PROVISION OF 'INCIDENTS OF SEXUAL HARASSMENT AND SEXUAL OFFENCES IN THE AUSTRALIAN DEFENCE FORCE' REPORT TO DLA PIPER

KEY ISSUES:

- The 'Incidents of Sexual Harassment and Sexual Offences in the Australian Defence Force' Report (Report) details the investigation conducted by Defence into the complaints made during the course of the Grey Review (1998).
- In response to a request from the DLA Piper Review Team, Defence located the Report on 15 September 2011.
- The Report was not on a corporate file and, to date, Defence has not been able to locate any corporate files.
- DLA Piper agreed to receive a redacted version of the Report as it contained personal information, but reserved its right to subsequently request further information. A redacted version of the Report was provided on 16 September 2011.
- Defence identified a number of matters in the Report that would likely attract media attention if they were publicly disclosed.
