1 GENERAL CONDITIONS

1.1 Interpretation of Request For Tender (Core)

Note to drafters: For combined Acquisition and Support requirements, the Acquisition Linkages Module has modified the structure of this Request for Tender. A single conditions of tender has been developed covering both the Acquisition and Support elements (Part 1). The Contract (Acquisition) and Contract (Support) are addressed within Part 2. The SOW (Acquisition) and the SOW (Support) are addressed within Part 3.

1.1.1 The Request for Tender (RFT) comprises:

- a. Part 1 - Conditions of Tender (COT) (including the Tender Details Schedule), covering both the Contract (Acquisition) and the Contract (Support) and includes:
 - (i) Attachment A, TDRL – General;
 - (ii) Attachment B, TDRL – Contract (Acquisition); and
 - (iii) Attachment C, TDRL – Contract (Support);
- b. Part 2:
 - (i) Volume 1: draft Contract (Acquisition) (other than the draft SOW (Acquisition)); and
 - (ii) Volume 2: draft Contract (Support) (other than the draft SOW (Support)); and
- c. Part 3:
 - (i) Volume 1: draft SOW (Acquisition); and
 - (ii) Volume 2: draft SOW (Support).

1.1.2 This RFT is an invitation to treat and to the extent permitted by law, no binding contract (including process contract) or other understanding (including any form of contractual, quasi-contractual or restitutionary rights, or rights based upon similar legal or equitable grounds) will exist between the Commonwealth and a tenderer unless and until a contract is signed by the Commonwealth and successful tenderer.

1.1.3 Clause 1.1.2 does not apply to:

- a. the Tenderer's Deed of Undertaking executed by a tenderer;
- b. a confidentiality deed executed by a tenderer; or
- c. any other deed or contractual arrangement entered into by the tenderer, as required by the Commonwealth from time to time.

1.1.4 The Commonwealth will not be responsible for any costs or expenses incurred by any tenderer in preparation or lodgement of a tender or taking part in the RFT process.

1.1.5 In this RFT, unless the contrary intention appears, words, abbreviations and acronyms have the same meaning given to them in the Tender Details Schedule or the draft Contracts, and the table:

Term	Definition
Contract (Acquisition)	means the draft contract in Part 2, Volume 1 of the RFT and the SOW (Acquisition).
Contract (Support)	means the draft contract in Part 2, Volume 2 of the RFT and the SOW (Support).
Contracts	means the Contract (Acquisition) and the Contract (Support).
Offer Definition and Improvement Activities or ODIA	means the offer definition and improvement activities conducted in accordance with clause 3.6 of the COT.
SOW (Acquisition)	means the draft Statement of Work in Part 3, Volume 1 of the RFT.
SOW (Support)	means the draft Statement of Work in Part 3, Volume 2 of the RFT.

Term	Definition

- 1.1.6 Unless a contrary intention appears, the Attachment A to the COT and the annexes to Attachment A of the COT, Attachment C to the COT and the annexes to Attachment C to the COT are interpreted in the same manner, and terms have the same meaning, as in the Contract (Support). Unless a contrary intention appears, Attachment B of the COT and the annexes to Attachment B to the COT are interpreted in the same manner, and terms have the same meaning, as in the Contract (Acquisition).
- 1.1.7 If there is any inconsistency between any part of this RFT, a descending order of precedence is to be accorded to the:
- a. COT (including the Tender Details Schedule);
 - b. the TDRL at Attachment A to the COT and the annexes to the TDRL at Attachment A;
 - c. the TDRL at Attachment B to the COT and the annexes to the TDRL at Attachment B;

- so that the provision in the higher ranked document, to the extent of the inconsistency, prevails.

1.2 Amendment of RFT (Core)

Note to tenderers: When an amendment to the RFT is issued by the Commonwealth it will be through AusTender. Refer to clause 2.7 for further information on AusTender.

- 1.2.1 The Commonwealth may amend this RFT upon giving tenderers timely written notice of an amendment. If the Commonwealth amends this RFT under this clause 1.2.1 after tenders have been submitted, it may seek amended tenders.
- 1.2.2 Tenderers will have no claim against the Commonwealth or any Commonwealth Personnel for any failure to inform a tenderer of an amendment to the RFT, or any failure to seek amended tenders, or any other matter arising in connection with an amendment to the RFT.

1.3 Termination, Suspension or Deferral of RFT (Core)

Option A: For when the procurement is not subject to the additional rules detailed in the CPRs.

- 1.3.1 Without limiting its other rights under this RFT, at law or otherwise, the Commonwealth may suspend, defer or terminate the RFT process at any time.
- 1.3.2 If the Commonwealth suspends, defers or terminates the RFT in accordance with clause 1.3.1, the Commonwealth will notify tenderers to this effect.

Option B: For when the procurement is subject to the additional rules detailed in the CPRs.

1.4 Other Commonwealth Rights (Core)

- 1.4.1 Without limiting its other rights under this RFT, at law or otherwise, the Commonwealth may at any stage of the RFT process, exclude a tenderer from further participation in the RFT process:
- a. if the tenderer is, or was, the contractor or an approved subcontractor under a contract that is, or becomes at any stage during the RFT process, a Project of Concern. For the purposes of this clause 1.4.1a, "tenderer" also encompasses any Related Body Corporate, proposed Subcontractor or their Related Body Corporate, or special purpose vehicle (in which any of these entities have been involved), and for the purposes of the COT, Project of Concern means a project or sustainment activity identified by the Minister for Defence as a Project of Concern;
 - b. if an Insolvency Event occurs in relation to the tenderer or any of its Related Bodies Corporate;
 - c. if the tender is incomplete or clearly non-competitive; or
 - d. a representation or warranty given by the tenderer in its tender is false or misleading.
- 1.4.2 Any time or date in this RFT is for the convenience of the Commonwealth. The establishment of a time or date in this RFT does not create an obligation on the part of the Commonwealth to take any action or exercise any right established in the RFT or otherwise.

1.5 Australian Government Requirements (Core)

Note to drafters: Prior to RFT release, the Glossary should be updated to reflect the version of the following documents and policies current at the time of RFT release.

If there are other Commonwealth or Defence policies relevant to the procurement activity, that are not otherwise referenced in the RFT, they can be listed below.

Note to tenderers: Electronic copies of relevant Defence documents are available on the internet at:

<https://www1.defence.gov.au/business-industry/procurement/contracting-templates/asdefcon-suite>

Any other documents required can be provided by the Contact Officer.

Note to drafters: The Performance Exchange Scorecard Program is currently undergoing redevelopment. Drafters should seek advice via supplier.rating.system@defence.gov.au and update the below clauses for replacement program details as necessary.

Drafters may choose to insert the text below as a Note to tenderers for any approach to the market that needs to be progressed in advance of the replacement program being available:

"Note to Tenderers: The Performance Exchange Scorecard Program is currently undergoing redevelopment. Please note the Commonwealth may require the replacement program for the

Performance Exchange Scorecard to be incorporated into the draft Contract prior to signature. This may be done via amendment to this tender or as part of contract negotiations.”

 - f. [DRAFTERS TO INSERT ANY OTHER RELEVANT COMMONWEALTH AND DEFENCE POLICIES THAT REGULATE DELIVERY OF THE SUPPLIES].

1.6 Workplace Gender Equality (Optional)

Note to drafters: This clause 1.6 must be used for procurements at or above the relevant procurement threshold that do not meet the exemptions set out at Appendix A to the CPRs. If the procurement is specifically exempt from the additional rules detailed in Division 2 of the CPRs as a result of a Defence specific exemption (a list of Defence specific exemptions is found in the DPPM) the procurement will still be subject to the Workplace Gender Equality Procurement Principles and this clause is to be used.

Note to tenderers: The Workplace Gender Equality Procurement Principles prevent the Commonwealth from entering into contracts with suppliers who are non-compliant under the Workplace Gender Equality Act 2012 (Cth) (WGE Act). In performing any resultant Contract, the tenderer is to comply with its obligations under the WGE Act. Information about the coverage of the Workplace Gender Equality Procurement Principles is available from the Workplace Gender Equality Agency at:

<https://www.wgea.gov.au/what-we-do/compliance-reporting/wgea-procurement-principles>

- 1.6.1 In accordance with the Workplace Gender Equality Procurement Principles, the Commonwealth will not enter into any resultant Contract with a tenderer who is non-compliant under the *Workplace Gender Equality Act 2012* (Cth).

1.7 Indigenous Procurement Policy (Optional)

Note to drafters: If the procurement:

- *is NOT a Defence Exempt Procurement in accordance with paragraph 2.6 of the CPRs;*
- *is for any resultant Contract that may be valued over \$7.5 million (GST inclusive);*
- *requires more than half of the value of the resultant Contract to be spent in one or more of the industry sectors within Australia listed at:*

<http://drnet/casg/commercial/UndertakingProcurementinDefence/Pages/IPP-Minimum-Requirements.aspx>; and

- *does not fall within any sub-category exemptions listed at:*

<http://drnet/casg/commercial/UndertakingProcurementinDefence/Pages/IPP-Minimum-Requirements.aspx>,

then the mandatory minimum requirements for Indigenous participation must be included in the RFT.

Drafters should refer to the IPP website for the model clauses for the mandatory minimum requirements that apply to High Value Contracts (as defined in the IPP) at:

<https://www.niaa.gov.au/resource-centre/indigenous-affairs/indigenous-procurement-policy-model-clauses>.

1.8 Procurement Complaints (Core)

- 1.8.1 In the event tenderers wish to lodge a formal complaint regarding this procurement, the complaint is to be directed in writing to: procurement.complaints@defence.gov.au. On the request of the Commonwealth, tenderers are to cooperate with the Commonwealth in the resolution of any complaint regarding this procurement.

Option: For an RFT covered by a public interest certificate.

- 1.8.2 A public interest certificate under the *Government Procurement (Judicial Review) Act 2018* (Cth) covering this procurement is in force.

1.9 Statement of Tax Record (Optional)

Note to drafters: This clause must be used when a procurement is conducted by open tender, is subject to the CPRs and has an estimated value over \$4 million (inc GST).

Note to tenderers: The Black Economy Procurement Connected Policy imposes obligations on the Commonwealth to obtain from tenderers satisfactory and valid STRs. Further information about the requirements arising under the Black Economy Procurement Connected Policy is available from the Department of Treasury at:

<https://treasury.gov.au/policy-topics/economy/black-economy/procurement-connected-policy>.

- 1.9.1 In accordance with the Black Economy Procurement Connected Policy, and subject to clause 1.9.2, a tender is to include all of the satisfactory and valid STRs required from a tenderer under Table A-1.
- 1.9.2 If the tender includes an STR receipt issued by the Australian Taxation Office confirming that the STRs required under Table A-A-1 were requested prior to the Closing Time, then the tenderer may provide all of the required satisfactory and valid STRs to the Contact Officer within four Working Days after the Closing Time.
- 1.9.3 Tenderers are to obtain and hold as at the Closing Time all of the satisfactory and valid STRs required under Table A-A-1 (or an STR receipt confirming that the STRs required under Table A-A-1 were requested prior to the Closing Time) of any entity that the tenderer proposes to engage as a direct Subcontractor, if the total value of all work under the Subcontract is expected to exceed \$4 million (including GST).
- 1.9.4 For the purposes of the RFT, an STR is taken to be:
- satisfactory** if the STR states that the entity has met the conditions, as set out in the Black Economy Procurement Connected Policy, of having a satisfactory engagement with the Australian tax system; and

- b. **valid** if the STR has not expired as at the date on which the STR is required to be provided or held.

<https://www1.defence.gov.au/business-industry/export/controls>.

- 2.1.4 Tenderers are solely responsible for informing themselves of the export control status of the tendered Supplies and for ensuring their compliance with Australian and foreign government controls related to the export of defence and dual-use goods, including if the export is from an Australian contractor to an overseas Subcontractor or Related Body Corporate for the purposes of providing the Supplies to the Commonwealth.

- 2.2.1 Tenderers are to complete and provide the information requested in the annexes to the TDRL and are to do so in the manner requested in the annexes.

Note to drafters: Classified information should not be included as part of an RFT, except in exceptional circumstances. Where the RFT is to include classified information, drafters should consult with their Project Security Officer.

Note to tenderers: For information on preparation and transmission of classified tenders and for access to the DSPF, tenderers should contact the Contact Officer.

- 2.4.1 Classified information in tenders is to be avoided where possible. If this cannot be achieved, tenders containing classified information are to be prepared and transmitted as follows:

If transmission involves transmission by diplomatic bag, the overseas tenderer is to use the diplomatic bag of its own government.

Option: For an RFT involving classified information.

- 2.4.2 Tenderers are to classify information in their tenders in accordance with the Security Classification and Categorisation Guide at Attachment J to the draft Contract.

- 2.4.3 If only part of a tender contains classified information, that part may be segregated from the remainder of the tender for separate transmission. However, both parts of the tender are subject to the Closing Time specified in the Tender Details Schedule. Care should therefore be taken to ensure that sufficient time is allowed for tenders to be received by the Closing Time when secure means of transmission are used.

2.5 Defence Security Clearance Requirements (Core)

Note to drafters: Where the procurement involves weapons or explosive ordnance, drafters are to obtain DSVS's approval for the security-related aspects of the request documentation prior to release.

- 2.5.1 On request by the Commonwealth, the tenderer is to comply with the Commonwealth security clearance and accreditation process as detailed in Principles 23, 40, 72 and 73 of the DSPF, including obtaining the level of security clearance and accreditations required by the Commonwealth.

2.6 Industry Briefing (Optional)

- 2.6.1 An industry briefing will be conducted in accordance with the details specified in the Tender Details Schedule.
- 2.6.2 Industry briefings are conducted for the purpose of providing background information only. Tenderers should note the effect of clauses 1.2.1 and 2.1.3. Tenderers should not rely on a statement made at an industry briefing as amending or adding to this RFT, unless that amendment or addition is confirmed by the Commonwealth in writing.

2.7 Lodgement of Tenders (Core)

Note to tenderers: The Closing Time will also be displayed in the relevant AusTender webpage together with a countdown clock that displays in real time the amount of time left until Closing Time (for more information please see AusTender Terms of Use). For the purposes of determining whether a tender response has been lodged before the Closing Time, the countdown clock will be conclusive.

- 2.7.1 AusTender is the Australian Government's procurement information system. Access to and use of AusTender is subject to terms and conditions. In participating in this RFT, tenderers are to comply with those terms and conditions and any applicable instructions, processes, procedures and recommendations as advised on AusTender at:

2.9 Alterations, Erasures and Illegibility (Core)

2.9.1 Any alterations or erasures made to a tender by a tenderer are to be initialled by that tenderer. Tenders containing alterations or erasures that are not initialled, or pricing or other information that is not stated clearly and legibly may be excluded from consideration.

2.10 Unintentional Errors of Form (Optional)

Note to drafters: This clause must be used when the procurement is subject to the additional rules detailed in the CPRs.

2.10.1 If the Commonwealth considers that there are unintentional errors of form in a tender, the Commonwealth may request the tenderer to correct or clarify the error but will not permit any material alteration or addition to the tender.

2.11 Confidentiality (Core)

2.11.1 The Commonwealth may require a tenderer to execute a Deed of Confidentiality in the form at either [...INSERT REFERENCES FROM BOTH THE ACQUISITION AND SUPPORT COCs...] (or such other form required by the Commonwealth) before being provided with some or all of the information included in the RFT. Whether or not such a deed is required, and without limiting a tenderer's obligations under the deed, tenderers are to treat the RFT and any information provided to tenderers by or on behalf of the Commonwealth in connection with the RFT process as confidential and not disclose or use that information except as strictly required for the purpose of developing a tender in accordance with the RFT.

2.11.2 Without limiting the provisions of any deed of confidentiality that may be required by the Commonwealth under clause 2.11.1, the Commonwealth may, at any stage during or after the RFT process, require that all information (whether confidential or otherwise) provided to tenderers in any tangible form (including all copies of the information) be:

- a. returned to the Commonwealth, and that tenderers promptly return all such information to the address identified by the Commonwealth; or
- b. destroyed by the respondent, in which case the respondent is to promptly destroy all such information and provide the Commonwealth with written certification of such destruction.

2.11.3 In accordance with paragraph 7.21 of the CPRs, the Commonwealth will treat tenders as confidential before and after the award of any resultant Contract.

2.11.4 Despite clause 2.11.3 the Commonwealth may disclose information:

- a. if required by law or statutory or portfolio duties, or required for public accountability reasons, including following a request by parliament or a parliamentary committee;

2.14 Part and Joint Tenders (Core)

- 2.14.1 The Commonwealth will not consider a tender for:
- a. part of the Supplies;
 - b. part of the Services; or
 - c. the Supplies only or the Services only.
- 2.14.2 The Commonwealth is seeking an integrated solution for the provision of the Supplies and Services to minimise the interface and transition risk associated with having separate but linked Contracts. The Commonwealth considers that a tender which proposes separate legal entities for the Contract (Acquisition) and Contract (Support) presents a greater interface and transition risk than a tender which proposes the same legal entity. Accordingly, the Commonwealth requires tenders which propose that separate legal entities enter into the Contract (Acquisition) and Contract (Support) provide additional information on how the risk will be mitigated for the Commonwealth.
- 2.14.3 Where a tenderer proposes that separate legal entities enter into the Contract (Acquisition) and the Contract (Support), the Commonwealth's preference is that tenderers submit their tender on the basis that:
- a. a single legal entity will be responsible for performance of the Contract (Acquisition);
 - b. a single legal entity will be responsible for performance of the Contract (Support); and
 - c. the tenderer proposes appropriate protections to address the risk to the Commonwealth of contracting with separate legal entities for the Contract (Acquisition) and the Contract (Support). For example, the tenderer may propose to provide a guarantee on the terms of the Deed of Guarantee and Indemnity in Annex H to Attachment I to the COC, where applicable:
 - (i) from an appropriate common parent company of the legal entities in respect of the obligations of each of the legal entities under the Contracts;
 - (ii) from each legal entity in respect of the obligations of the other legal entity under the relevant Contract to which the other legal entity is a party; or

- (iii) from an appropriate parent company of each legal entity in respect of the obligations of the other legal entity under the relevant Contract to which the other legal entity is a party.

- 2.14.4 If a tenderer submits a consortium tender, for example, which proposes that separate legal entities enter into the Contract (Acquisition) and the Contract (Support) or that more than one legal entity will be a party to either the Contract (Acquisition) or the Contract (Support), the tenderer is to:
- a. where the RFT requires information to be provided in respect of a tenderer, include in the tender the information sought in the RFT for each member of the consortium and provide a Tenderer's Deed of Undertaking from each member of the consortium;
 - b. describe in detail in the tender the relationship between each member of the consortium and the structure proposed for management of the consortium, including nominating a single point of contact for all communications in relation to the RFT;
 - c. where it is proposed that more than one legal entity will be a party to the Contract (Acquisition) and/or the Contract (Support), provide in the tender that each legal entity entering into the Contract (Acquisition) or the Contract (Support) (as the case may be) will be jointly and severally liable for the performance of all legal entities which enter into the relevant Contract or that one legal entity will be fully liable for the performance of all legal entities which enter into the relevant Contract; and
 - d. include such other information that the Commonwealth requires to undertake a risk assessment of the proposed consortium tender.
- 2.14.5 Where clause 2.14.4 applies in respect of a tender,
- a. the Commonwealth may elect not to consider a tender that does not comply with clause 2.14.4; and
 - b. a reference to tenderer in the RFT is a reference to each member of the consortium.

2.15 Alternative Proposals (Core)

- 2.15.1 The Commonwealth may consider an alternative proposal submitted by a tenderer that does not comply with the requirements of the RFT. Any alternative proposal is to be submitted in accordance with this clause 2.15.
- 2.15.2 The Commonwealth will not consider an alternative proposal unless the alternative proposal:
- a. is submitted together with a tender that addresses the requirements of the RFT;
 - b. is clearly identified as an alternative proposal submitted under this clause 2.15;
 - c. complies with all essential requirements identified in the RFT;
 - d. is fully described by the tenderer, including:
 - (i) the advantages, disadvantages, limitations and capability of the alternative proposal; and
 - (ii) the extent to which the adoption of the alternative proposal would impact upon the tender that addresses the requirements of the RFT including any financial impact, impact on the delivery of the Supplies and any other consequences of the alternative proposal; and
 - e. contains sufficient and verifiable supporting information and data to enable a comparison of the alternative proposal against other tenders.
- 2.15.3 For the avoidance of doubt, alternative proposals are not required to constitute a complete tender that addresses all of the requirements of the RFT.

2.16 Substitution of Tenderer (Core)

- 2.16.1 If during the period following the submission of the tender and prior to execution of any resultant Contract with the successful tenderer, there occurs:
- a. an Insolvency Event in respect of a tenderer; or
 - b. any other event that has the effect of substantially altering the composition or control of the tenderer or the business of the tenderer,

the Commonwealth may allow, on such terms as the Commonwealth considers appropriate, the substitution of that tenderer with another legal entity upon receipt of a joint written request from or on behalf of the tenderer and the other legal entity.

- 2.16.2 If no request for substitution is made, or the Commonwealth chooses not to allow the substitution under clause 2.16.1, the Commonwealth may decide not to consider the tender any further or, in considering it, may take into account the impact of the event on the information provided in the tender.
- 2.16.3 If the Commonwealth allows the substitution under clause 2.16.1, the Commonwealth will evaluate the tender in its original form prior to the event, except that the impact of the event on the information provided in the tender may be taken into account.

3 EVALUATION OF TENDERS

3.1 Tender Presentations (Optional)

- 3.1.1 The Commonwealth may, after the Closing Time specified in the Tender Details Schedule and having provided tenderers with reasonable notice, require any or all tenderers to provide a presentation on their respective tenders at the Tender Presentation Location specified in the Tender Details Schedule.

3.2 Evaluation and Process (Core)

- 3.2.1 Tenders will be evaluated on the basis of best value for money consistent with Commonwealth procurement policies, utilising the tender evaluation criteria at clause 3.11.
- 3.2.2 The Commonwealth may at any time during the RFT process:
- a. obtain additional information (whether that information is obtained through the RFT process or by any other means) relevant to the tenderer's tender;
 - b. use material tendered in response to one evaluation criterion in the evaluation of other criteria;
 - c. seek clarification or additional information from, and enter into discussions with, any or all of the tenderers in relation to their tender;
 - d. shortlist one or more tenderers;
 - e. conduct Offer Definition and Improvement Activities (ODIA); or
 - f. visit the tenderers' or proposed Subcontractors' facilities.
- 3.2.3 In assessing tenders, the Commonwealth may take into account any supporting documentation provided under clauses 2.2.2 and 3.2.2a.

3.3 Minimum Content and Format Requirements (Core)

Note to drafters: When the procurement is subject to the additional rules detailed in the CPRs, 'will' is to be selected from the following clause. When the procurement is NOT subject to the additional rules detailed in the CPRs, 'may' is to be selected and 'Subject to clause 2.10' is to be deleted.

- 3.3.1 **[Subject to clause 2.10]**, the Commonwealth **[MAY/WILL]** exclude a tender from further consideration if the Commonwealth considers that the tender does not comply with any of the Minimum Content and Format Requirements specified in the Tender Details Schedule.

3.4 Conditions of Participation (Optional)

Note to drafters: This clause should be used when the procurement is subject to the additional rules detailed in the CPRs.

- 3.4.1 The Commonwealth will exclude a tender from further consideration if the Commonwealth considers that the tenderer does not comply with the Conditions for Participation specified in the Tender Details Schedule.

3.5 Essential Requirements (Optional)

Note to drafters: This clause is to be used if the draft SOW contains essential requirements. When the procurement is subject to the additional rules detailed in the CPRs, 'will' is to be

selected from the following clause. When the procurement is NOT subject to the additional rules detailed in the CPRs, 'may' is to be selected.

- 3.5.1 The Commonwealth [MAY/WILL] exclude a tender from further consideration if the Commonwealth considers that the tender does not comply with a requirement identified as essential in the draft SOW.

3.6 Offer Definition and Improvement Activities (Optional)

Note to drafters: The information solicited from tenderers in the Annexes to Attachment A of the COT will depend on the tenderer selection strategy being employed by the project. The key strategy is to maximise the leverage provided by the competitive tendering process. It is assumed that the approach is to conduct evaluation and clarification of tenders and then, if there are more than two tenderers, to select at least two tenderers to conduct parallel negotiations, possibly preceded by ODIA. Selection of a preferred tenderer is not to take place until all material technical, commercial, legal, financial and operational issues have been agreed and documented.

- 3.6.1 The Commonwealth may, as part of the RFT process, conduct ODIA with one or more tenderers in order to clarify, improve and maximise value for money of tenders for the Commonwealth.
- 3.6.2 Where the Commonwealth elects to conduct ODIA, the Commonwealth may issue an ODIA process document to tenderers shortlisted to participate in the ODIA process that provides further details of the ODIA process and specific terms and conditions governing the ODIA process.
- 3.6.3 The Commonwealth may refuse to conduct, or to further conduct, ODIA with a tenderer if the tenderer fails to comply with the requirements of a process document issued to the tenderer under clause 3.6.2.

Note to drafters: Drafters may include additional tenderer engagement activities in the list below.

- 3.6.4 ODIA may include the following:
- a. clarification;
 - b. submission of additional information;
 - c. discussions with tenderers;
 - d. provision of feedback to tenderers;
 - e. workshops;
 - f. site visits;
 - g. product demonstration and testing and user trials;
 - h. improved definition and refinement of draft plans and programs;
 - i. assessment of capabilities; and
 - j. submission of final tenders upon completion of ODIA.
- 3.6.5 As part of the ODIA process, the Commonwealth may make changes to the draft Contract (Acquisition) and/or the draft Contract (Support), and require tenderers to amend their tenders to reflect the changes.
- 3.6.6 Without limiting clause 1.1.4, the Commonwealth will not be responsible for any costs or expenses incurred by any tenderer in participating in the ODIA process.

3.7 Negotiation (Core)

- 3.7.1 The Commonwealth may engage one or more tenderers in negotiations, which may involve tenderers being asked to:
- a. clarify, improve or consolidate any of the technical, commercial, legal, financial and operational aspects of their tenders; or
 - b. enter into an agreement with the Commonwealth relating to the terms of the detailed engagement with that tenderer.

3.8 Preferred Tenderer Status (Core)

- 3.8.1 The Commonwealth may select a tenderer as preferred tenderer, but such selection:
- a. does not affect or limit the Commonwealth's rights or the tenderer's obligations under the RFT; and
 - b. is not a representation that a contract will be entered into between the Commonwealth and that tenderer,
- and the Commonwealth may recommence or commence negotiations under the RFT with any other tenderer whether or not a tenderer has been selected as preferred tenderer.

3.9 Cost Investigation of Tenders (Core)

Note to tenderers: The Commonwealth may refer to the CASG Cost Principles in considering whether the costs that the Contractor seeks to recover under the Contract are reasonable. The CASG Cost Principles can be accessed via the 'Contracting in CASG' webpage on the 'Doing Business with Defence' internet site at:

<https://www1.defence.gov.au/business-industry/procurement/policies-guidelines-templates/cost-principles>.

- 3.9.1 For the purposes of evaluating a tender, the Commonwealth may conduct a cost investigation of the tendered price. On request by the Commonwealth the tenderer is to facilitate any such cost investigation.

3.10 Debriefing of Tenderers (Core)

- 3.10.1 Tenderers will be notified whether they have been successful or unsuccessful and may request an oral or written tender debriefing. Tenderers requiring a debriefing should contact the Contact Officer specified in the Tender Details Schedule.
- 3.10.2 Tenderers will be debriefed against the evaluation criteria contained in clause 3.11.

3.11 Tender Evaluation Criteria (Core)

Note to drafters: Additional or alternative evaluation criteria may be included in the following list where appropriate. Drafters should only include criteria that will be used by the Commonwealth during tender evaluation. In the event of amendment to the list, drafters should also ensure that the evaluation items (eg, TDRs) are accurately mapped against the criteria.

- 3.11.1 Subject to clause 3.2, the criteria to be applied for the purposes of evaluation are those set out in column (a) in the following table. The criteria are not in any order of importance. For each of these criteria, column (b) in the table sets out an indicative, non-exhaustive list of the subordinate criteria to be applied in the evaluation of the corresponding criterion. The evaluation items that the Commonwealth may take into account when assessing tenders against key criteria and subordinate criteria are listed in column (c).

Note to drafters: Entries in the table below are subclauses to the clause 3.11.1 above, to enable cross-referencing if necessary (eg, Key Criteria is a subclause 3.11.1a). Drafters should continue this numbering structure when adding or deleting criteria.

Note to drafters: The Performance Exchange Scorecard Program is currently undergoing redevelopment. Drafters should seek advice via supplier.rating.system@defence.gov.au and update the below clauses for replacement program details as necessary.

Drafters may choose to insert the text below as a Note to tenderers for any approach to the market that needs to be progressed in advance of the replacement program being available:

“Note to Tenderers: The Performance Exchange Scorecard Program is currently undergoing redevelopment. Please note the Commonwealth may require the replacement program for the Performance Exchange Scorecard to be incorporated into the draft Contract prior to signature. This may be done via amendment to this tender or as part of contract negotiations.”
