Hi s47E(d) [redacted],

For 3000 submarine paperclips, including delivery, it will be US\$350.

3000 is their minimum order usually, but I have asked them what the cost would be for just 500 clips, as you requested. I am yet to hear back from them but will update you when I do hear back.

Thanks!

Regards,
s47F [redacted]

Hi s47E(d),

It looks like the paperclips have landed (Great work s47F!) in Canberra.
We didn't want to risk anymore delivery mishaps, so they're with our colleague s47F who has offered to drop them off to you tomorrow.
Would this work for you?

Thanks,
s47F

Hi s47E(d),

Please see below.

Are you wanting orange or blue or plain silver paper clips please?

Thanks!

Hi s47F,

Thanks for your response.
Then we would need to start the order RIGHT AWAY!
I only can say, it normally can arrive in time without customs delay.
What is the deadline of your order? If it can extend by 1-2 more days, it would be actually better.

Here are cost and relevant information:
Item name: Submarine paper clips
Size: 42*18.5mm
Material: ø1.0mm iron wire

Color: PLEASE ADVISE.
Quantity: 3 000pcs
Packaging: polybags in bulk
Price: US\$0.09/pcs
Freight by Fedex direct line: US\$98
Transit time: approx. 3-5 workdays
TOTAL: US\$368

Does it come into your approval? If so, do you accept Paypal invoice that supports credit/debit card? I could send you one soon later if it works.

Thanks!

Best Regards

s47G

Hi s47G

We are happy to go ahead with the cost for 3000 submarine paperclips, but are you able to send them express post and would we be able to receive them in Canberra Australia by the end of next week?

Hi s47F ,

Thanks for your inquiry.

Sorry for the confusion. Yes. I'll fix that.

And yes, We usually make and sell 250 dozen(3 000pcs) paper clips due to the set-up charge for each custom shape. So if the quantity is too small, then the unit price will be fairly high. Will that work for you?

Thank you!

Best Regards

H s47G,

We are wanting to purchase 500 submarine shaped paperclips please.

I am confused by the description – it says 1 dozen/lot and then there is a unit price – so is the price per clip or per dozen clips please?

Ie, if we want to order 500 clips, do we just order the minimum order of 250 as that will be 250 dozen clips?

Thank you!
