LAND 400 Phase 3 AUSTRALIAN INDUSTRY SHOWCASE ROADSHOW NOMINATION FORM

Nomination form to indicate interest in participating in the Australian Industry Showcase Roadshow Workshops

The Department of Defence through LAND 400 Phase 3 will conduct an Australian wide roadshow in March and April 2020 to facilitate Hanwha Defense Australia and Rheinmetall Defence Australia to maximise opportunities for Australian industry involvement in LAND 400 Phase 3.

The Australian Industry Work Breakdown Structure in this document lists the product and service categories identified by Hanwha Defense Australia and Rheinmetall Defence Australia as opportunities for Australian industry participation.

In March and April 2020 the Department, Hanwha and Rheinmetall will visit capital cities and selected regional locations and provide the opportunity for each registered company to pitch their offering in a short face to face meeting.

A correctly completed and submitted nomination form allows Australian industry to indicate interest to participate in the Showcase Roadshow.

Eligibility

If you are an Australian company and identify opportunities in the Australian Industry Work Breakdown Structure, please complete and submit this nomination form. Please note that only one nomination can be submitted per ABN/ACN.

Nomination

Receipt of the nomination form will be acknowledged by the LAND 400 Phase 3 Australian Industry Team by email. You will be notified by the end of February 2020 on the acceptance of your nomination.

By submitting a completed nomination form, you acknowledge that the information provided may be shared with the Department of Defence, Hanwha Defense Australia and Rheinmetall Defence Australia.

The team is contactable at Land400Phase3.AIC@defence.gov.au

Further information about the LAND 400 Program can be found [here](#).
