Dear Edmund,

I am very sorry for having kept you waiting for your video film.

At the moment I am busily engaged in the distribution of the translation of Barbara Winter's book " H.M.A.S. SYDNEY, Fact, Fantasy and Fraud", not only to a large part of our KORMORAN-men but also to friends and men of other auxiliary cruisers.

But, please, let me know when you need the film, in that case I shall return it to you very quickly.

I am of course highly interested in the film and in Tom Frame's opinion about the humanity or inhumanity of Captain Detmers and/or of his officers and crew, about Captain Burnett's ability ~~to~~ in leading a cruiser, about his opinion of the Australian civilians re the action between the two cruisers and so many more details.

Edmund, when you can manage to ~~get~~^{get} me a copy of Tom Frame's book I shall feel very grateful to you. Of course I shall pay you the price for it, including the packing and the postage, not a penny less ! ! !

Let this short letter be enough at the moment, probably my next letter will become ^{me} somewhat longer.

Sincere greetings to you and Mrs Jones,

yours
