Resources

The MDS Communication Resource room provides the community with updated information and resources. We have material such as brochures, DVDs, videos, fact sheets and books specific to Home And Community Care (HACC) and Disability services.

Members of the public are welcome to visit and browse the communications room.

The aim of the service is to provide a user friendly service to people searching for information in relation to the aged, disability and/or carers. Please ring 4621 8400 to make an appointment.

Items are available on a two week loan basis. A loan extension may be granted upon request.

Information and Referral

The Information and Referral Officer is available to persons requesting assistance with finding information and/or services appropriate to your specific need.
