DEFENCE DETERMINATION 1994/26

Defence Act 1903

Defence Determination 503, Temporary Rental Allowance, provides for the payment of an allowance where members of the Australian Defence Force (ADF) are moved with their families at Commonwealth expense from one locality to another locality within Australia and they are obliged to rent accommodation at the new locality. The rate of allowance is based on rental costs (up to a specified maximum), less a specified rental contribution by the member.

The adjustments made by this Determination (6.7% for Group 1 and an average of 4.6% for the other Groups) maintain the alignment with restructured rents charged by the ADF for quarters.

Contributions were last adjusted in July 1993 and this Determination takes effect on 28 July 1993.

Authority: Section 58B of the
Defence Act 1903
