<b>OTHER STATES</b>	<b>See Note 3</b>				<b>See Part A</b>

**NOTE 1:** All distances are in kilometres.

**NOTE 2:** The Defence travel matrix distances are based on the distances between post offices at each location. If members or administrators become aware of factors that change the number of kilometres between establishments, they should notify the Director Service Conditions.

**NOTE 3:** To calculate the distance between a mainland Australian location and a Tasmanian location, add these figures.

- a. The distance between the mainland location and Melbourne (see Part A).
- b. The distance between the location of arrival and the Tasmanian location (see table, above).
