# EXPLANATORY STATEMENT

## Defence Determination 2001/35

This Determination amends Defence Determination 2000/1, Conditions of Service (the Principal Determination), made under section 58B of the *Defence Act 1903* (the Act). Chapter 4 of the Principal Determination includes provisions dealing with reimbursement of expenses for childcare and pet relocation for members of the Australian Defence Force.

The main purpose of this Determination is to provide a more flexible entitlement for members who incur expenses in transporting their pets during a removal on posting within Australia.

Clause 1 of this Determination sets out the manner in which this Determination may be cited.

This Determination commences on the day on which it is made, as provided by subsection 58B (4) of the Act.

Clause 2 specifies that the amendments are made to the Principal Determination, as amended.

Clause 3 makes a minor drafting correction to a provision authorising reimbursement for emergency childcare. The amendment makes it clear that the period of assistance may be extended by the Chief of the Defence Force (CDF) in special circumstances for a maximum of an additional 48 hours.

Clause 4 replaces Part 4 of Chapter 4 of the Principal Determination, which deals with reimbursement of expenses for pet relocation. The revised Part removes the existing financial limit placed on such expenses, and instead allows members to claim all reasonable expenses incurred for commercial transportation and boarding of household pets. Expenses for the purchase of related equipment, and expenses relating to animals owned primarily for economic or business purposes, are specifically excluded. A discretion on the part of the CDF is provided for deciding whether the expenses are reasonable.

Criteria are provided for the exercise of the discretion, and adverse decisions are subject to merits review under the ADF redress of grievance system, including an appeal to the Defence Force Ombudsman.
