

AUSTRALIAN DEFENCE COLLEGE IMMUNISATION REQUIREMENTS

1. It is a requirement that all course members be vaccinated for the following:
 - a. ADT - A total of 3 doses , 4 weeks apart.
 - b. Inactivated Polio - IPV or IPOL - total of 3 doses 4 weeks apart.
 - c. Hep A/B - either separately or administered together as Twinrix - Total of 3 doses Minimum 1 month between doses 1 and 2, 5 months between doses 2 and 3 If singularly given - Hep A depending on the brand - 2 doses at least 6 months apart and Hep B total of 3 doses as for Twinrix.
 - d. Typhoid - 1 dose every 3 years.
 - e. Measles, Mumps and Rubella - 2 doses at least 1 month apart. Persons born before 1/Jan 1966 are presumed to have immunity.
 - f. Varicella- Zoster - 2 doses 1 to 2 months apart. Required only by those who do not have a clear history of chicken pox or who have a negative serology.
2. Evidence of inoculation or pathology of serology (indicating immunity) must be brought with the members.
