

## Defence Aviation Safety Authority

### **E3 MANAGEMENT FOR MAINTAINERS COURSE**

#### **Course Code**

110054

#### **Course Duration**

4 days

#### **Course Content**

The course provides theory and practical instruction on E3 management. The theory component is a shortened version of the designer's course; whereas the practical component provides instruction on the testing and fault-finding of aircraft avionics systems using source/victim matrices, and physical inspections of aircraft to identify possible E3 problems via a Practical case study.

AIM: To graduate technical personnel capable of preventing and managing E3 problems to improve operational availability of ADF aircraft and systems.

#### **Target Audience**

ELECTRs, SYSTECHs, SNCO Technicians, flight line personnel employed in aircraft maintenance, and other Service and civilian equivalents.

#### **Sessions**

- **Session:** 0050
  - **Date:** 31 Mar – 3 Apr 2020
  - **Location:** RAAF base Richmond
  - **Nomination Closing Date:** 13 Mar 2020

#### **Course costs:**

There is no cost involved for Australian Defence Force personnel and Australian Public Service employees. Industry participants are required to pay a fee of **A\$1353.00** per person. Industry participants are also required to complete the [DASA Training Contractor Billing Details form](#) contained in this link and submit it along with the training nomination form. Nominations by industry personnel **WILL NOT** be considered unless both forms are received by DASA Training.

**For uniformed RAAF personnel ONLY:** You will be sponsored from DP-AF funds for incidentals and domestic travel to and from the course location. This will be confirmed in the formal call for nominations via a DP-AF course paneling message. Once at the training location, all accommodation, meals and transport costs are the responsibility of the member's parent Unit.

**For all other ADO personnel and Defence contractors:** The individual's parent unit/organisation is responsible for funding travel, meals and accommodation to attend this course. This also applies when the individual is at the training location.

### **Special Requirements**

Please notify DASA Training should you require assistance in attending the course, such access, hearing, vision assistance, etc.

### **Nomination Form**

Personnel are to nominate directly to DASA Training using webform [AE655](#).

If you are unable to nominate using the form above, please contact DASA Training.

If no dates are listed please nominate and enter EOI in the course date and location fields and you will be contacted when more courses are scheduled.
