EXPLANATORY STATEMENT

Defence Determination 2009/82

This Determination amends Defence Determination 2005/15, Conditions of Service (the Principal Determination), made under section 58B of the *Defence Act 1903* (the Act). Chapter 6 of the Principal Determination sets out provisions dealing with relocations on posting in Australia, and Chapter 15 of the Principal Determination sets out provisions dealing with living and working on long-term posting overseas for members of the Australian Defence Force (ADF).

The purpose of this Determination is to make the following changes.

- Amend the conditions that are used to work out which items are able to be removed at Commonwealth expense.
- Amend the benchmark schools for Indonesia.

Clause 1 of this Determination sets out the manner in which this Determination may be cited.

Clause 2 of this Determination provides this Determination commences on the day it is made, as provided by subsection 58B(4) of the Act.

Clause 3 specifies that the amendment is made to the Principal Determination, as amended.

Clause 4 amends subclause 6.6.11.2 of the Principal Determination to provide that items that will be removed at Commonwealth expense must meet both the specified criteria.

Clause 5, 6 and 7 amend Annex 15.6.A of the Principal Determination by substituting the benchmark schools listed for Indonesia. This change aligns the schools to ones used by the Department of Foreign Affairs and Trade in Indonesia. These schools provide an education system closer to the Australian standard of education.

Criteria are provided for the exercise of discretions under the Principal Determination, as amended by this Determination. Adverse decisions are subject to merits review under the ADF redress of grievance system, including an appeal to the Defence Force Ombudsman.
