

# DMO

## **TONY HINDMARSH**

Tony joined the APS in June 2004 as Director, Corporate Business Management in the Defence Chief Finance Officer Group. In July 2005 he joined the DMO as Director, Materiel Assurance and Audit Management. In 2006 he assumed the position of National Manager of Strategic Management at CRS Australia (Department of Human Services). Since returning to the DMO in early 2007, he has been promoted to Director General Business Improvement in November 2007, assumed the role of Director General Change and Assurance in January 2008 and the role of Director General

Governance and Assurance on 1 July 2009. In February 2008 Tony was nominated to undertake the role of DMO Chief Audit Executive. Tony then performed the dual roles of Director General Governance and Assurance and the DMO Chief Audit Executive.

On 6 Aug 11, Tony assumed his current role as Acting Head of Acquisition and Sustainment Reform Division is to deliver on and best integrate the multiple reform initiatives underway in Defence as they affect the DMO, eg 6 May 11 Minister of Defence reforms, SRP Smart Maintenance, Shared Services Review, the Rizzo Review, and the ongoing

DMO reform program started by the previous CEO DMO.

Tony has four tertiary qualifications, including a Master of Arts (Strategic Studies) and a Master of Business (HRM) with Distinction. Tony is also a graduate of the Australian Institute of Company Directors, a Certified Professional of the Australian Human Resource Institute, Member of the Australian Project Management Institute, and Member of the Institute of Internal Auditors.
