2. In an update to previous reporting (2 May 2011), the investigation into the allegation made by detainee  stating he had been mistreated by ADF personnel when captured on 27 April 2011 has been completed. The internal investigation concluded the detainee had not been abused by ADF personnel at the point of capture or while in custody. The investigation, however, did confirm the detainee had been assaulted   
 ADF personnel have been re-trained and operating procedures amended   
 The investigation concluded that no further action was warranted.
