

**APPROVAL TO PARTICIPATE IN A NON-RECOGNISED  
AUSTRALIAN DEFENCE FORCE SPORT**

Service Member to Complete

-----  
(Full name) (Rank and Service Number) (Unit)  
-----

The above is authorised to participate in the Australian Defence Force non-recognised sport  
of -----

in a civilian club/competition from ----- to -----  
(date) (date)

(Club/competition etc)

(Scope of approval including times, location and activities approved and any restriction. A copy of the association indemnity, any programs, timetables and fixtures associated with the approved sporting activity should also be attached).

**Member's acknowledgement**

I acknowledge that approval to participate in civilian sporting activity is based on information I have provided and that activity undertaken outside the terms of this approval is at my own risk. I further acknowledge that I will be considered to be 'on duty' where sporting activity is conducted within the terms of this approval and that the provisions of the *Safety, Rehabilitation and Compensation Act 1988* apply.

-----  
(Member's signature) (date)  
-----

Commanding Officer (CO) to complete

Basis of approval

Outline the specific reasons for granting approval (eg cardiovascular benefit, in development of military skills, other benefits to the Commonwealth) and state the matters considered in determining whether the sporting activity approved poses an unacceptable risk or exposure of the Commonwealth to liability. Attach a statement if insufficient space is provided below.

Approved/Not Approved

I acknowledge that I have read Defence Instruction (General) (DI(G)) PERS 14-2 *Australian Defence Force policy on sport* and that approval is given in accordance with the policy requirement of DI(G) PERS 14-2.

# ADF SPORTS COUNCIL

## INAPPROPRIATE SPORTS LISTING

The Australian Government Solicitor (AGS) has advised the ADF of sports that are too "high risk", and member participation should not be authorised. Therefore these sports are considered inappropriate for ADFSC, single Service or CO authorisation.

***NOTE: Members who choose to participate in these sports do so at their own risk, and in their own time and therefore need to provide their own salary protection and compensation.***
