Hi Cameron

Thanks for the information and the quick response.

I've copied in Clive Dunchue, DSTO's Executive Director Science International Engagement, who is the person seeking the information and will probably want to have a chat with you. Clive is out of the office until Monday but will be in contact after that.

Regards  
Ruth

Hi Kris

33(a)(iii)

DSTO's lead for International Engagement, Clive Dunchue, mentioned that it might have been with the Australian Academy of Science and has asked AMINDEF's office for a copy. However, we have been directed by AMINDEF's staff to approach Industry Department.

Are you able to assist in locating a copy of this MOU so that Defence can determine whether it would be applicable?

Cheers

Ruth
