Lt Nottle,
Royal Australian Navy

Josh mate,
I can do better than that.
Seven Australian Citizens have seen the letters first hand.

Joanne Tanner; Secretary to the 1999 Parliament Enquiry,
[You will need an ASIO Access to cross-check that]
Joanne will need Royal Commission protection.

1999 Enquiry Chairman Senator David MacGibbon, available on [REDACTED]

1999 Enquiry participant MP Sandy MacDonald, available on [REDACTED]

Please note these have high level ASIO clearances, and colluded to conspire against the 1999 Parliament Enquiry.
Several Federal laws have been broken.
I have contacted the current Director General Paul O'Sullivan to cross-check this.

Be aware, ASIO ran a covert operation inside the 1999 Enquiry.
Deputy Chairman Dr Andrew Theophanous has confirmed the rest of the Team weren't shown Submissions 37; 93; 103;
116; 136; 149; 186 and 195.
Dr Theophanous is available directly on [REDACTED]

Current Minister for Veteran Affairs Alan Mitchell, available on [REDACTED]

PA to MP Mitchell, Melanie Sherrin.
[Melanie has a gag order current]

Deputy Commissioner for Veteran Affairs Jim Dalton, available on [REDACTED]
Jim is suffering badly to restrictions placed upon himself by the Rudd Government regarding this matter.

Parliament Clerk Alannah Auckram, who originally copied the Confidential submissions for myself.
I never got them .
I am not sure about Alannah's whereabouts, and or/ safety.

Please inform Commissioner Cole.
Please notify Commander Jack Rush QC.

This particular segment in the HMAS Sydney saga is going to get very messy soon.

Kind Regards.

David Angwin.

HMAS Sydney
