EXPLANATORY MEMORANDUM

DETERMINATION NO 39 OF 1992

Defence Act 1903

Determination 2601, Recreation Leave, authorises the accrual and granting of recreation leave and payment in lieu of recreation leave on cessation for members of the Australian Defence Force serving on duty within Australia and overseas.

Clauses 36 and 37 of Determination 2601 identify the allowances which are to be included in salary during a period of recreation leave and the conditions for payment.

Clause 3 of this determination removes redundant references to overseas allowances which are either obsolete or which are now dealt with by Determination 3714, Overseas Living Allowance, for the purpose of payment during recreation leave.

Clause 3 also updates a paragraph authorising inclusion of Overseas Living Allowance in payment in lieu of recreation leave, to take account of the repeal of the former determinations on Reunion Supplement and Child Supplement.
