Subject: WWW Submission: 8. Defence Industry [SEC=UNCLASSIFIED]

Name: Junia Kerr
Organisation: Sage Beauty

Submission: I find the term "White Paper" very unusual, in terms of defence maybe you could actually think about what people think when they read the term "white paper", and unless you want a repeat of Pauline Hansen, you may want to realise that intelligent Australia has had enough of any insinuation of racism here.

Get it right, we are in the 21st century for gods sake.

I agree to my submission being published on the Defence website
