investment through common enterprise services

- Service Oriented Architecture (SOA) Program
- IIM - Improved Information Management Program
- Applications Consolidation – Architecture
- Single Enterprise Architecture

Closer stakeholder engagement

- Interoperability Improvement Program

Strengthen ICT Capability

- Defence ICT Approval Process
- Enhance ICT Skills and Improve Retention
- Applications Delivery Reform
- Specialist Business Solution Design Capability

Quick Wins

- Sustainment Efficiency Program
- High Availability Internet Gateway
- Portfolio Management - Project Central

Other Groups/Services delivering allocated benefits

Other Groups' Reform with ICT Components

- GEMS
- Product Costing Model
- MPAC (Hunter Business Centre)
- BORIS
- eDocs
- WofG ICT - Australian Government Security Vetting Service
- WofG ICT - e-Pack
- WofG ICT - PSAMS Technology Refresh
- PPOC - (Preparedness Planning)
- DPAWS
- Log Reform - Overall Project
- DLE - Army Learning Environment ALE
- Reserves Civilian Skills data entry portal to PMKeyS

Support to Minister

- DPAWS

DCP/Green book/Other capabilities

DCP

- JP2054 Defence Message Handling System
- JP2099Ph1 - Identity Management – CERTE
- AIR 6000 ebusiness Solution to Support (NACC)
- JP2030 – Joint Command Support Environment
- JP2064Ph2 Geospatial Info Infrastructure and Services
- JP2065 Ph 2.3 Integrated Broadcast System
- JP2077 Improved Logistics Systems 2B1
- AIR 5333 - Vigilare
- DEF 7013 Joint Intelligence Support System

Green Book²

Other Capabilities

- Joint Electronic Fuels Management
- JHC – eHealth project
- Whole of Government (SNOC) Secure Gateway

To commence
2010/11

- Replacement of ADFPAY frontend

- Audit Information System Replacement
- Career Management Support
- Workforce & Shared Services Program
 - Defence Library Service (Virtual)
 - Distribution and Retrieval Reporting Tracking System
 - ISIS
 - I-Travel
- Installation of Defence ICT in the NCCP/MBR
- Base Security Improvement Program
- Defence Export Control Office
- Cabinet Tracking System

- AIR 5349 Ph1 Super Hornet connectivity via DOSD
- JP2080 Ph2B1 (PMKeyS)
- AIR 9000 MRH-90
- JP2090 Ph 1C Combined Information Environment
- LAND 75 Battlefield Command Support System
- LAND 121 Overlander
- SEA 1354 Remora replacement
- SEA 1439 Ph 5B2 Communications Upgrade
- OHS Management Information System

Unlikely to
commence
2010/11

- Tactical Data Link BLOS Study

- Defence + Industry ePortal
- E-CDR Redevelopment
- Defence Security Community

- JP2064 Ph3 Geospatial Information Infrastructure and S
- JP2077 Improved Logistics Systems 2B2 Deployed
- SEA 1439 Ph 3.1 Training
- Employer Support Payment Scheme Decision Support T
- SEA 1000 – Future Submarine
- AIR 7000 Ph 2B – Maritime Patrol Aircraft Replacement

Incorporate into
2011/12 planning

- Strategic COP
- Deployable TS Networks

- Defence Cultural and Heritage Management System
- CAMPUS
- eRecruitment
- ePerformance

- AIR 8000 / AIR Mobility Control PM 0809 PP058
- JP2044 Ph 3A.1 Project Eagle Eye Geospatial on TS.
- JP2080 Ph3 Finance Systems
- JP2044 Ph 4
- JP2077 Improved Logistics Systems 2D
- US Trade Agreement ebusiness Solution
- COMPAS (Online Medals)

Notes

- DCP Project listed are where CIOG is Sponsor or Acquisition Authority, and where there is a significant ICT Component. See DCP for full listing.
- See Green book for full listing.
