

Example Estate Record Hierarchy Diagrams

The diagrams presented in this document show example **Physical Parent/Child** relationships between Estate Classes as defined by the ERIM.

The Physical Parent guidance in the ERIM, which has informed this document, describes the “anticipated” relationship between Estate Classes. Therefore the diagrams in this document show potential Estate Class relationships. They are not necessarily mandatory.

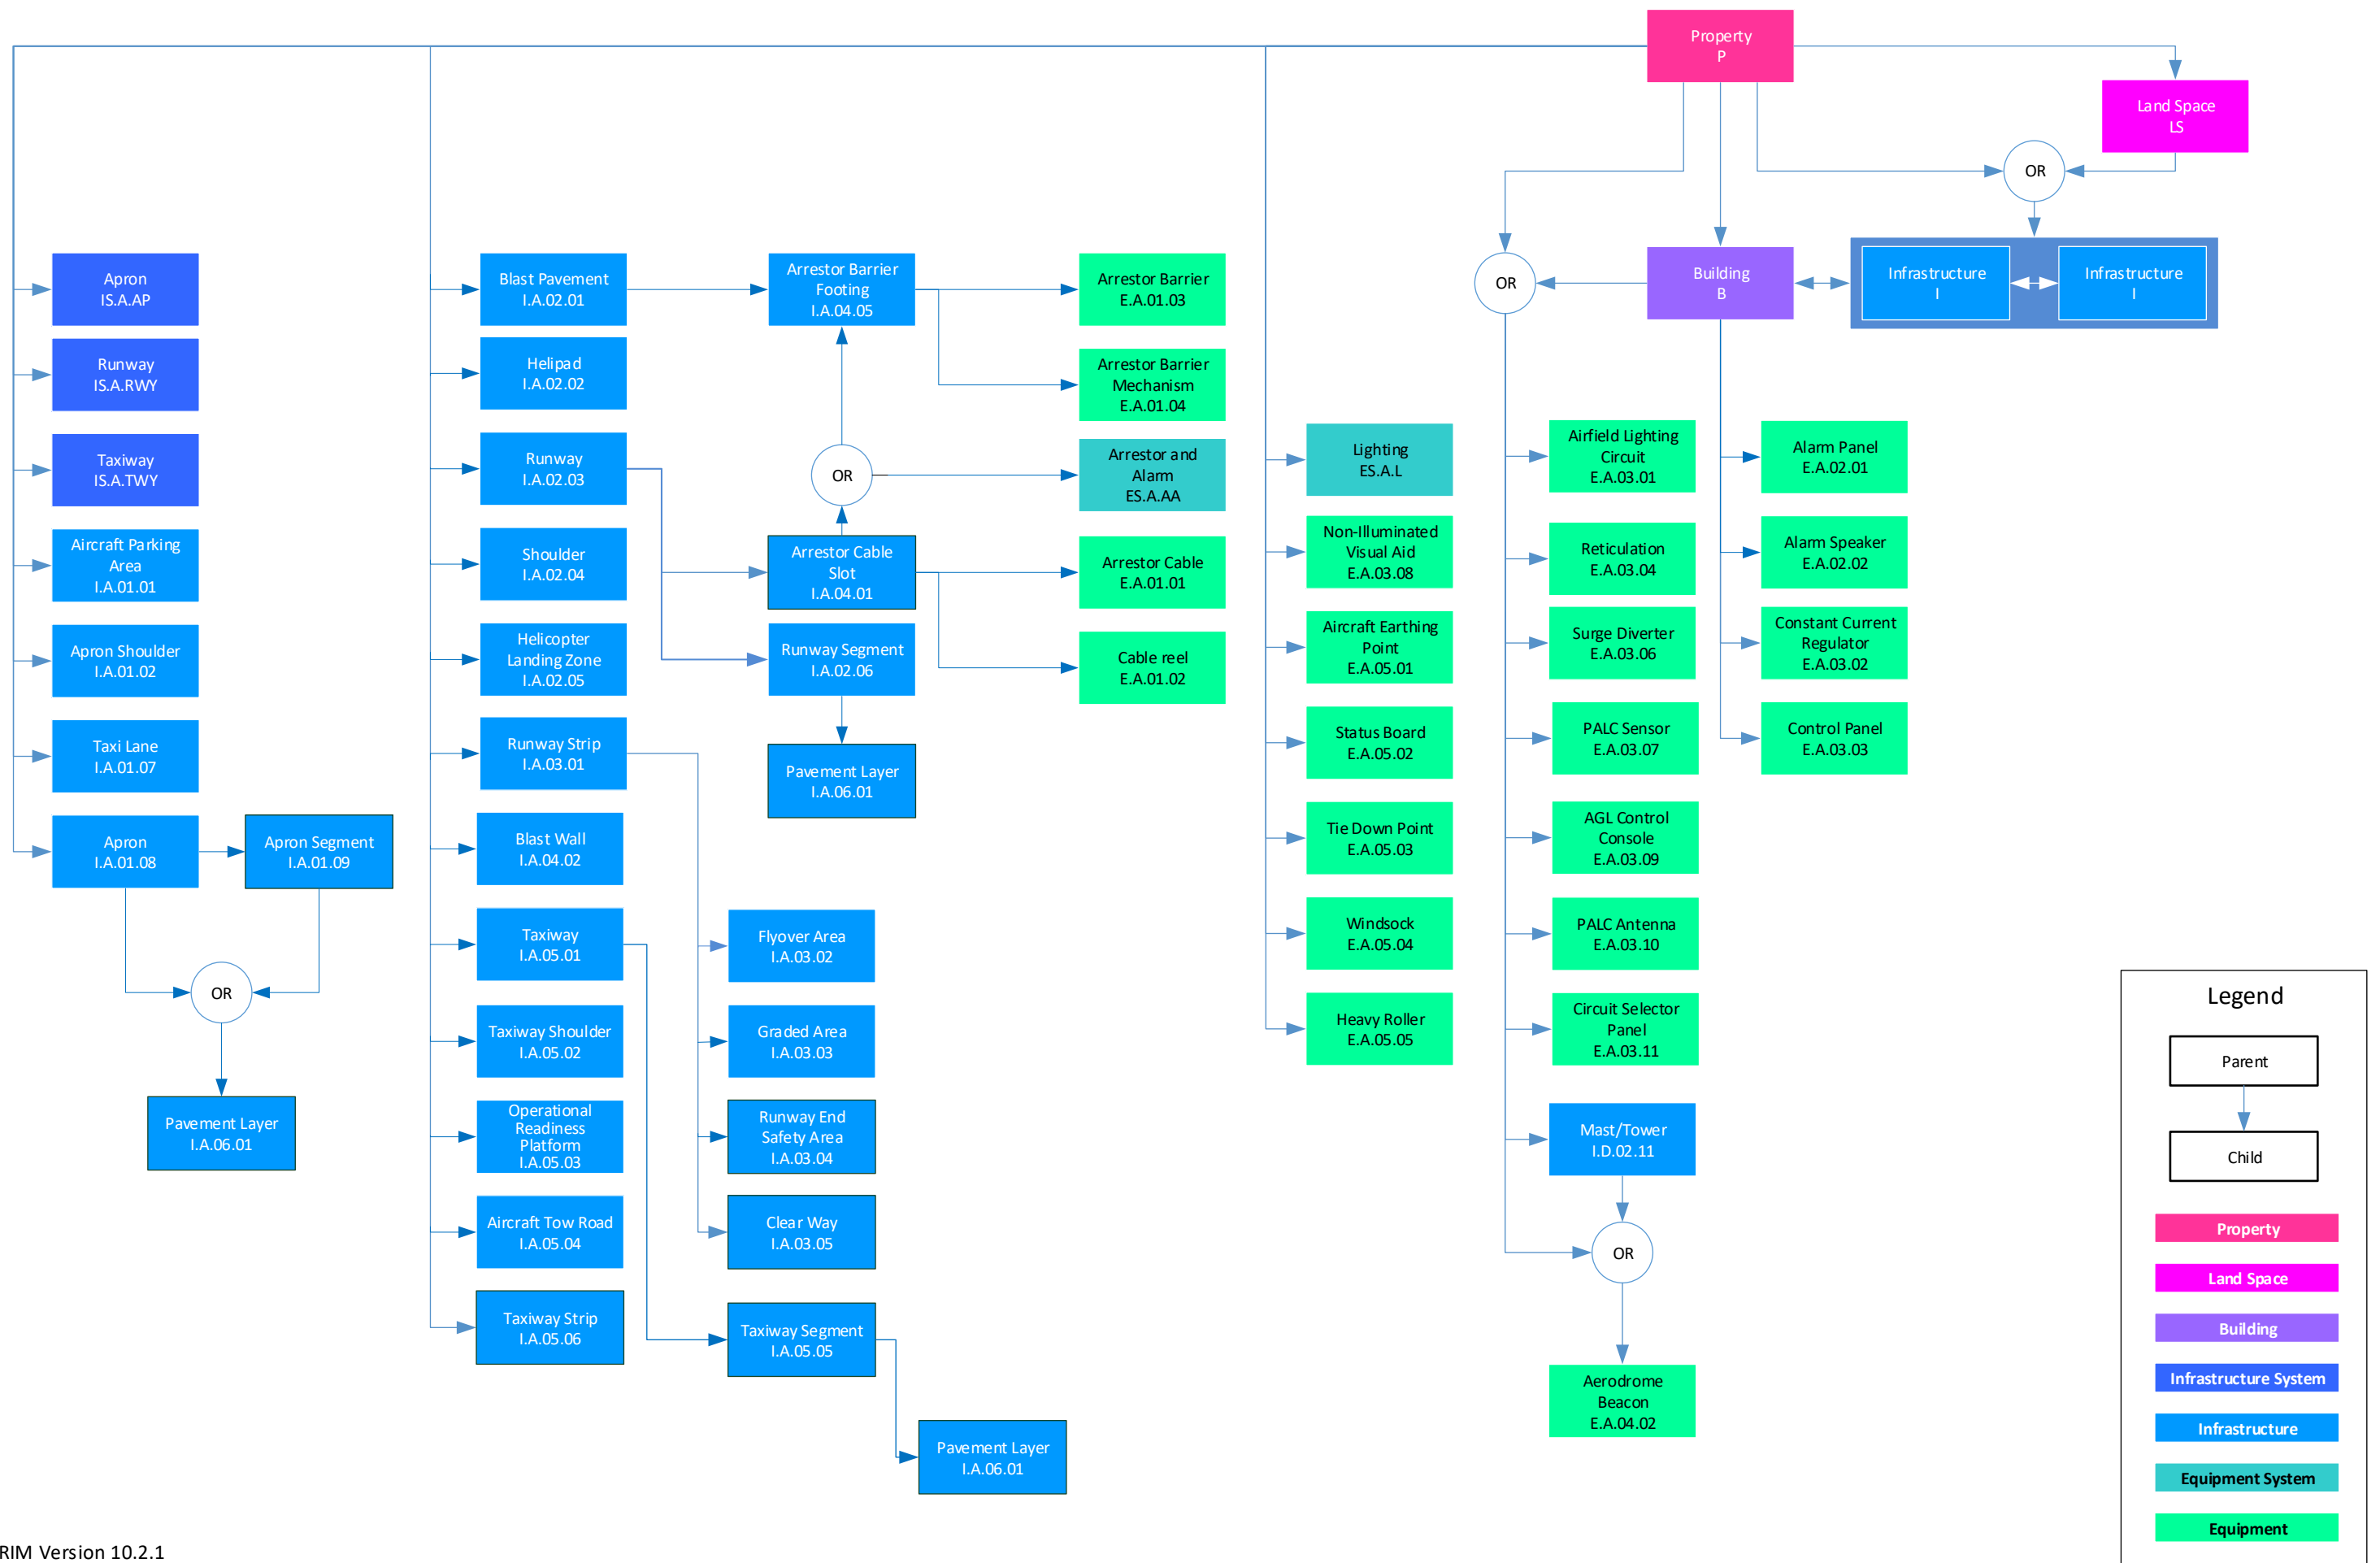

This document does not describe Functional Parent/Child relationships.

Airfield	03
Building BCA 5 Office	04
Building Fitment	05
Catering	06
Communication	07
Compressed Air / Vacuum	08
Control	09
Electrical	10
Fire	11
Fuel	12
Gas	13
Hazard	14
HVAC	15
Hydraulic	16
Lifting Equipment	17
Road/Pavement/Path	18
Security	19
Safety	20
Vertical Horizontal Transport	21
Waste	22

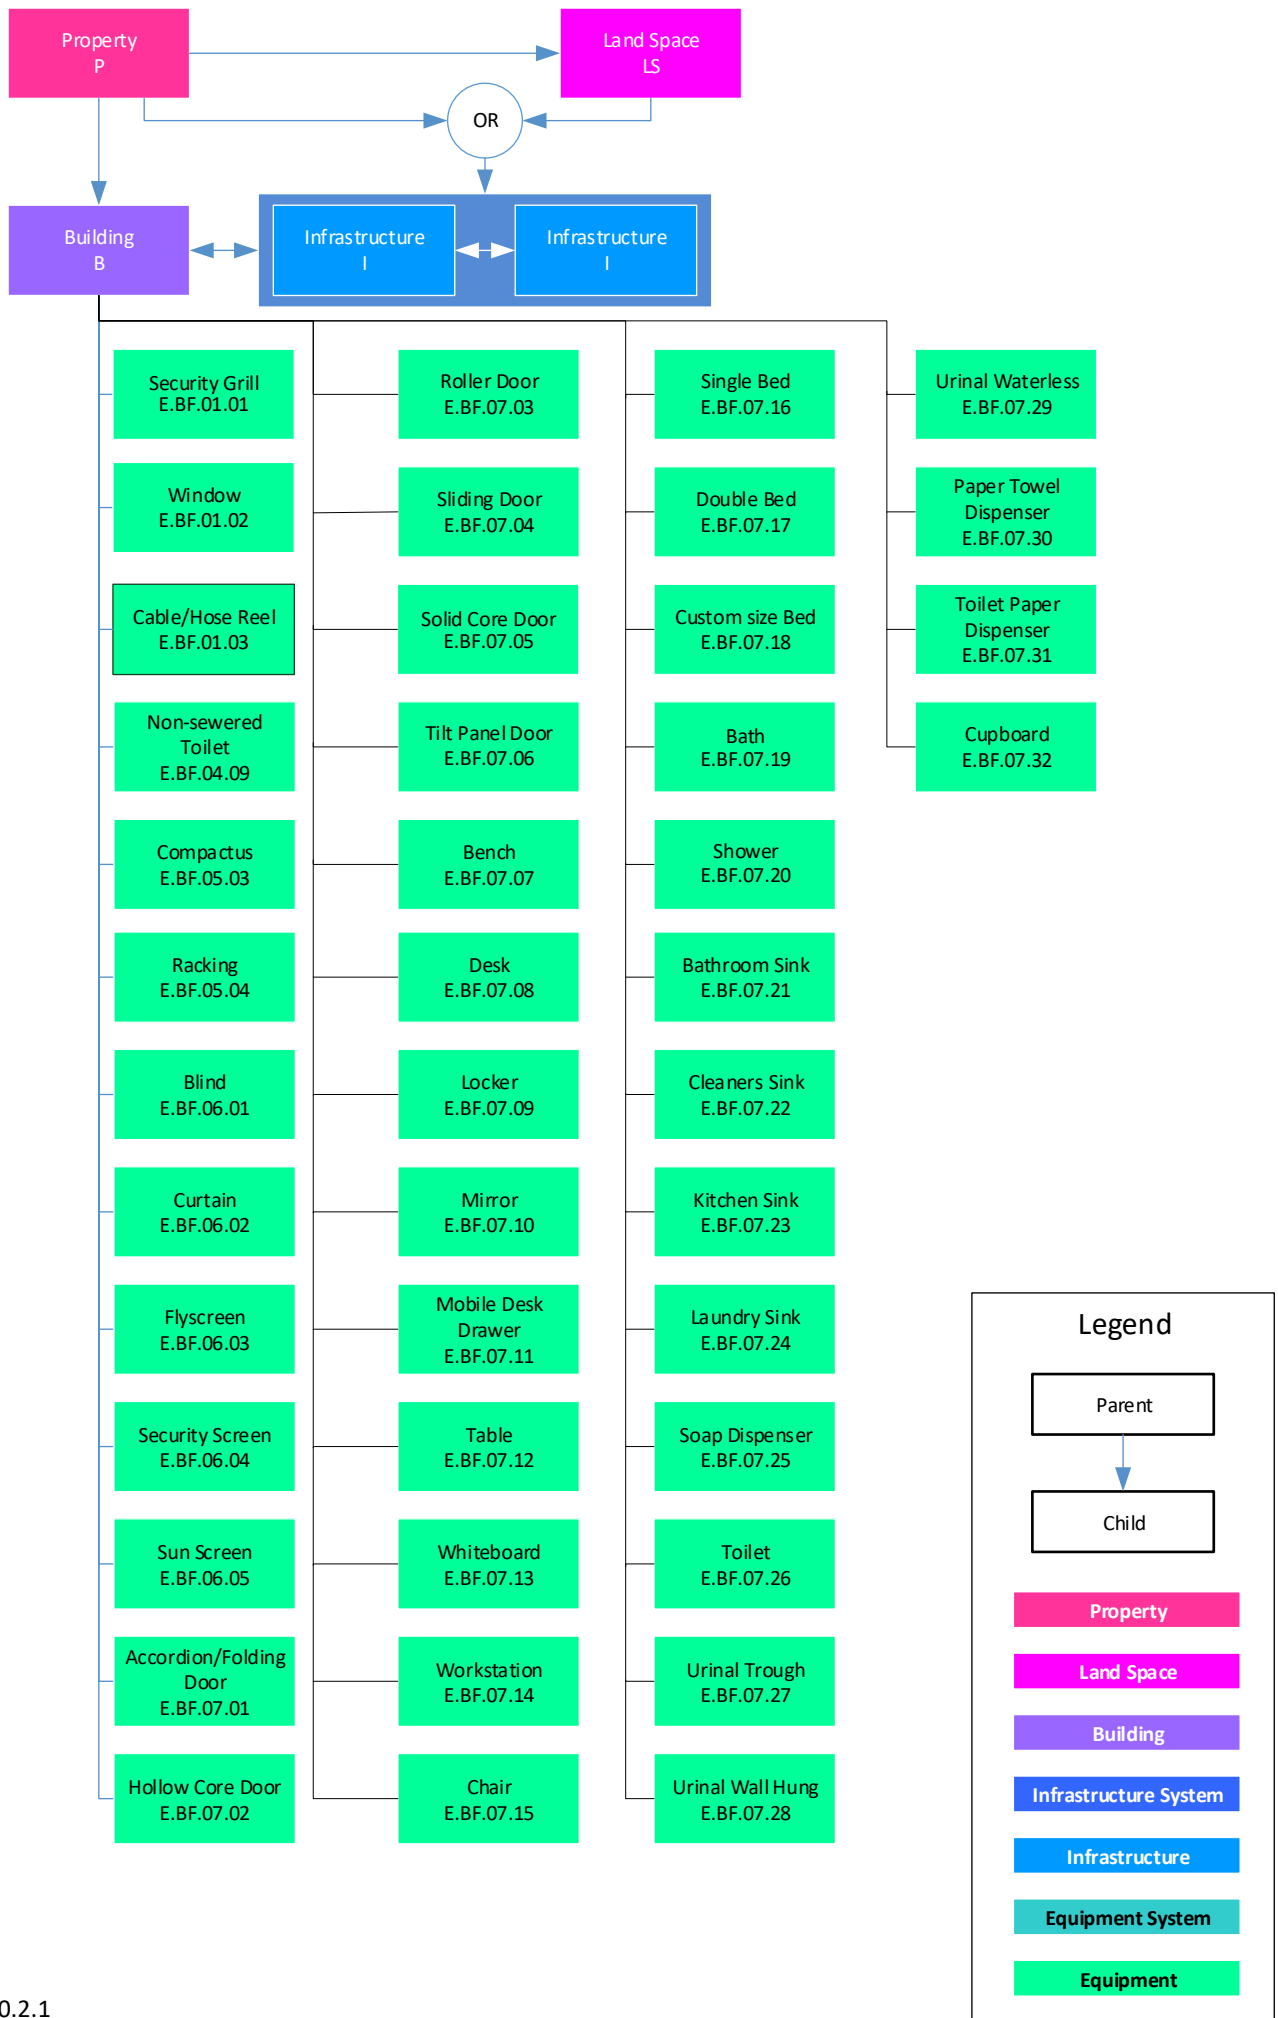

RH-A-01 Example Record Hierarchy By Use Case: Airfield

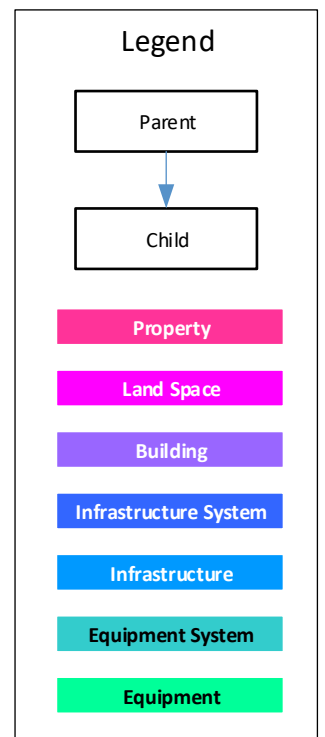

RH-B-L-01 Example Record Hierarchy By Use Case: Leased Building – BCA 5 Working Accom Office, Office Accomodation

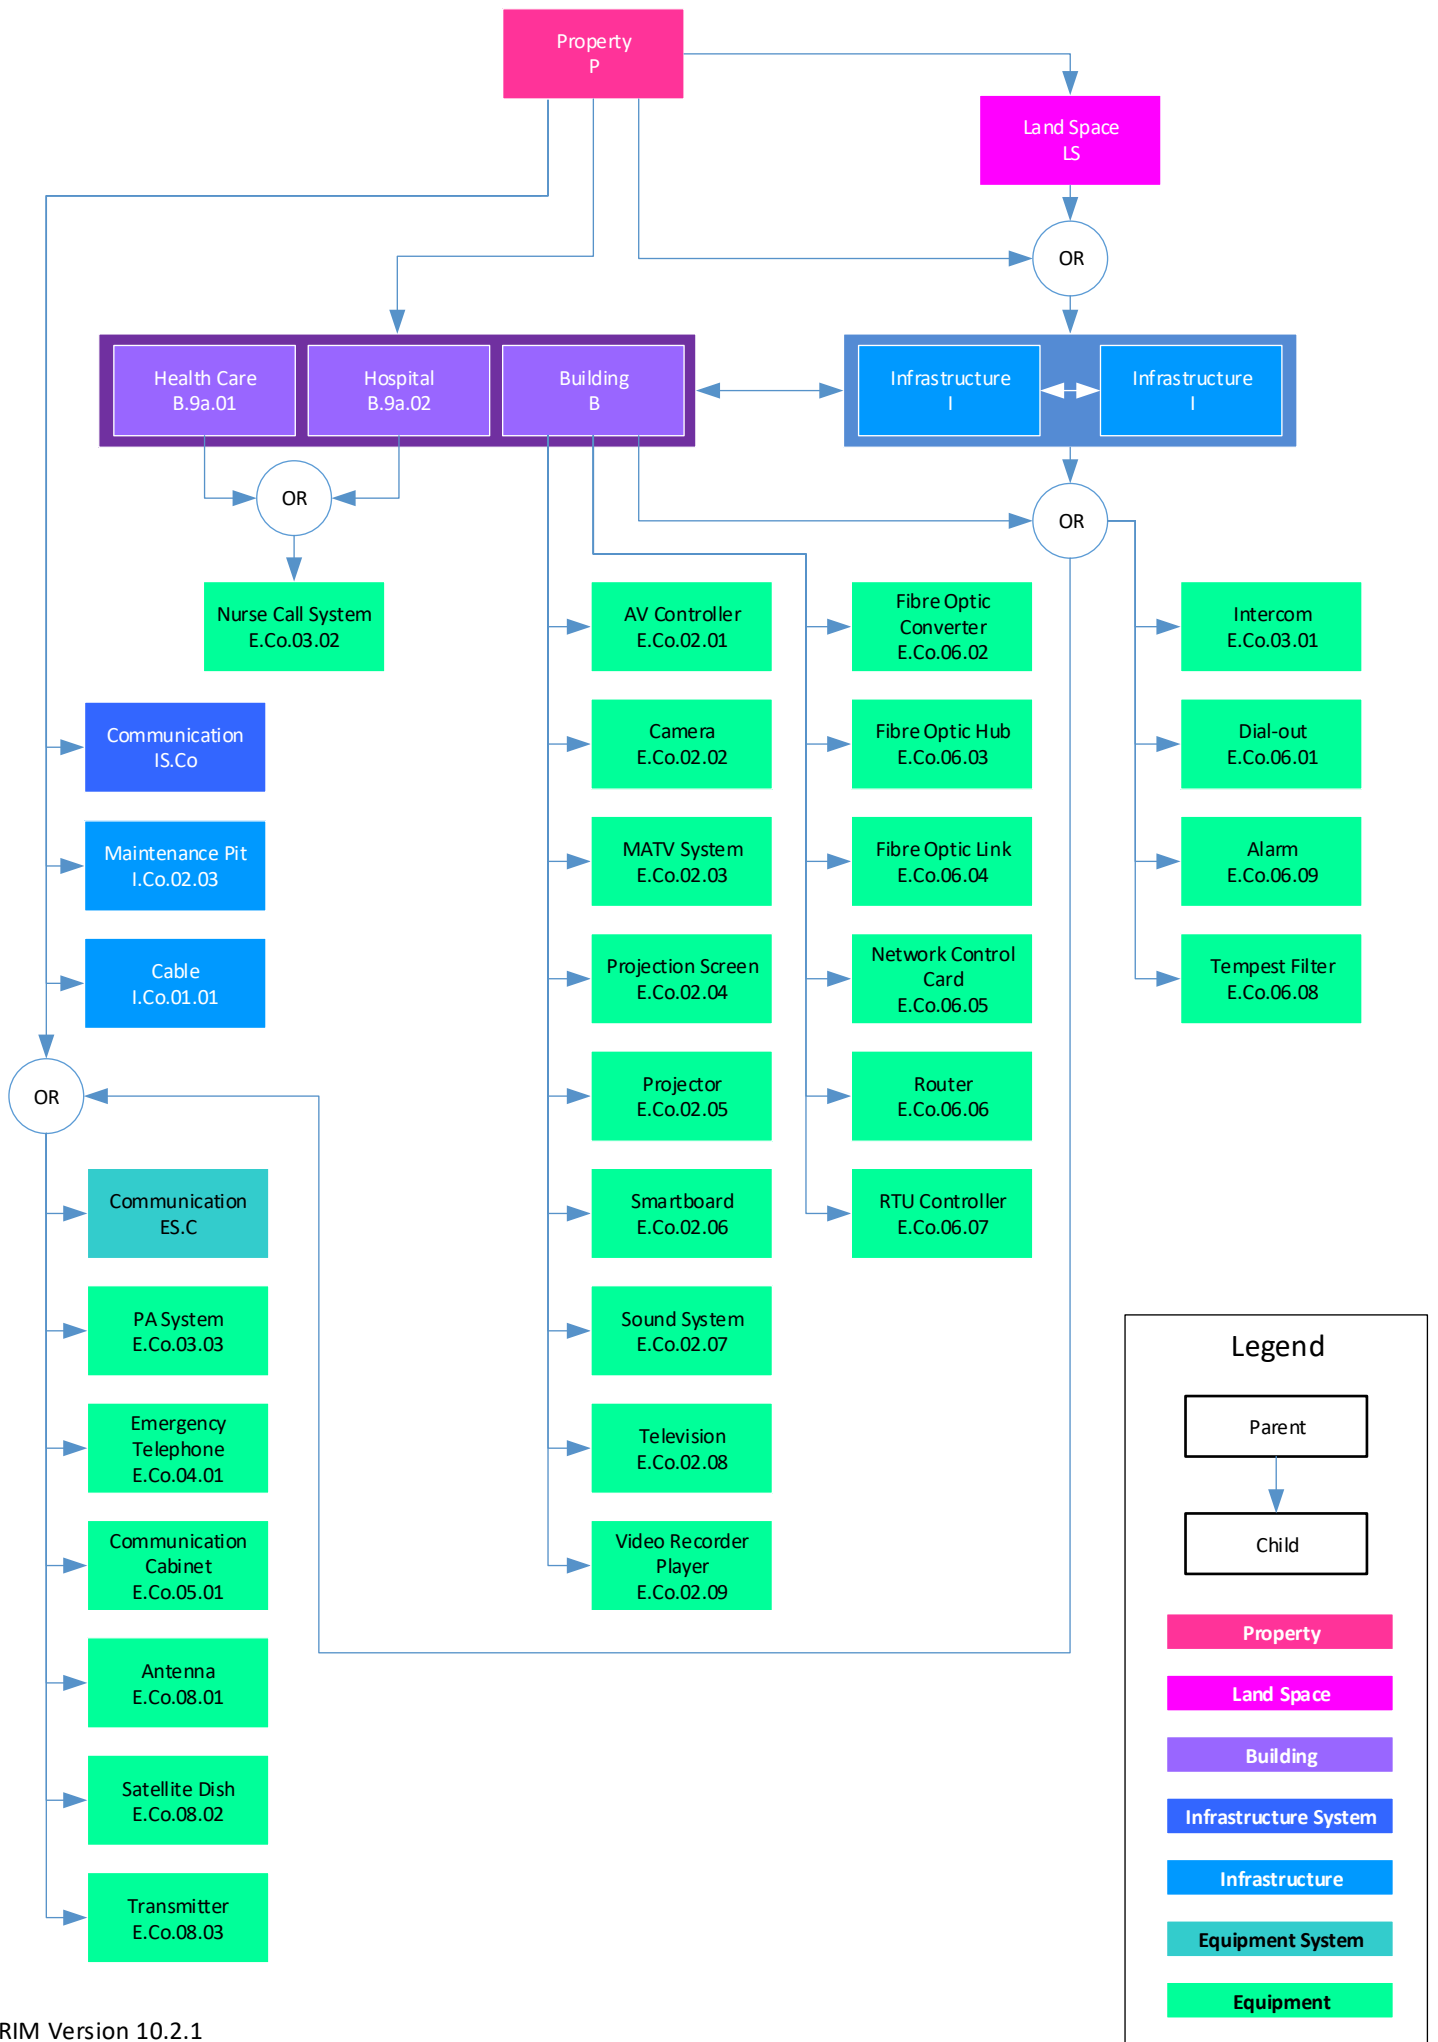

RH-BF-01 Example Record Hierarchy By Use Case: Building Fitment

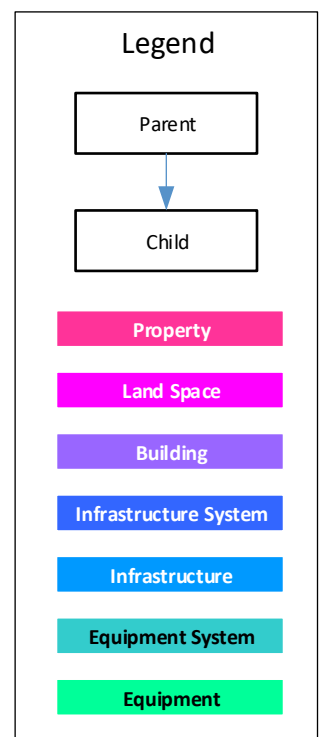

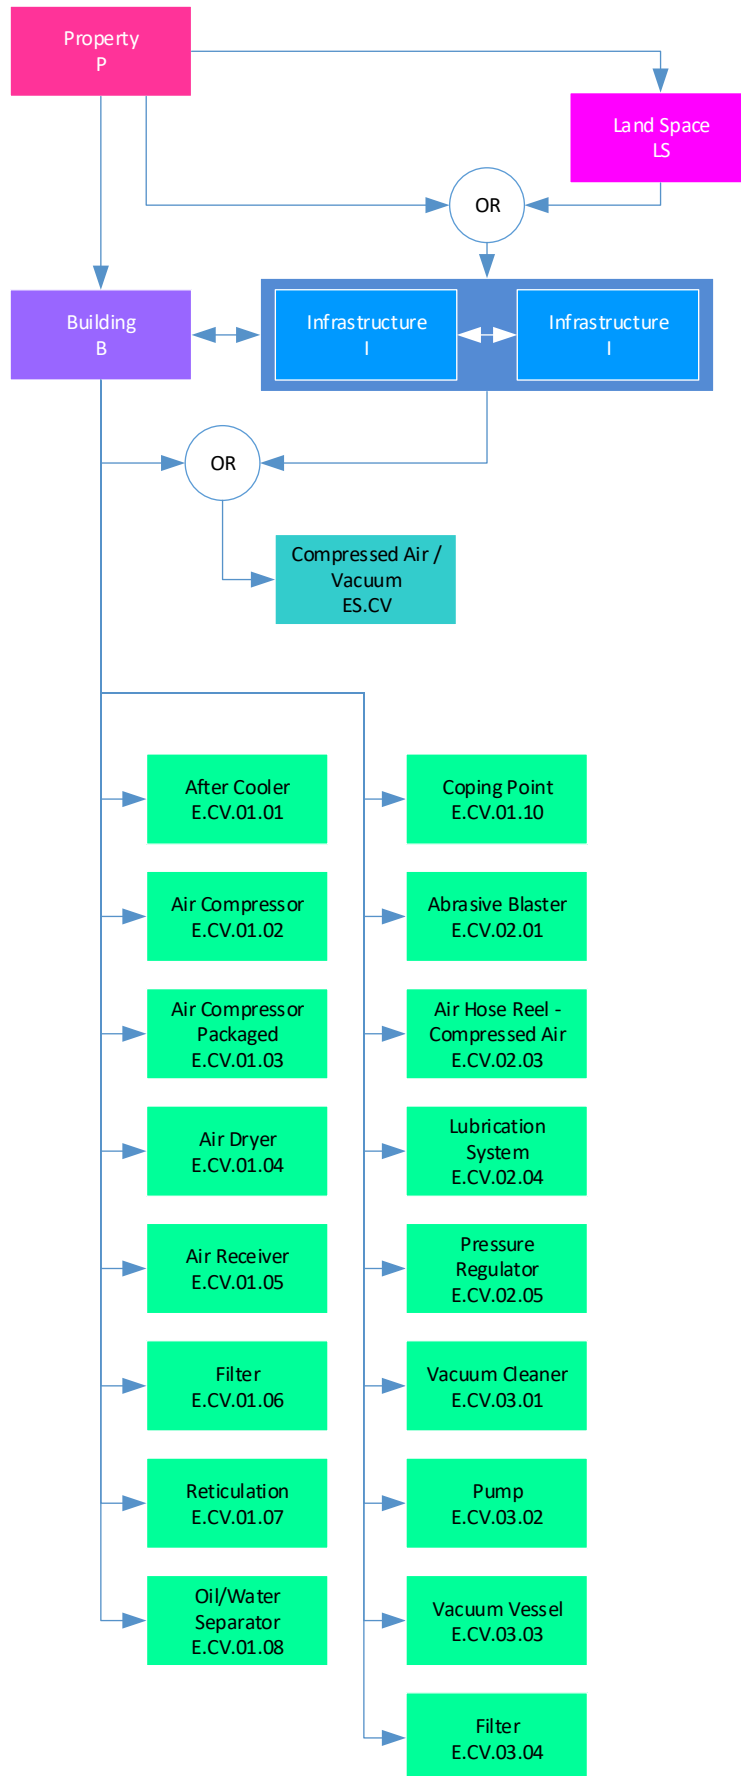

RH-CA-01 Example Record Hierarchy By Use Case: Catering

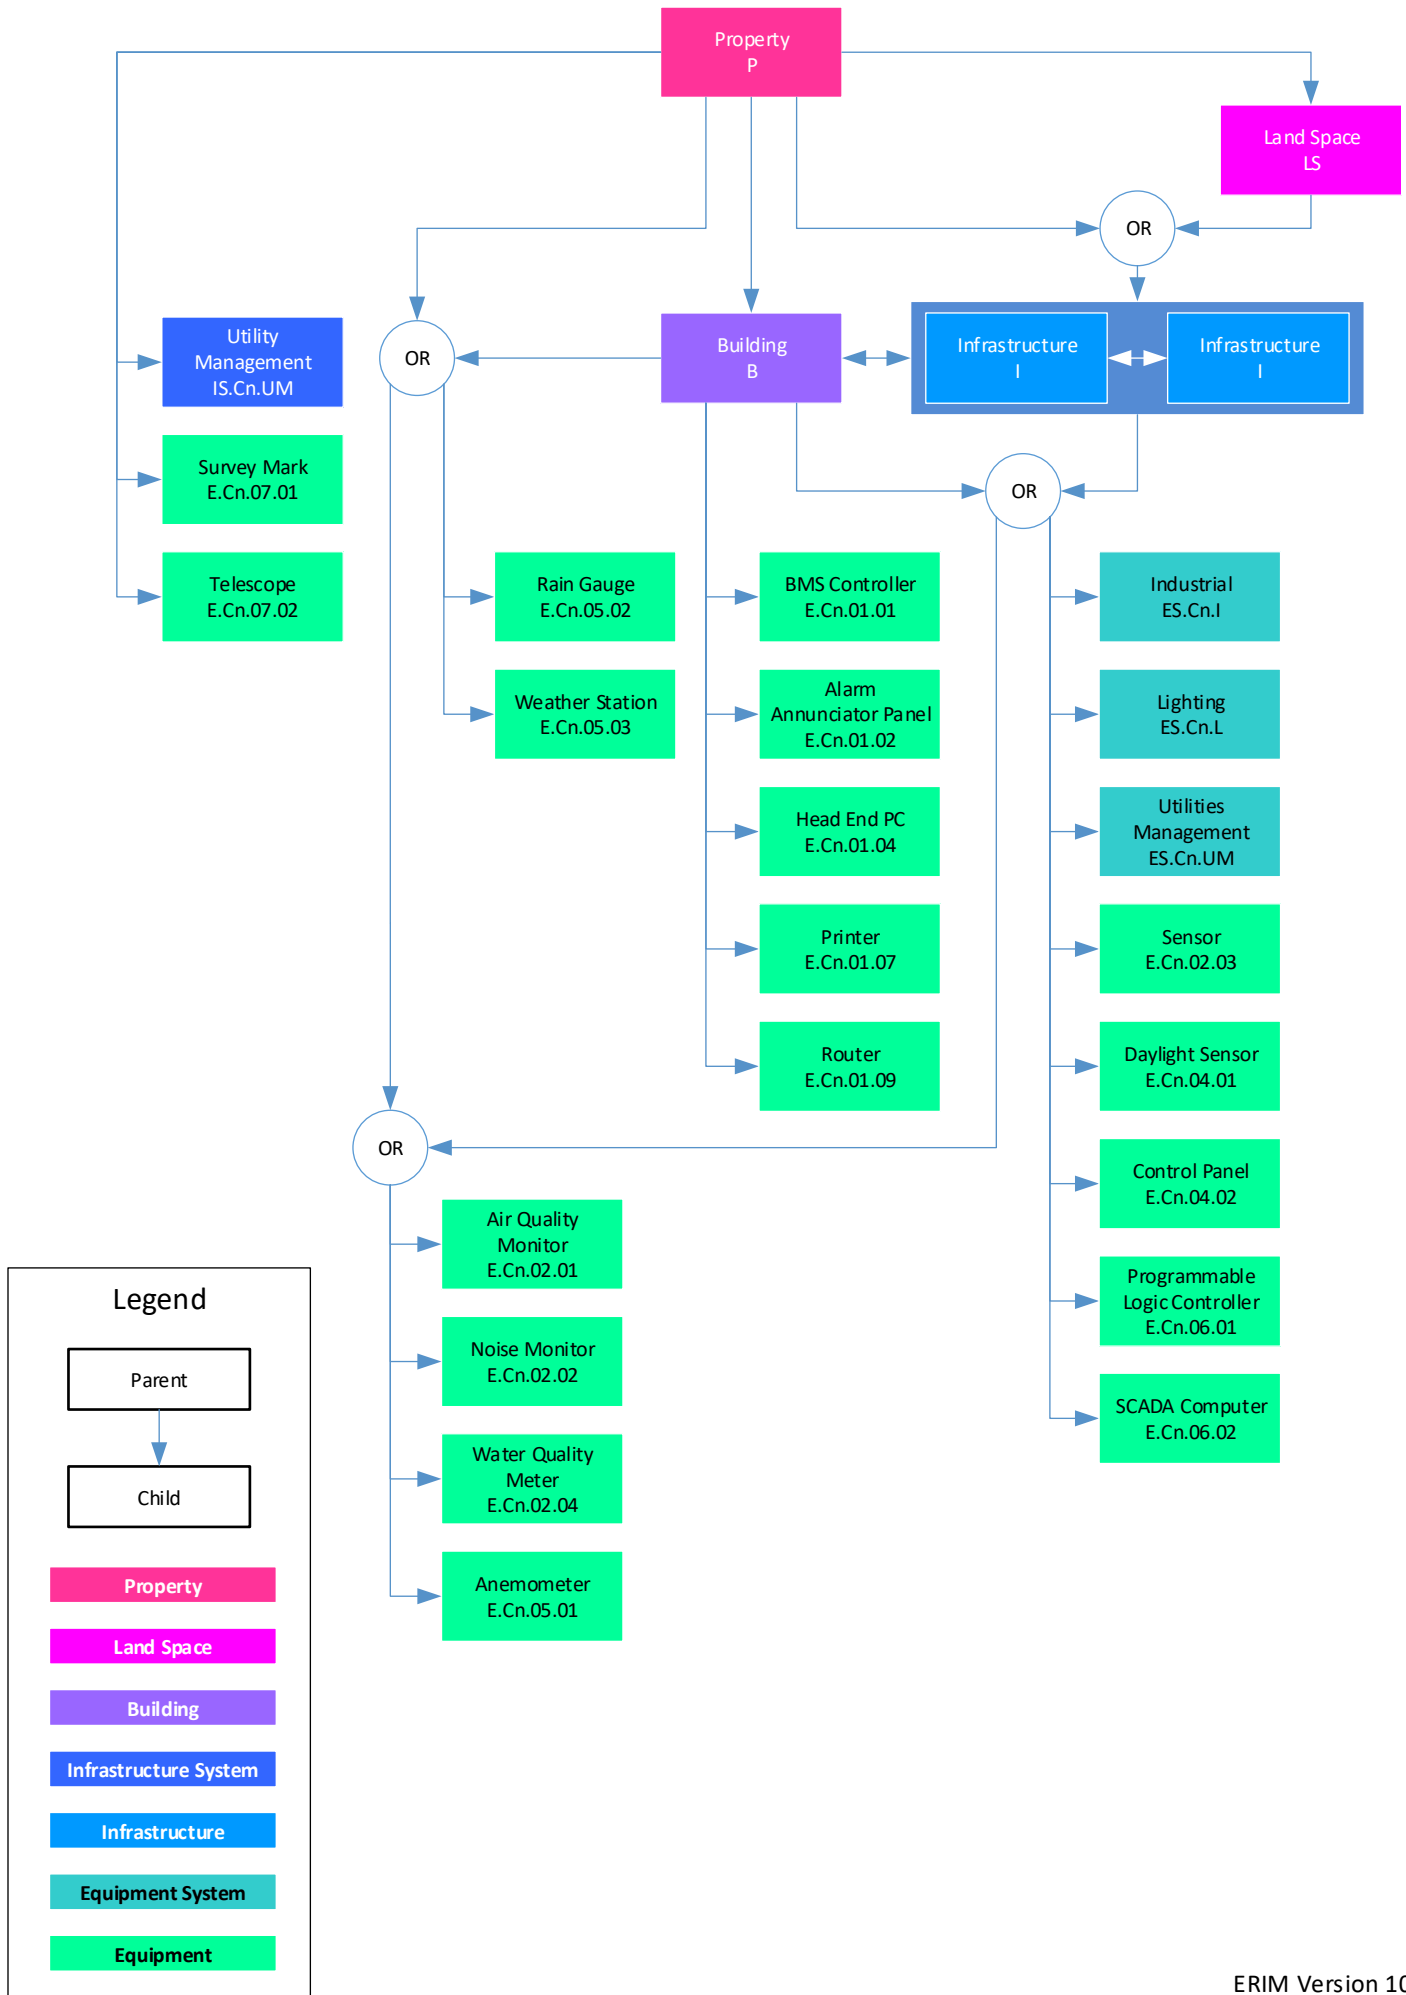

RH-CO-01 Example Record Hierarchy By Use Case: **Communication**

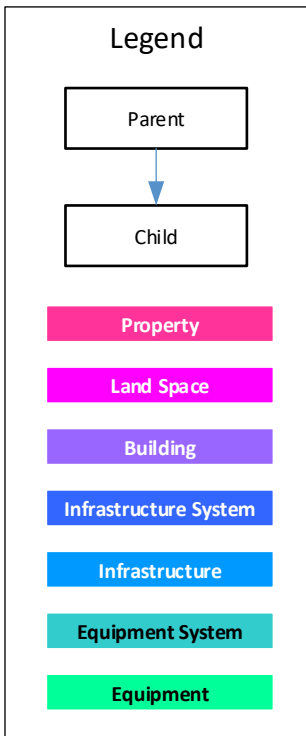

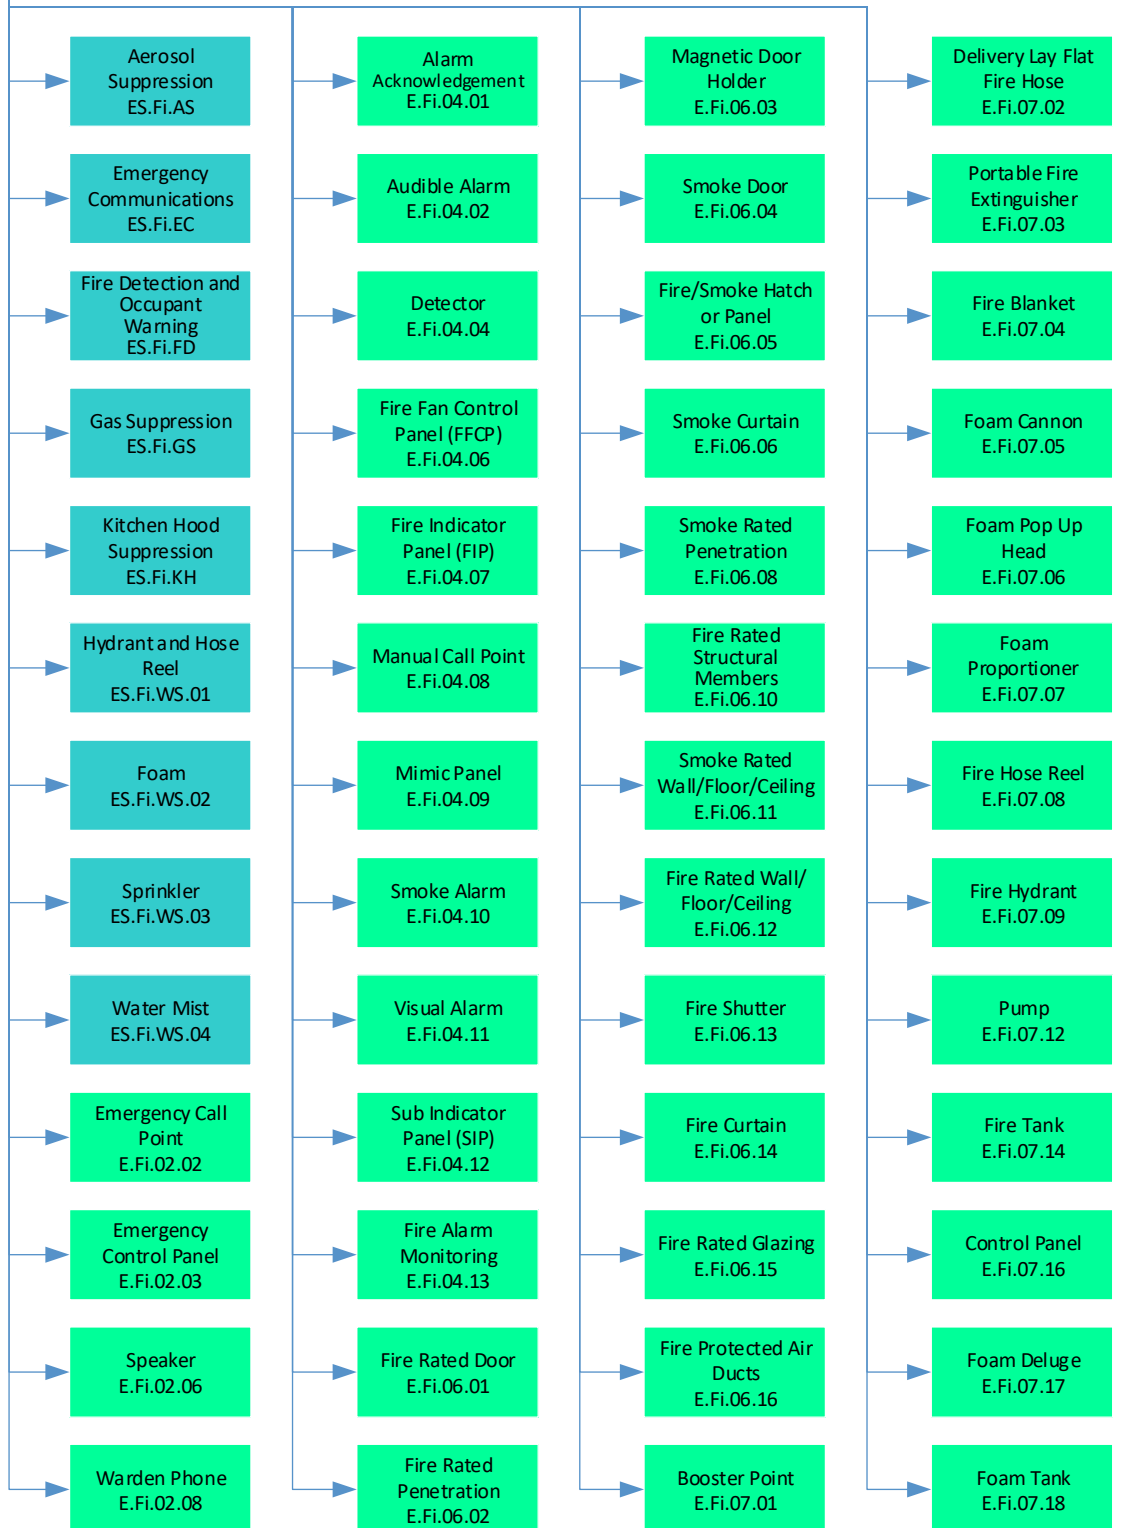

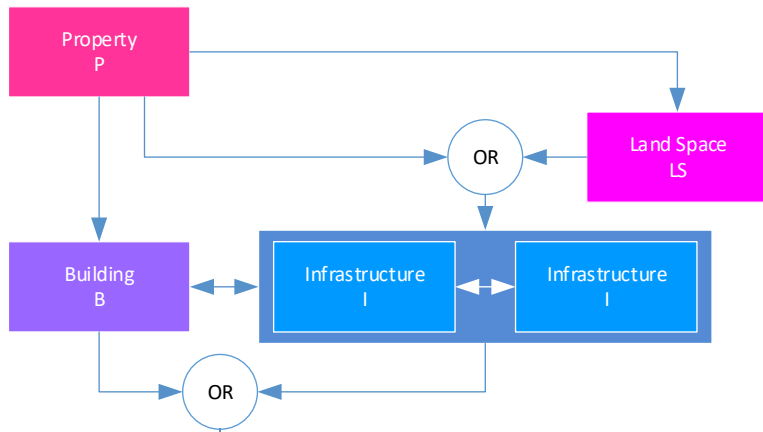

RH-CV-01 Example Record Hierarchy By Use Case: Compressed Air / Vacuum

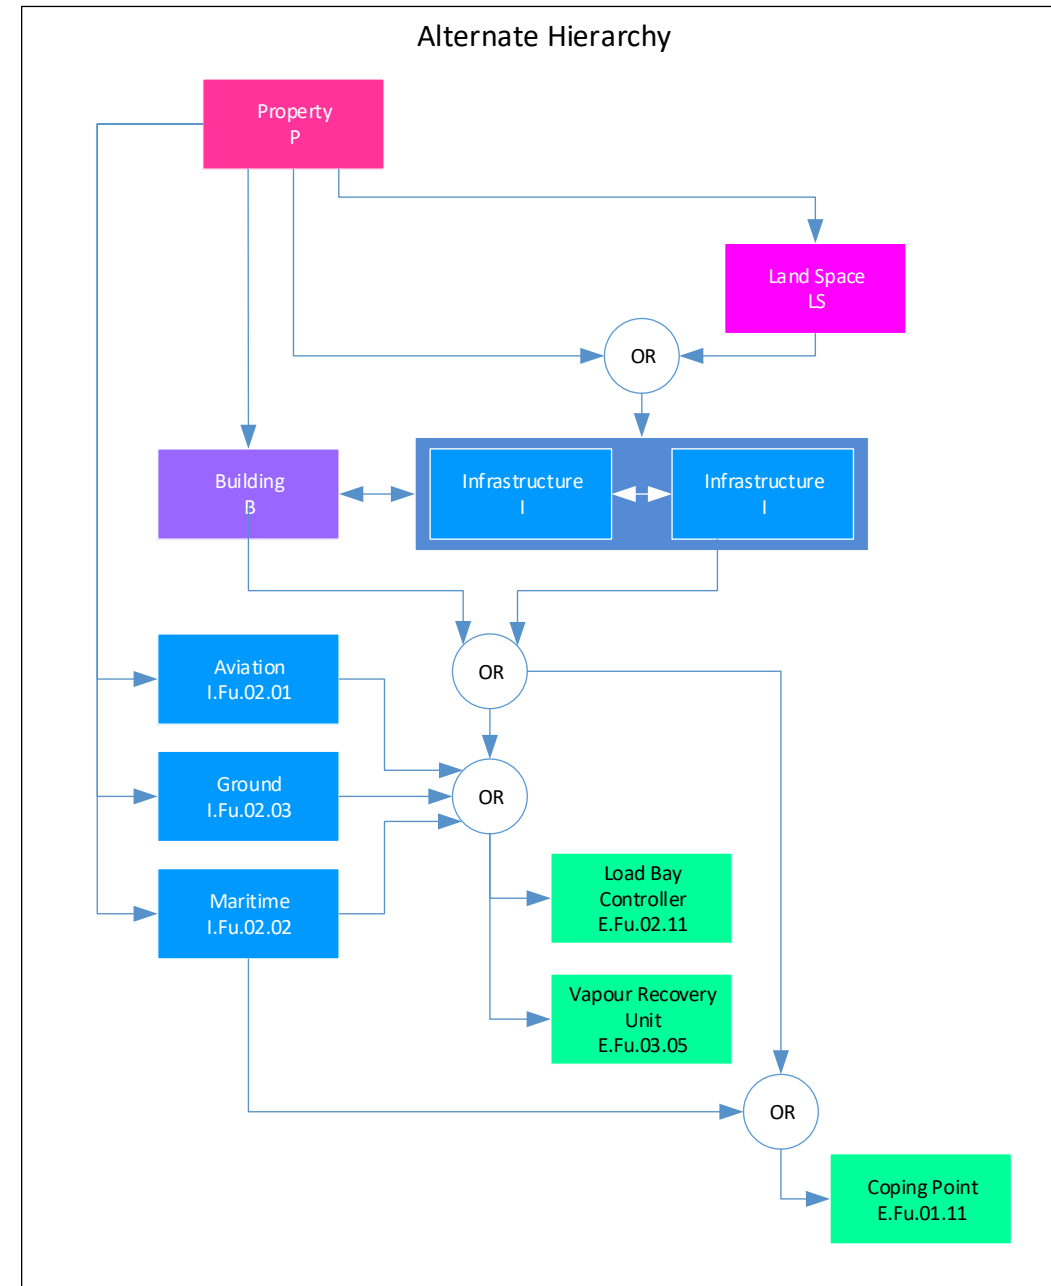

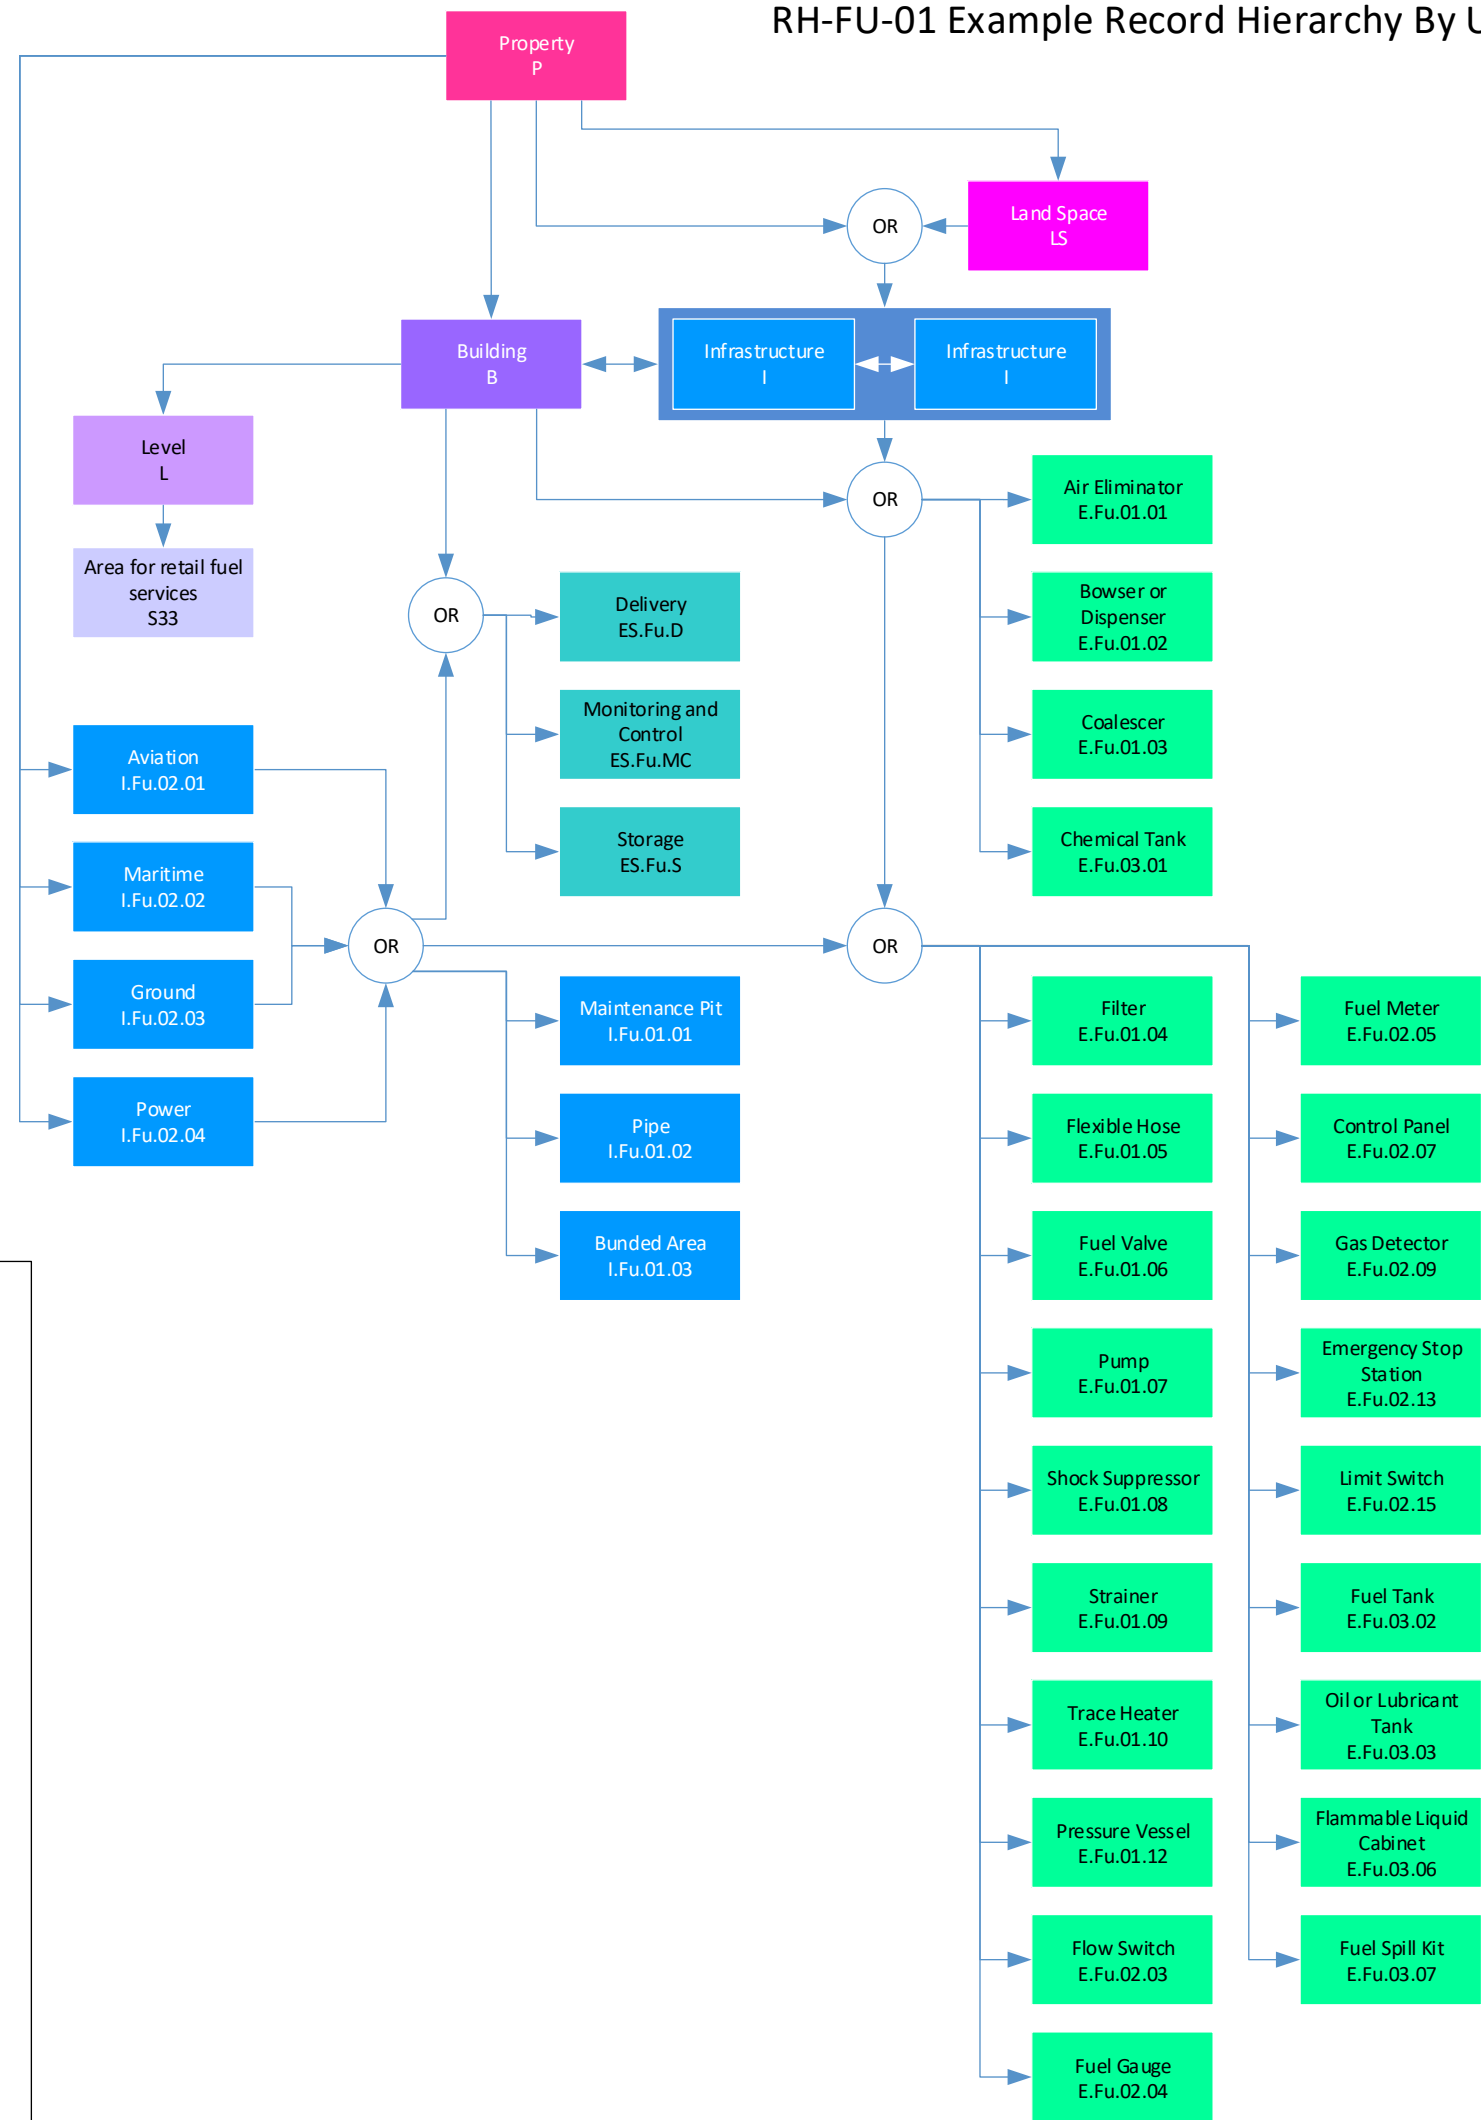

RH-CN-01 Example Record Hierarchy By Use Case: Control

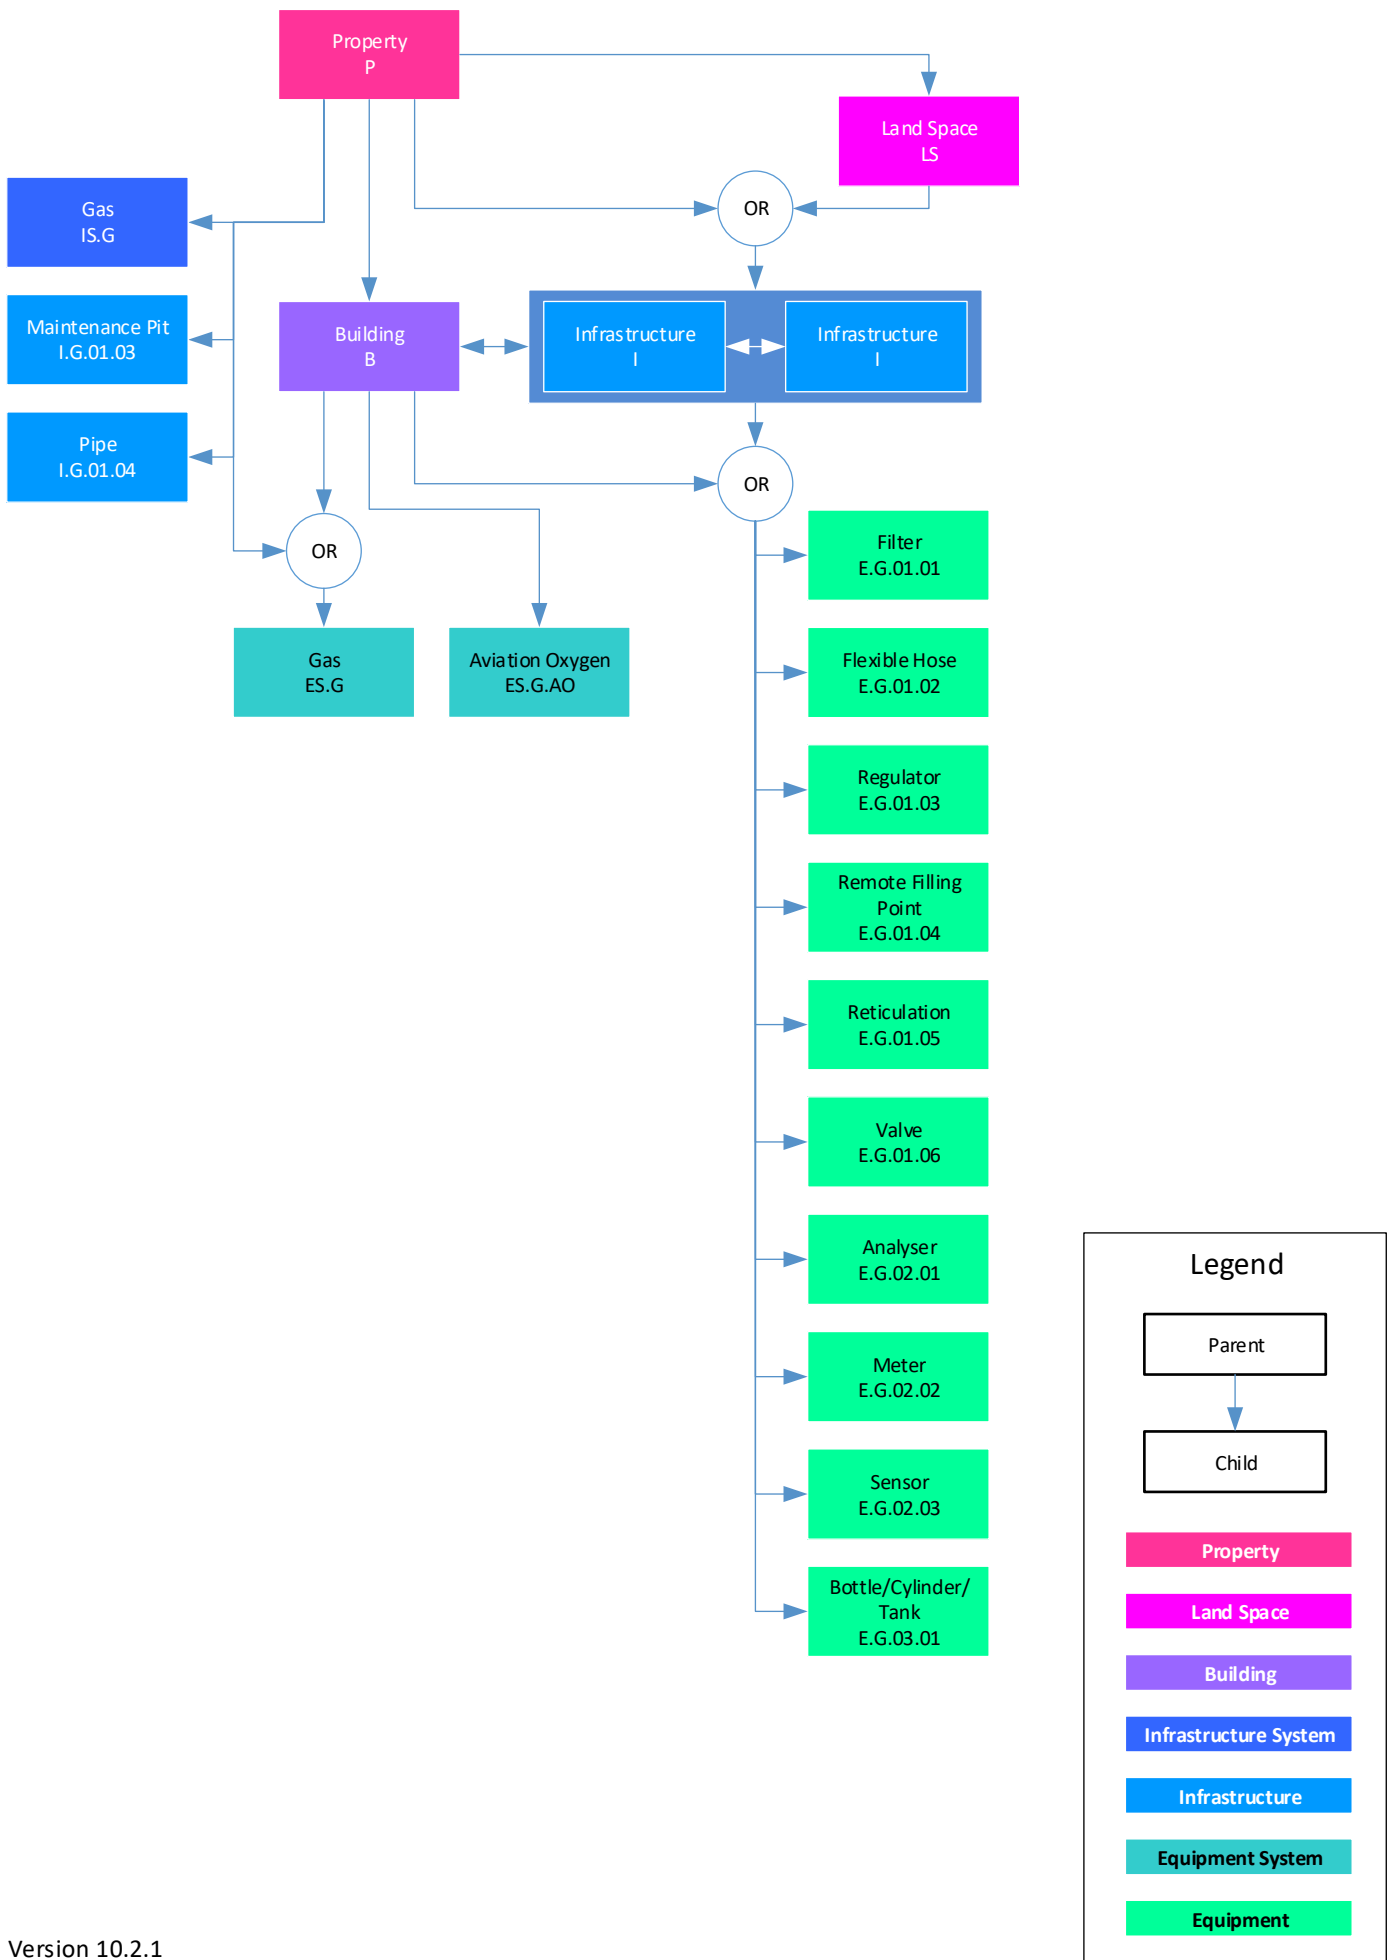

RH-FI-01 Example Record Hierarchy By Use Case: Fire

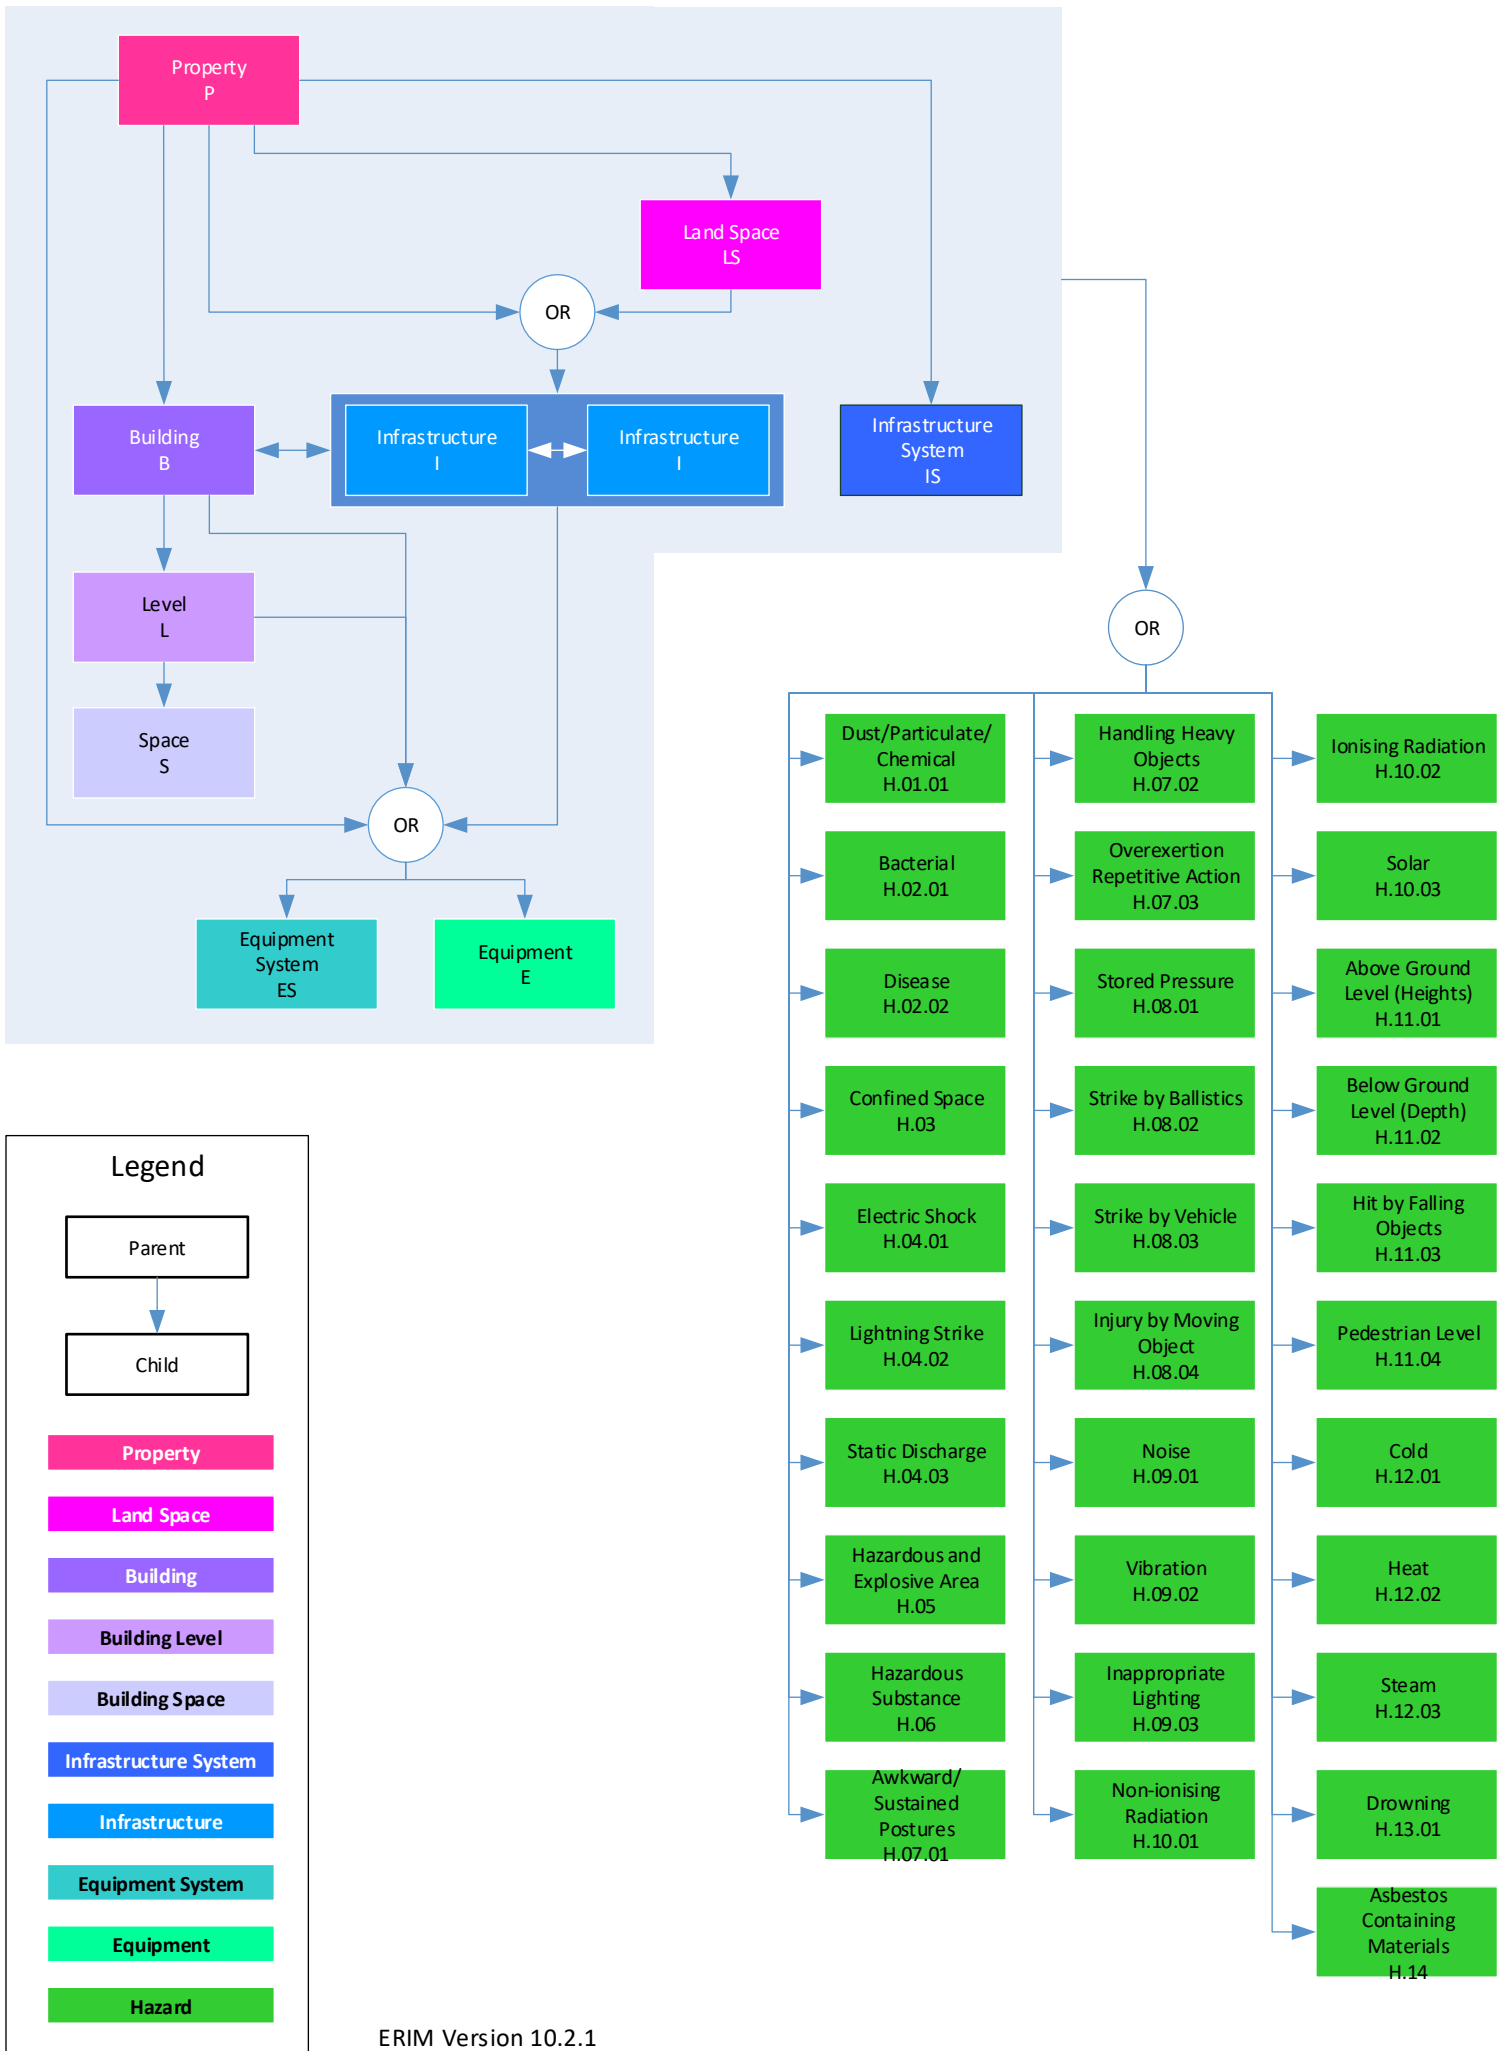

RH-FU-01 Example Record Hierarchy By Use Case: Fuel

RH-G-01 Example Record Hierarchy By Use Case: Gas

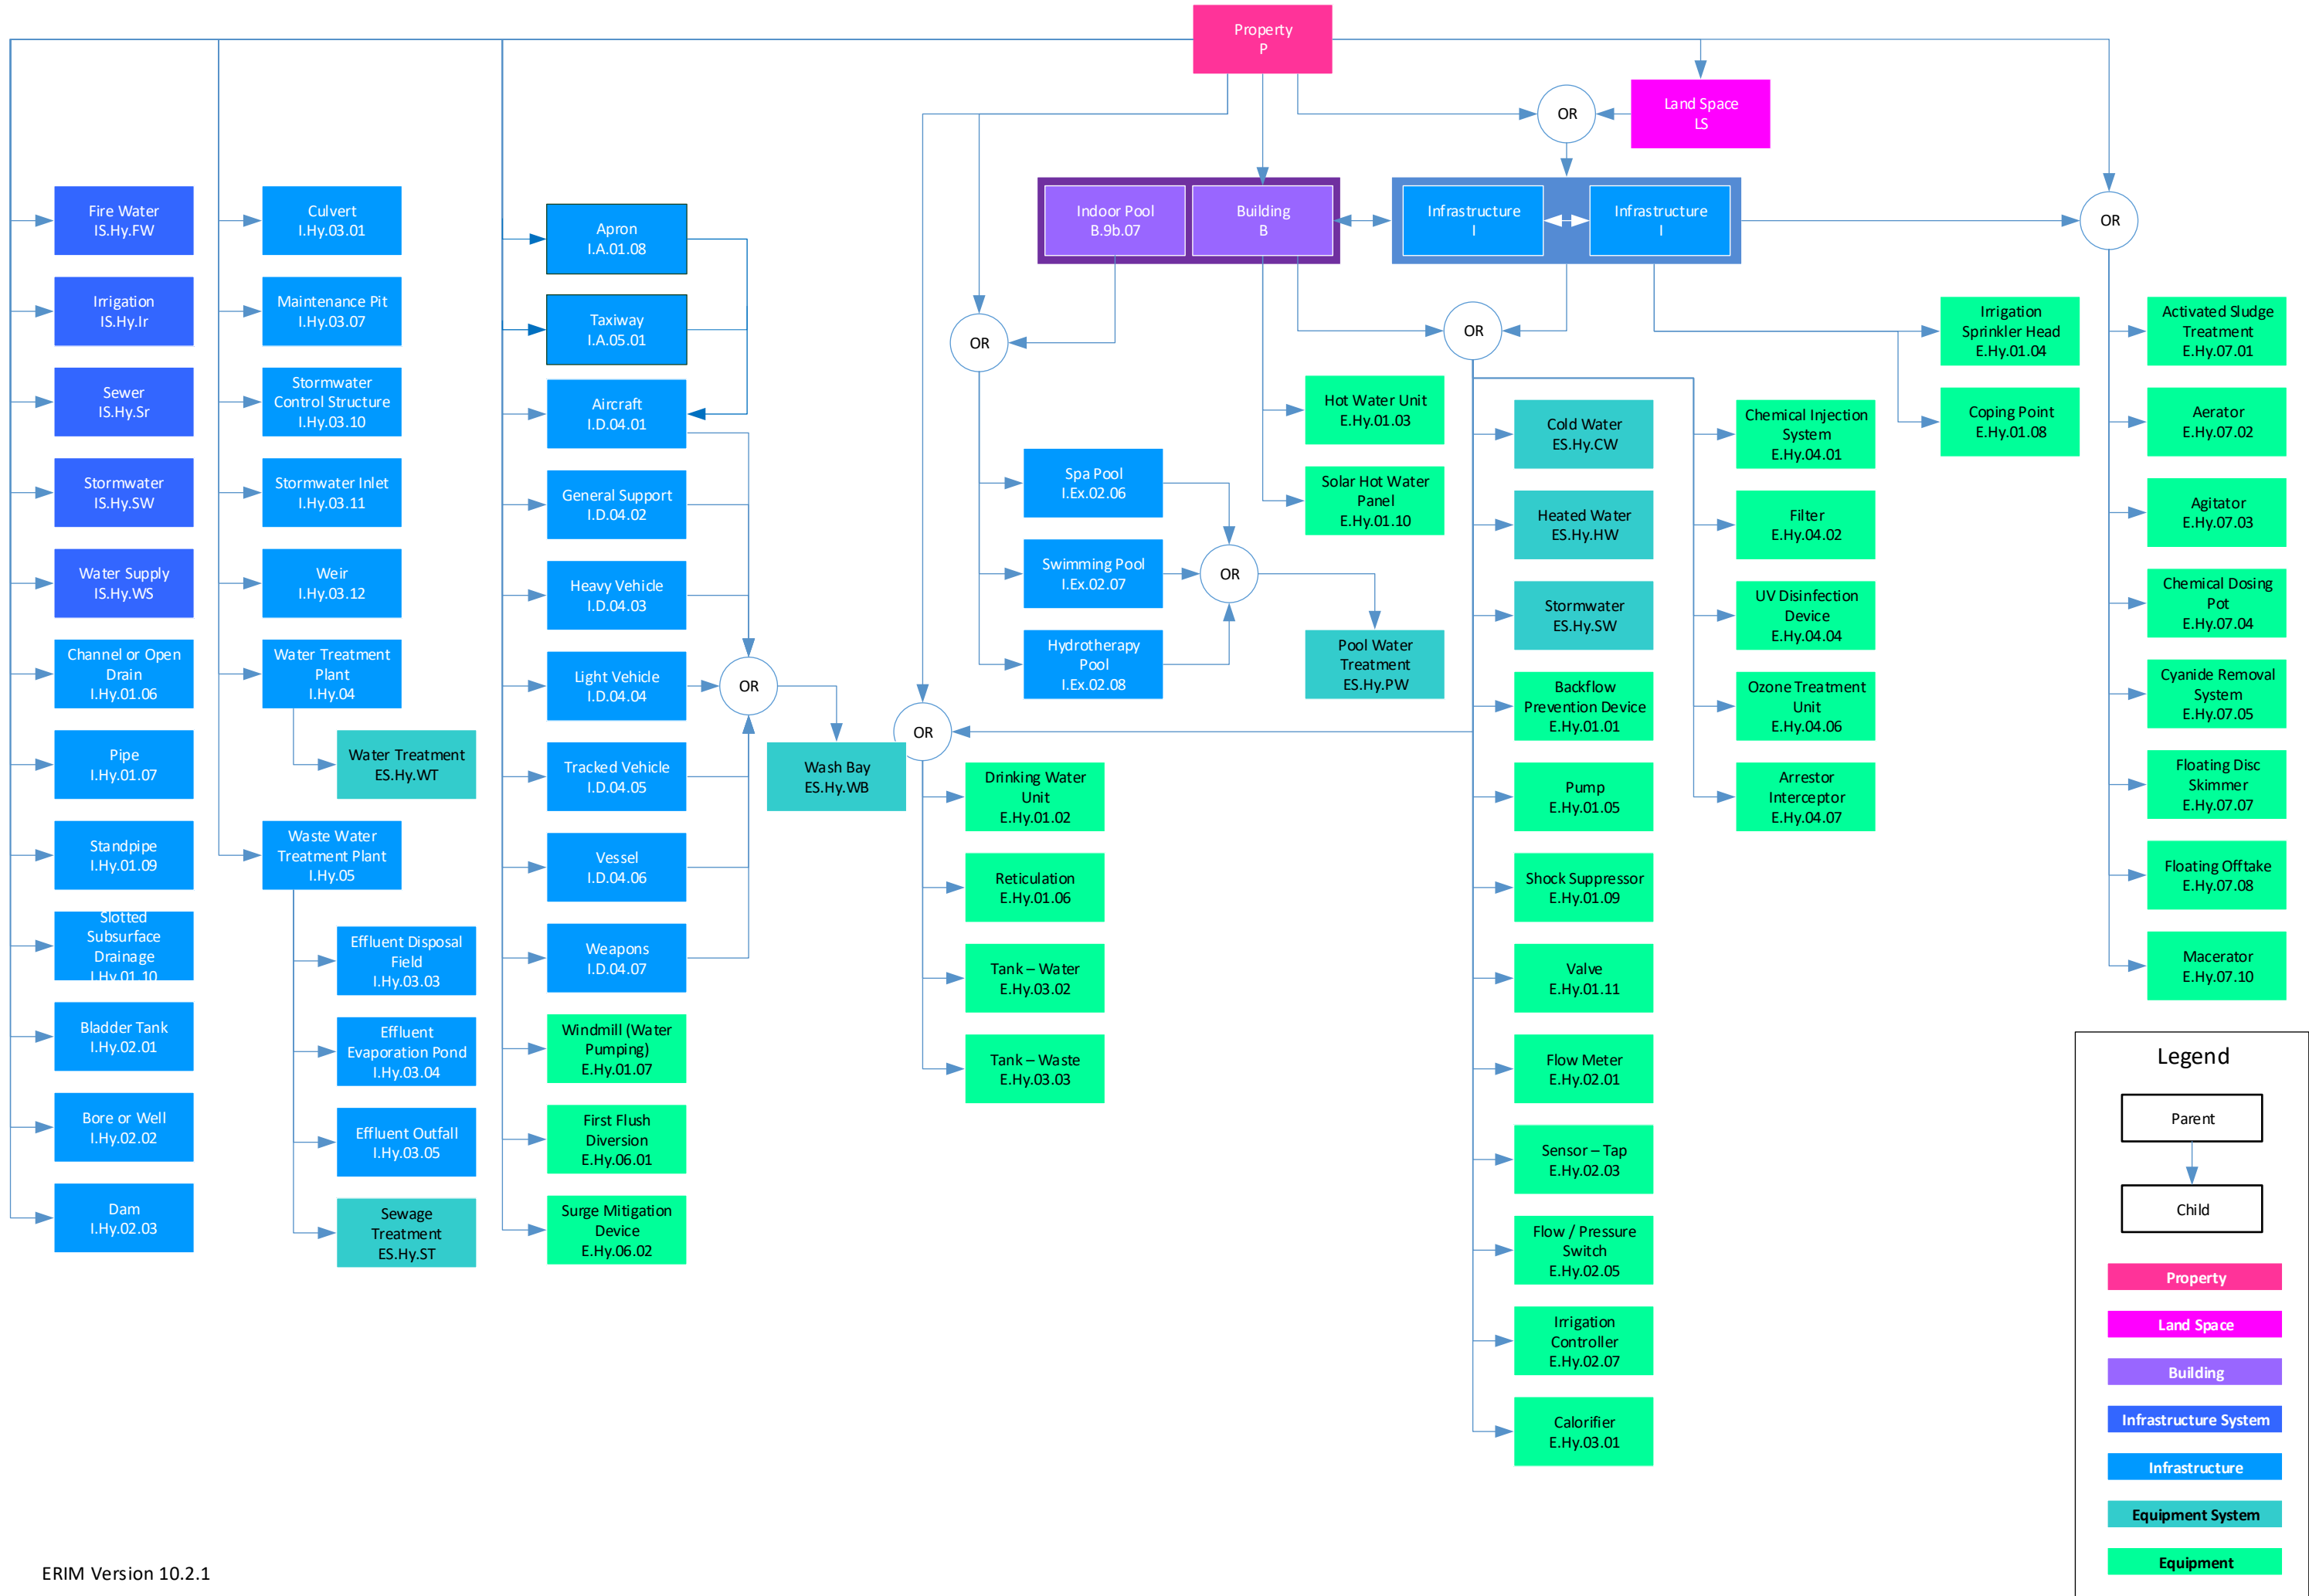

RH-H-01 Example Record Hierarchy By Use Case: Hazard

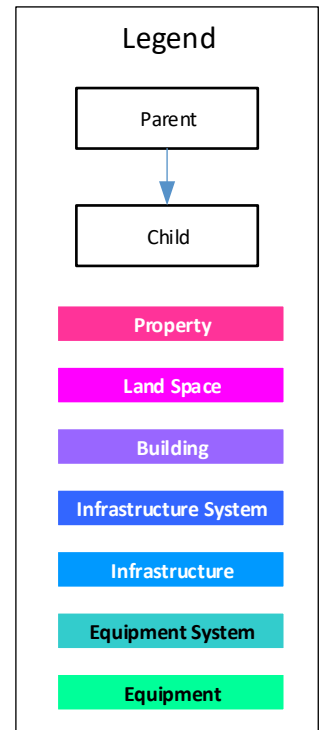

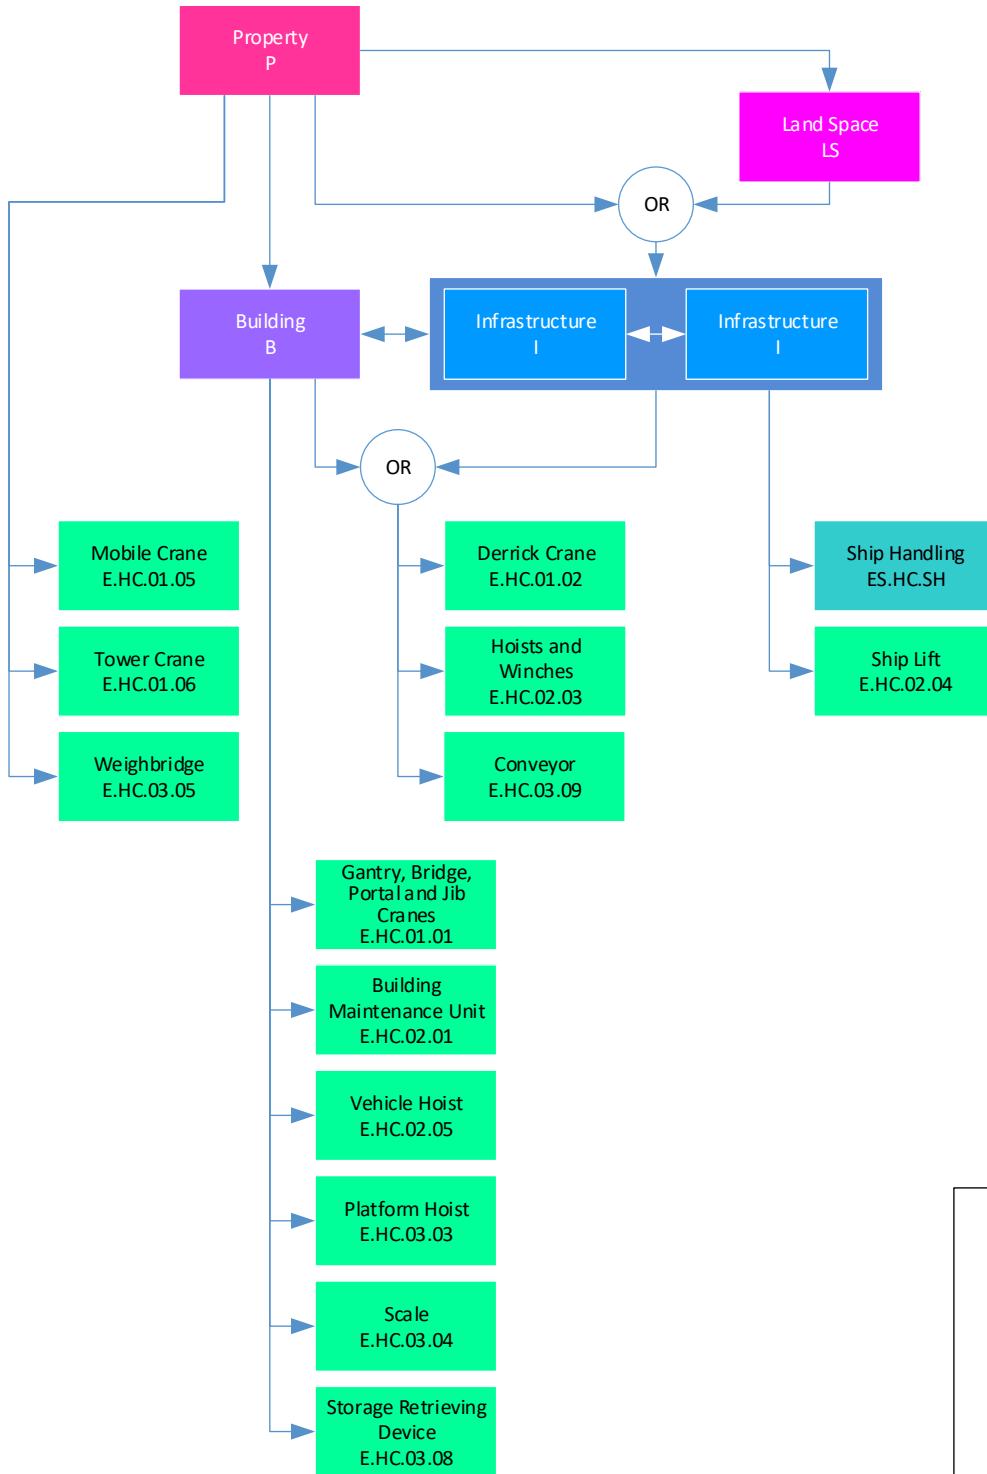

RH-HV-01 Example Record Hierarchy By Use Case: HVAC

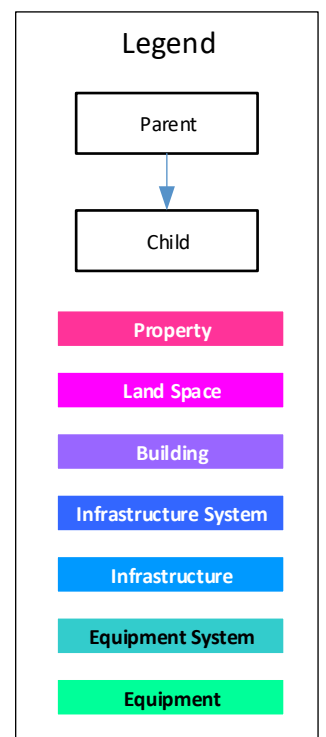

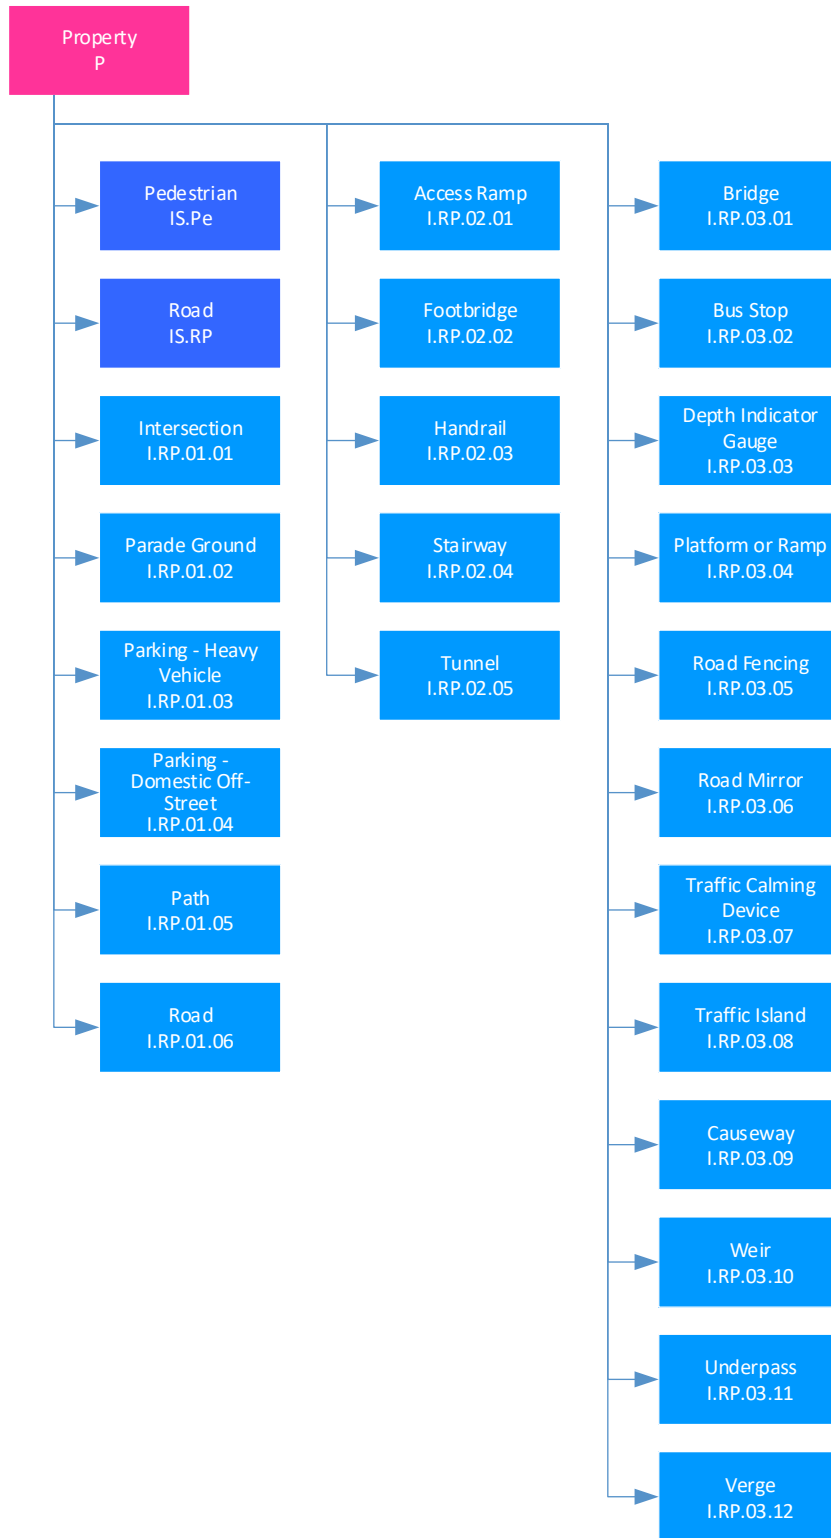

RH-HY-01 Example Record Hierarchy By Use Case: Hydraulic

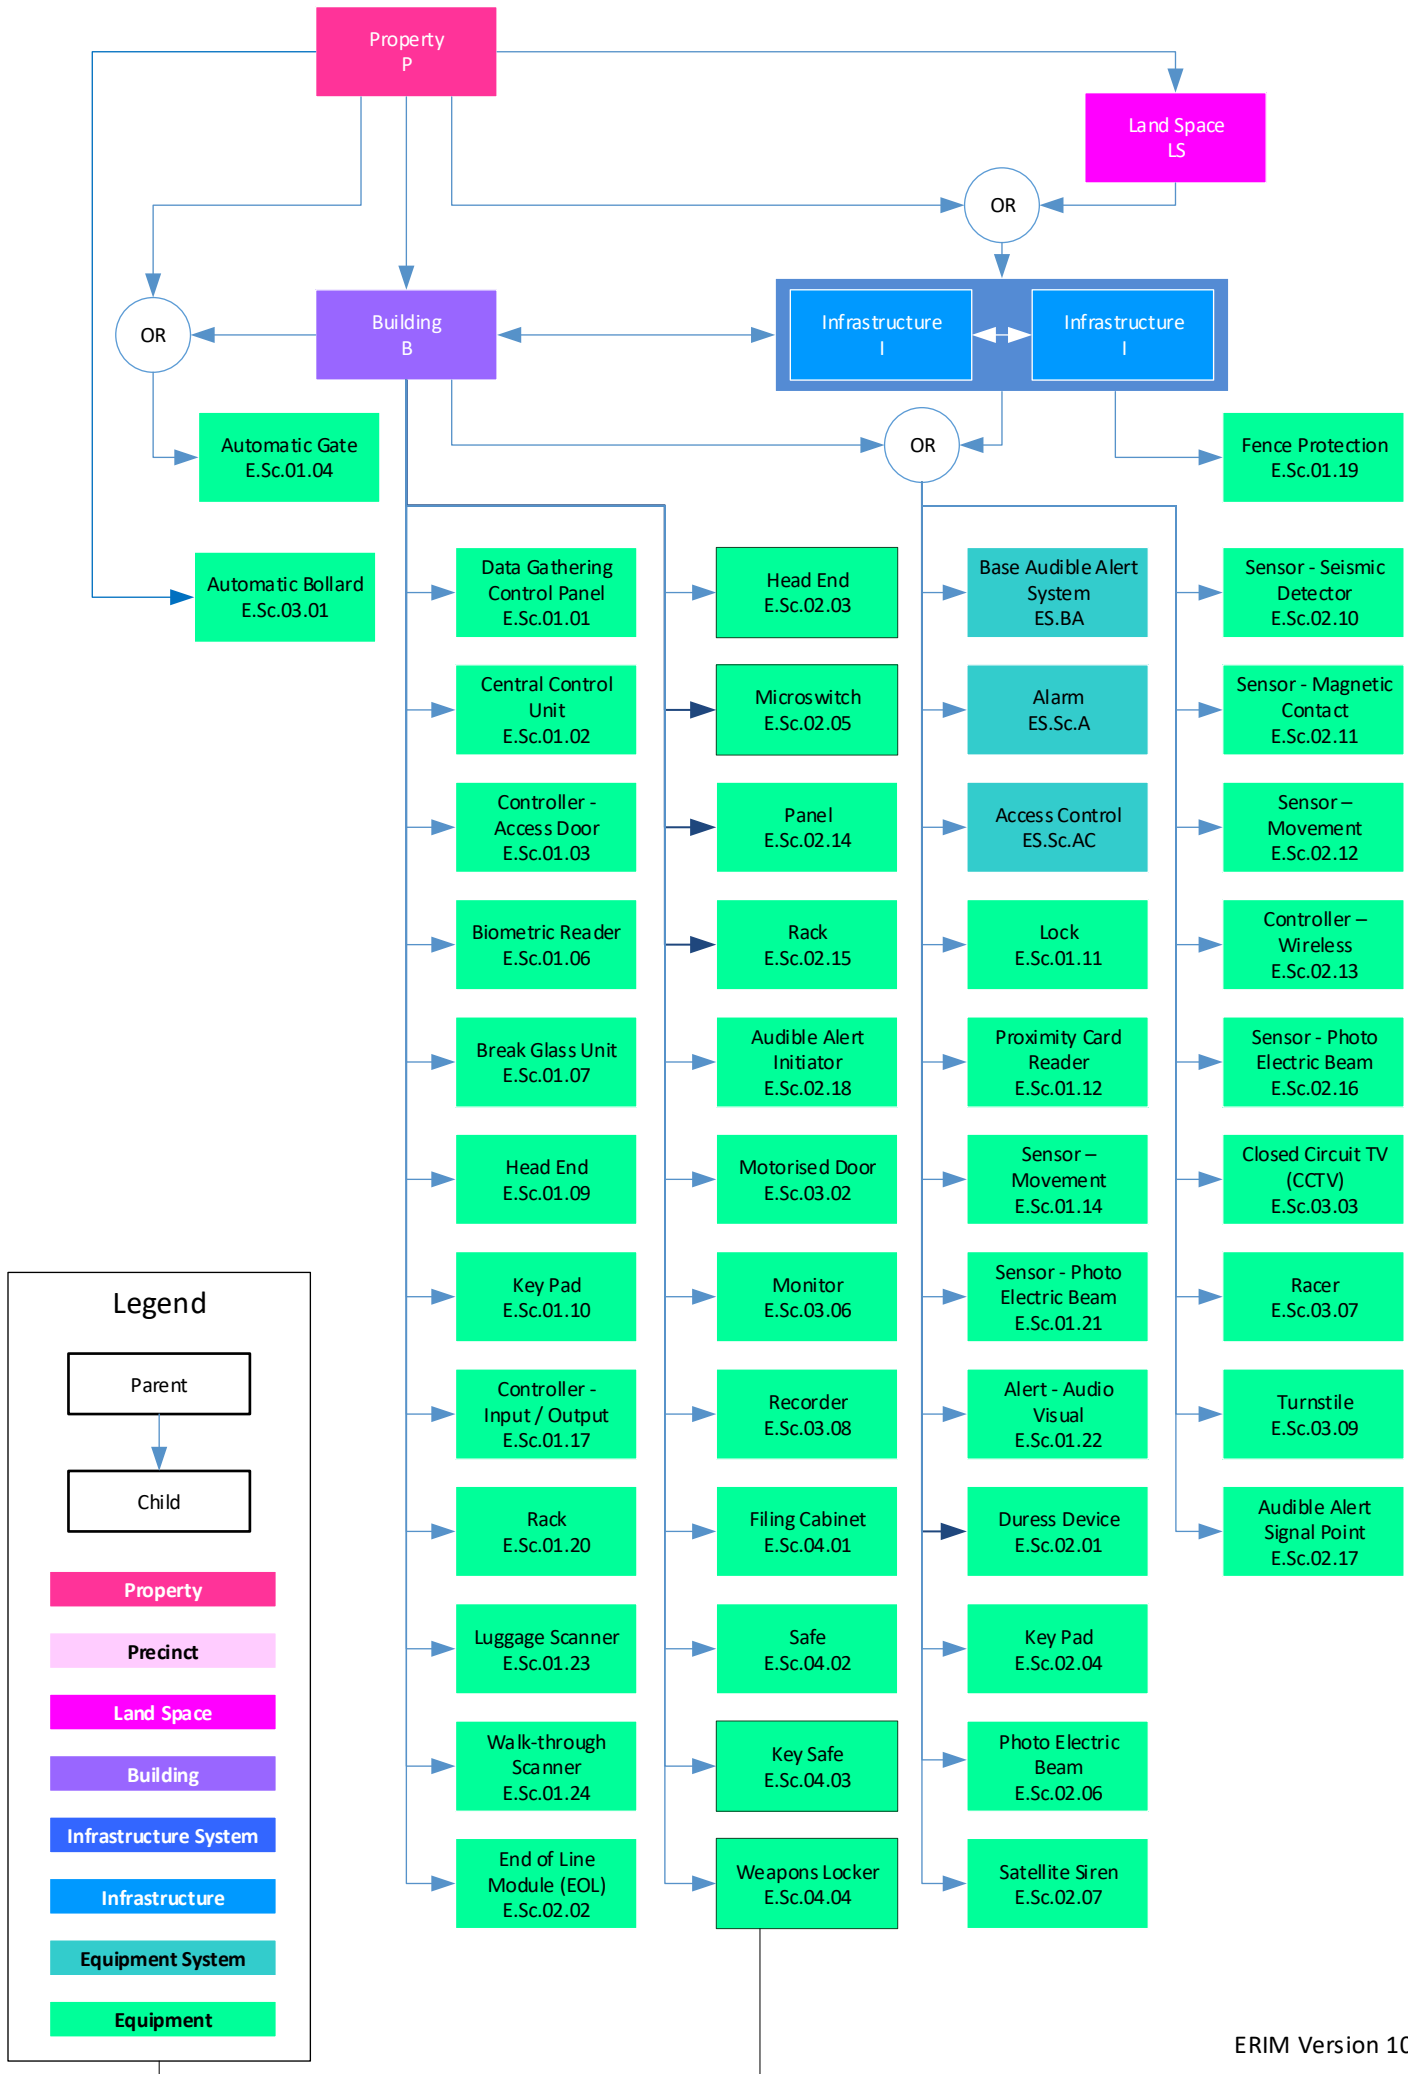

RH-HC-01 Example Record Hierarchy By Use Case: Lifting Equipment

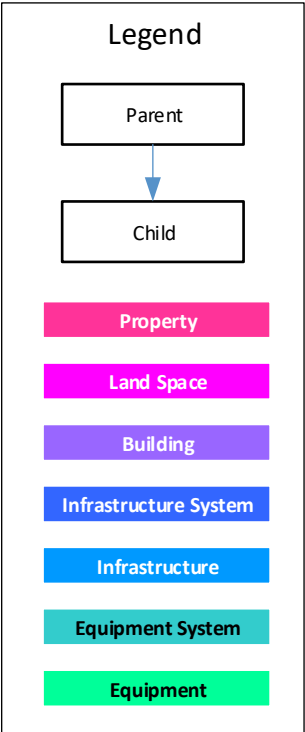

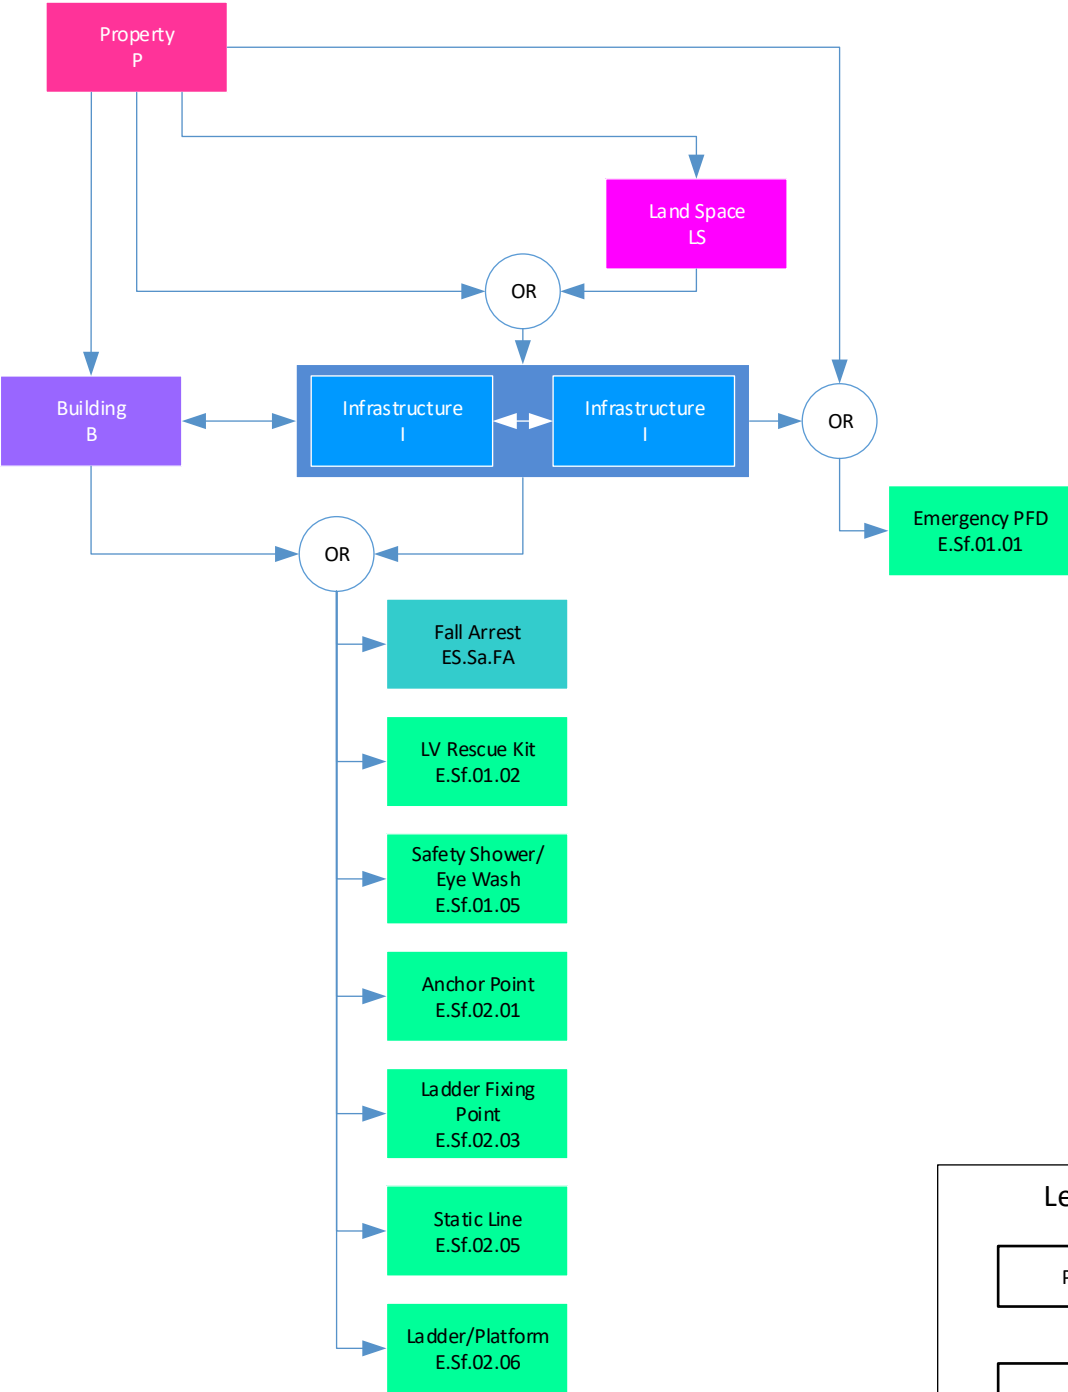

RH-RP-01 Example Record Hierarchy By Use Case: Road/Pavement/Path

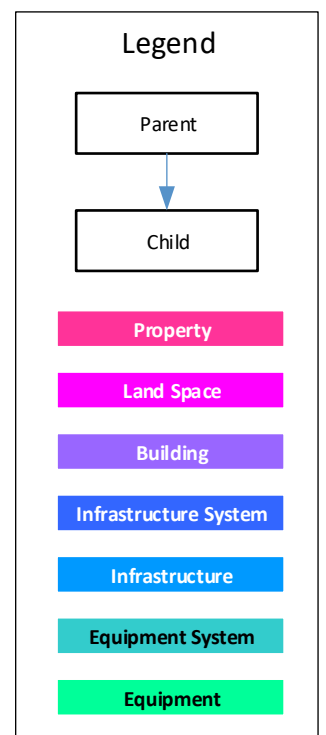

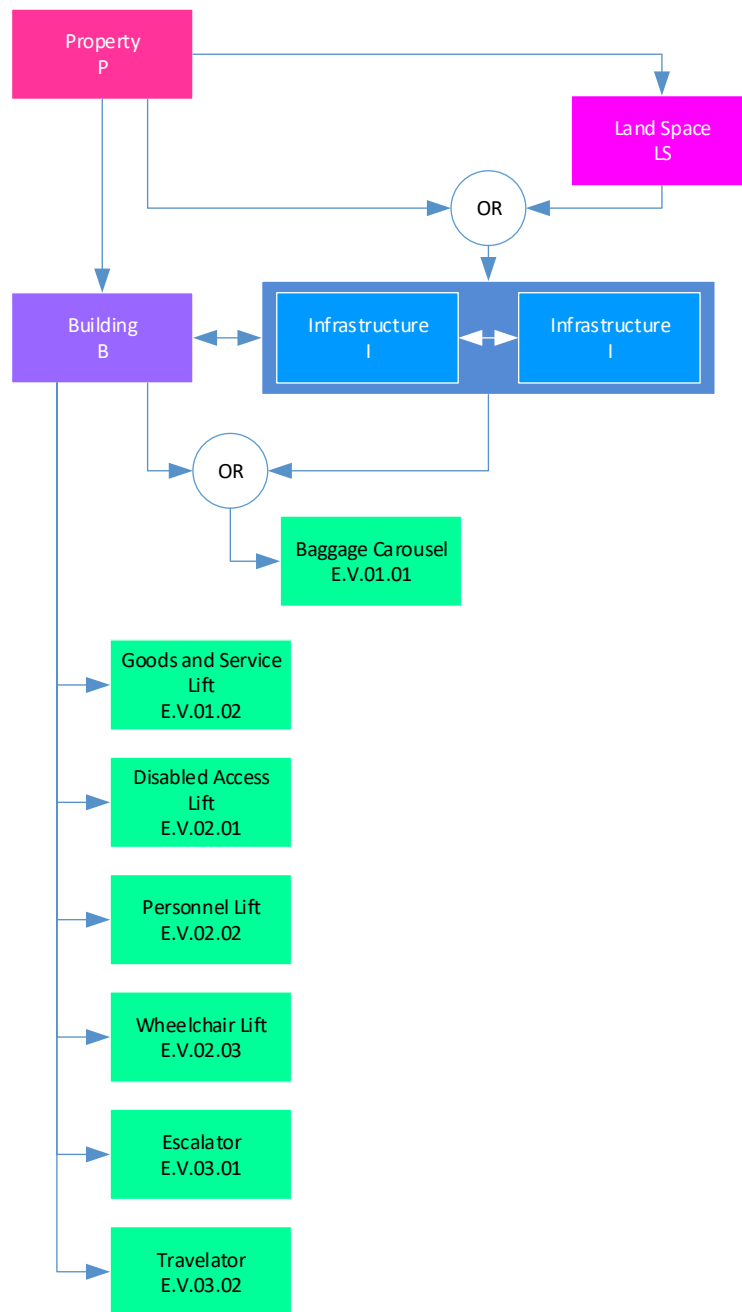

RH-SC-01 Example Record Hierarchy By Use Case: Security

RH-SF-01 Example Record Hierarchy By Use Case: **Safety**

RH-V-01 Example Record Hierarchy By Use Case: Vertical and Horizontal Transport

RH-WS-01 Example Record Hierarchy By Use Case: **Waste**
