Commander K. Radburn, RANR
Secretary, HMAS Sydney II Commission of Inquiry

Ma'am,

I have this afternoon received a telephone call from Captain Arundel. Captain Arundel has specifically instructed me to formally communicate the below to the Commission.

Amendment to previous evidence

I respectfully refer to the oral evidence I gave to the Commission of Inquiry on 20 January 2009. At page 1452 of my transcript [1], I referred to the "Interrogative Pennant", when I should have stated the "International Code Pennant"[2]. I became aware of the above when I first read the transcript of my evidence.

Richard Arundel
