LIMITED DISTRIBUTION - NOT TO BE FORWARDED

'For all HIB addressees: The NACC Project Office wishes to reiterate that the information in the HIB, while not classified, is sensitive, as it has not been formally disclosed by the US DoD. The HIB was provided to appraise the Minister and Defence Executive and to allow for a response should the information become public. However unless this occurs, the Project Office recommends that the issue not be discussed outside of Australian Government.'
