All,

you may have seen the editorial in the Australian on Friday attacking the ADF for playing identity politics and

5/07/2016

effectively not being focused on the main game. This response will be sent at lunchtime today. At present it will be signed by CDF and me. If you are happy to put your name to it as is, i.e. we dont want any further editorial changes. Can you please indicate same by 1130 - if we get the concurrence of all three Chiefs by that time then the letter will be sent as being signed by the five of us. If not we will continue with plan A.  
cheers  
Ray
