Commander K Radburn RAN
HMAS SYDNEY II
Commission of Inquiry,
Office of the Chief of Defence Force
270 Pitt Street
Sydney 2000,

Dear Commander,

With reference to my letter of the 9th February, the section referring to the drift of KORMORAN is at fault. I have been ever convinced, SYDNEY turned South South Eastward after the Battle, and to fit in with that argument, I compromised the truth.

For this I apologise.

The attached is in my opinion of the sequence of events, which ended with HMAS SYDNEY sinking.

Yours sincerely,

Bernard O'Sullivan
