PORTFOLIO ADDITIONAL ESTIMATES STATEMENTS
User Guide

The purpose of the Portfolio Additional Estimates Statements (PAES), like that of the Portfolio Budget Statements (PB Statements), is to inform Senators and Members of Parliament of the proposed allocation of resources to Government outcomes by agencies within the portfolio. The focus of the PAES differs from the PB Statements in one important aspect. While the PAES include an Agency Resource Statement to inform Parliament of the Revised Estimate of the total resources available to an agency, the focus of the PAES is on explaining the changes in resourcing by outcome(s) since the Budget. As such, the PAES provides information on new measures and their impact on the financial and/or non-financial planned performance of programs supporting those outcomes.

The PAES facilitate understanding of the proposed appropriations in Appropriation Bills (No. 3 and No. 4) 2013-14. In this sense the PAES is declared by the Additional Estimates Appropriation Bills to be a ‘relevant document’ to the interpretation of the Bills according to section 15AB of the Acts Interpretation Act 1901.

Whereas the Mid Year Economic and Fiscal Outlook 2013-14 is a mid-year budget report which provides updated information to allow the assessment of the Government’s fiscal performance against its fiscal strategy, the PAES update the most recent budget appropriations for agencies within the portfolio.
PORTFOLIO OVERVIEW
Defence Portfolio Overview

The Defence Portfolio consists of a number of component organisations that together are responsible for supporting the defence of Australia and its national interests. The three most significant bodies are:

- the Department of Defence—a department of state, headed by the Secretary of the Department of Defence
- the Australian Defence Force (ADF)—which consists of the three Services, Navy, Army and the Air Force (including Reserves) commanded by the Chief of the Defence Force (CDF). Each Service Chief also administers their respective Cadet service, although the Cadet service is not a component of the parent Service
- the Defence Materiel Organisation (DMO)—a prescribed agency within the Department of Defence, headed by its Chief Executive Officer (CEO) DMO.

In practice, these bodies have to work together closely and are broadly regarded as one organisation known simply as Defence.

The Portfolio also contains some smaller entities, including a number of statutory offices created by the Defence Force Discipline Act 1982 which are independent but reside administratively within Defence and various trusts and companies such as Defence Housing Australia (DHA) and the Australian Strategic Policy Institute.

The Minister for Defence's Portfolio also contains the Department of Veterans' Affairs and associated bodies, as it is designated as part of the Defence Portfolio in the Administrative Arrangements Order. The Department of Veterans' Affairs is administered separately to Defence.
Ministers and their Portfolio Responsibilities

The Minister for Veterans’ Affairs, Senator the Hon Michael Ronaldson, is in the Defence Portfolio but reported separately in the Department of Veterans’ Affairs budget statements.
