EXPLANATORY STATEMENT

Defence Determination 1998/1

Defence Act 1903

This Determination amends Defence Determination 1996/16, which sets out the rates of various allowances and member contributions referred to in other determinations made under section 58B of the Defence Act 1903, by authorising revised rates (+0.6%) of Vehicle Allowance for members of the Australian Defence Force (ADF).

The amendments arise as a result of a review which was conducted in accordance with the methodology applying to the review of a similar allowance in the Australian Public Service. The ADF rates are reviewed annually in the March quarter in accordance with the ADF Productivity Based Remuneration Arrangement: 1997-99.

The amendments take effect from the commencement of the pay period beginning 5 February 1998.

Authority: Section 58B of the Defence Act 1903
