Commission Secretary  
HMAS SYDNEY II Commission of Inquiry.

Dear Katrina,

On the internet it shows that any information that may be of interest do do with the HMAS II sinking should be sent do -

Naval Support Command,  
Deakin Offices,  
109 Kent Street  
Deakin  
A.C.T.

P/c 2600.

When I wrote do them my letter was returned -

I have put together a parcel - much the same as I sent do you - if you know the correct address could you send it on do them for me as I'm not sure how all the navy departments work.

Yours truly. Graham
