

Goods returned to Australia

This form is to be used to advise the Defence Export Control Office (DECO) that controlled goods, for which an export permit was issued, have been returned to Australia. This form can also be used to request an extension of time for controlled goods to remain overseas.

Instructions for completing form:

- Complete **Part A**
- If the goods have returned to Australia complete **Part B**, otherwise
- If you are seeking approval to extend the period of time that the goods remain overseas complete **Part C**

Part A

Permit holder / Company name	
ABN / CCID	Permit / Licence Number
Description of goods	Quantity
Manufacturer	Model
Part number	Serial number
Additional information	

Part B

Date returned to Australia	Customs Import Declaration Number
----------------------------	-----------------------------------

Part C

Completing this section does not constitute permission to extend the period the goods are outside of Australia. DECO will notify you if permission is granted.

Expected return date	Reason an extension is being requested
----------------------	--

Declaration

I declare that the above particulars are true and correct.

Name	Date	Position
------	------	----------

Email the completed form to deco@defence.gov.au
