

Welcome to the Top End!

Defence Community Organisation is hosting a community connections expo.

ADF members and families are invited to join DCO and command for a morning of fun and information sharing. A range of community groups and organisations will join us to provide information about a variety of local community and government organisation services as well as hobby group options in the area. We will have a range of fun activities for families as well as military equipment displays from local units.

Enjoy the activity in air-conditioned comfort. Convenient parking available.
