

Field	Description	Example
Barcode	Yellow Defence barcode sticker	ACA12345
Serial Number	Device serial number	FY12345XZ
Location	Location code of where device is currently located	ACTS.APW.L04
Asset Type	General Description of device	Computer Standard
Status	Current operational status of the device	In Use
Network	What network the device is connected to	DPE
FirRmWkstn	Free text field to provide further location description	APW-4-115
Last Seen Date	Date the device was last seen either physically or electronically	18-Oct-16
Change Request	The change request or job number (SRF, CHM, CHT) of the last update to interact with the device, usually from DSMS	SRF-12345-DPE
Brand	The brand of the device	IBM
Model Name	Model name of the device	Professional 211H
Model Number	Model number of the device	X-3550
Purchase Date	The purchase date of the device	12-Oct-14
PO Number	The Defence purchase order involved in the purchase of the device	4500123456
Purchase Price	The purchase price of the device	1000
Written Down Value	The straight line depreciation value of the device based on asset type and purchase date	500
Warranty Exp Date	Date the warranty or vendor support for the device expires	12-Oct-20
Warranty Comments	Free text field to outline further warranty details	4 yrs onsite support
CIOG Supported	Is the device supported by CIOG	Yes
Group	What Defence group the device belongs to	CIOG
Vendor	Who sold the device to Defence	HP
Invoice	Vendors invoice number	HP-12345
Change Date	Date the TAMIT record was last changed	18-Oct-16
Changed By	TAMIT user who last changed the record	030873RLD
Depreciation Rate	Percentage rate the purchase price of the device decreases from purchase date	25%
Depreciation Retirement Date	Date the written down value of the device will reach zero	12-Oct-20
Disposal Type	How the device was disposed of	Auctioned
Date Disposed	Date the device was disposed	12-Oct-15
Recipient	Who the device was disposed to	Greenbox
Disposal Request CR	The change request or job number (SRF, CHM, CHT) authorising the disposal of the device, usually from DSMS	SRF-12345-DPE
Disposal Remarks	Free text field to outline further disposal details	
Subject to Disposal Conditions	Does the device need to conform to any particular disposal conditions	Yes/No
Disposal Conditions	What the disposal conditions for the device are	Not for resale - must be destroyed
Price/Value	The resale/scrap value of the device on disposal	6.25
Date of Test	Date the device was electrically tagged and tested	12-Oct-16
Test Result	Result of the electrical tag and testing	Pass/Fail
Name of Tester	The name of the electrical tag and tester	RDunne
Next Test Date	The date the device next needs to be electrically tagged and tested, usually 5 years but can be sooner	18-Oct-20
New to Service	If the device is new to service and does not need to be tagged and tested	Yes
Exempt	Is the device exempted from being electrically tagged and tested	No
Comments	Free text field allowing recording of further comments about the device	Asset added as per SRF-12345-DPE on 12Oct15
ROMAN Asset No	The identifier of the device in ROMAN if it is recorded there. Not all ICT devices are recorded in ROMAN and the following fields are used to be able to make comparisons between ROMAN and TAMIT	779385
Sno	A further identifying number in ROMAN	0
ROMAN Barcode	The Defence barcode of the device as recorded in ROMAN	AAW41929
ROMAN Serial No	The serial number of the device as recorded in ROMAN	C3K7V744450BUCH0S
Purchase Order	The Defence purchase order number of the device as recorded in ROMAN	4500799709
Cost Centre	The cost centre used to purchase the device as recorded in ROMAN	863600
Cap Date	The date the device was capitalised in ROMAN	29/06/2011
Acquired Value	The purchase value of the device as recorded in ROMAN	159.11
Current NBV	The current value of the device as determined in ROMAN	0
