In this letter I asked Secretary to the Commission of Inquiry to disregard our submission
dated 9 July 2008 and informed her that I was redrafting our submission. It was just after
this that I found out that the closing date for submissions was not until Friday 31 October
2008. I have just received a letter dated 16 September from the Secretary confirming that
the closing date is Friday 31 October 2008.

In my letter dated 23 September, I asked if I should send a copy of our paper "Evidence for the Late Captain Burnett's Defence" to the Commission. In view of the fact that the closing date for Submissions is not until 31 October, there is plenty of time to work on this. I will value your suggestions.

Yours faithfully,
