

### Annex 7.G: Example of how the rent ceiling and member's contribution works

The following example shows how rent ceilings and member contributions work together. The following concepts are used.

- a. Rent ceiling.
- b. Member contribution.
- c. Rent allowance.
- d. Additional member contribution.

**Example:** A Sergeant rents a 3 bedroom home in Canberra for \$1026 a fortnight which is \$50 above the rent ceiling. The member contributes \$439.58 to the rent and the additional member contribution above the rent ceiling. The Commonwealth pays the balance of \$536.42 a fortnight.
