

# Community circle

## Join Defence Community Organisation to brainstorm ideas for events in the local area!

ADF members, partners and families are invited to join us once a month to discuss what's happening in the local community and share ideas about other activities you'd like to see. The group welcomes every suggestion, and provides insight into building a sense of trust, social connectivity and linking with the wider community. Enjoy a coffee, provided by DCO, while you meet other Defence families and share your ideas.
