Dear Sir,

The Secretary of the German Naval Association, Wilhelmshaven, sent me your letter of January 25, 1989.

I am the Speaker of the survivors of the German auxiliary cruiser Kormoran and think it might be quite interesting for the son whose father was lost when H.M.A.S. Sydney foundered, to start an exchange of letters with me. You will therefore oblige me very much by sending my name and address to the gentleman.

Yours sincerely,

*Otto Jürgensen*

Dear Ed,

Going through the 'Old Sailors' Net', I've managed the above, for you. I sincerely hope you will follow it up, as he suggests, as they seem to lay far more store by these matters than we do. I'm pretty sure that these 'ex-Kormorans' will want to be in touch with you.

Yours aye  
John
