EXPLANATORY MEMORANDUM

DEFENCE DETERMINATION 1994/25

Defence Act 1903

Defence Determination 1994/22 of 20 May 1994 amended the fortnightly rate of excess water charges deducted from the salary of certain members of the Australian Defence Force (ADF) under Determination 2507, Charge for Excess Water.

This Determination amends Defence Determination 1994/22 by changing its date of commencement from 1 July 1994 to 28 July 1994.

The change in the commencement date is necessary to ensure that the increased excess water charge commences concurrently with increases in rents under the ADF Group Rent Scheme (GRS) in accordance with the usual practice. The increases in GRS rents were authorised from 28 July 1994 by an Instrument of Direction signed by the Minister for Defence Science and Personnel on 21 June 1994. The commencement was deferred on this occasion from 1 July.

Authority: Section 58B of the
