ACOMD-A	8/11	CJTF	I support this awarding. I disagree with the position of my COS-A - and consider that the support provided to MTF from MND TK is broader than just Garrison Spt and is similar in conditions to PSYOPS DET, and possibly <u>Scan Eagle</u> , USA. <i>CR</i>
		<i>RM</i> 8/11	Will JMC DET TK be ENTITLED? SPT TO MTF & SORTA IS NOT THE PLANNED CASE. TO <del>OP</del> , THIS IS A LGA OF D1(a) PALS 119-1. (SEE FILE)
	7/24/11	<del>CJTF</del>	As per the SE - SCAN EAGLE, FMT EST RE ENTITLED. I'm afraid I can't agree to this proposal. See my notes on the application.

Physically deployed in the same local and have a primary role to directly support a Combat Team.</p> <p>The Minute notes exceptional circumstances criteria at Para 13 as being relevant due to the attachment to an allied Unit – CTU. Para 12 states "...may approve the issue of the ACB to members on exchanges/attachment duties for service with an allied unit, who meets the criteria.."</p> <p>I have requested a DB expanding on the eligibility, as they are not automatically entitled under the SI (PERS) 10-01 Honours and Awards. CO MNBC-TK wishes the attached minute to stand as it.</p>
<i>CO-A</i>	<i>8 NOV</i>	<i>ACCB-A</i>	<p>I am disinclined to support this. Para 12 does not apply as MNBC-TK are not 'attached' to CO? This may be eligibility under 11 a (2), but I am of the view an ACB should not be awarded for garrison spot duties.</p>
