My preference is to come to you at Como Centre, Level 4, 620 Chapel Street South Yarra, Melbourne for 20 minute meet.

At present I'm liaising directly with HMAS Sydney re your proposal. The ship is in the Great Australian Bight sailing from Perth to Adelaide, where the ship will port before sailing to Melbourne (and then on to Eden).

The challenge we have is the safe boarding of passengers before HMAS Sydney berths at Station Pier Port Melbourne at 0900 on Thursday 13. (still to be resolved)

We can accommodate all your needs on Thursday from 0900 to 1900 when the ship is alongside.

Let me know whether 1100 tomorrow at Como Centre works for you.

From a Defence (Navy) perspective the OB last night from HMAS Sydney was a huge success.

The professionalism of your team, working hand-in-glove with an equally professional and welcoming HMAS Sydney crew, was the major contributing factor.

Management of the logistics – many moving parts – in collaboration with the ship and the unwavering commitment, in adverse weather conditions, by all involved was impressive.

Personally, thank you to each and every one of the Ten News team who were involved in the day-long production.
