DASR 66 PRACTITIONER COURSE – MAINTENANCE LICENCING REQUIREMENTS

Course Code
216011

Course Duration
1/2 day course. Advice on course timings will be in the joining instructions.

Course Content
This course provides in-depth information about the DASRs that apply to Maintenance Organisations and the responsibilities of those people whose job is to:

- authorise the use of licences
- assess compliance with DASR 66 and
- exercise (use) their licence.

Target Audience
People with a requirement to assess DASR compliance, and Form 4 position holders and licence holders within a Maintenance Organisation.

Course Prerequisite
It is desirable that personnel wishing to nominate for this course to have completed the DASR M and/or the DASR 145 Practitioner course training.
