EXPLANATORY STATEMENT

DETERMINATION NO. 6 OF 1987

ISSUED BY THE AUTHORITY OF THE MINISTER FOR DEFENCE

UNDER SECTION 58B OF THE DEFENCE ACT 1903

Section 58B of the Defence Act 1903 allows the Minister to make determinations on conditions of service for members of the Defence Force.

Determination 3719, Post Allowance, provides for payment of an allowance to members of the Defence Force who are required to serve in specified difficult localities overseas for a period of more than one month.

Paragraph 1(a) of this determination amends Determination 3719 by including, for the purposes of calculating the rate of Post Allowance payable, Bandung, Bogor, Malang, Surabaya and Jogjakarta in Indonesia as Group 3 localities, with effect from the date on which this determination is signed. Paragraphs 1(b) and 1(c) include Jakarta in the same paragraph with other localities in Indonesia.

Clause 2 of this determination amends Determination No. 47 of 1986 to disallow payment of Post Allowance under the transitional provisions of that Determination to members serving in Bandung, Bogor, Malang, Surabaya or Jogjakarta with effect from the date this determination is signed.

Clause 3 of this determination contains special transitional provisions to permit payment of Post Allowance to a member serving on duty in Bandung, Bogor, Malang, Surabaya or Jogjakarta in Indonesia during the period 6 March 1986 to and including the day immediately prior to the day this determination is signed.

The rate of allowance payable under these transitional provisions is calculated by deducting the rate, if any, that the member was entitled to under Determination No. 47 of 1986 from the rate that would be payable had paragraph 1(a) of the attached determination been effective from 6 March 1986.
