Subject: IGADF Audits July to Dec Proposed Dates [SEC=UNCLASSIFIED]

UNCLASSIFIED

Hello 22

I hope you are well. I am sorry it has taken so long to get this to you.

A number of my auditors have pulled out at short notice and I have been filling in behind them.

This is my first full week in the office since March.

I have attached a little table with the proposed dates for the second half of the year.

The first proposed audit for Army is in August and 22 have asked for it and selected the dates so it should not be an issue.

The remainder are SEP onwards so you have a little time to staff it around.

Both AHQ and the Human Rights people (AHRC) are calling for our reports on different Army units so you might let your PSO know these things (reports) are getting around.

If the HQ wants us to include any specific unit let us know. We will try to oblige if we can.

Let me know if you have any questions.

regards

22

Deputy Director Audit Operations
Inspector General Australian Defence Force
