

**Is Defence testing the watercourse that runs behind the RAAF base (flows down into the Kuarna Wetlands)?**

At this point in time, Defence will not conduct preliminary sampling on the watercourse that runs behind RAAF Base Edinburgh as part of the preliminary sampling investigations.

**Will Defence be conducting tests/taking samples from private properties? And if so, how many businesses? And how many residential properties? And on which roads are these properties?**

No. Defence is not conducting preliminary sampling from private properties surrounding RAAF Base Edinburgh as part of the preliminary sampling investigations.

**As part of the contamination testing relating to the Edinburgh RAAF base, is Defence going to be checking the land or any borewater used by the Ingham chicken factory behind the base?**

No.
