- 2.15.3 For the avoidance of doubt, alternative proposals are not required to constitute a complete tender that addresses all of the requirements of this RFT.

#### 3 EVALUATION OF TENDERS

#### 3.1 Evaluation Criteria and Process

- 3.1.1 Tenders will be evaluated on the basis of best value for money consistent with Commonwealth procurement policies, and the terms of this RFT.
- 3.1.2 The criteria to be applied for the purposes of evaluation will include the following, not in any order of importance:
  - a. past performance of contractual obligations of the tenderer, any proposed Subcontractors and any Related Bodies Corporate;
  - b. the tenderer's degree of overall compliance with the RFT;
  - c. the extent to which the tender meets the technical, functional, operational and performance requirements stated in the draft SOS, including any specifications;
  - d. the extent to which the tenderer is compliant with the draft COD and the assessed level of risk relating to the negotiation of any resultant Deed acceptable to the Commonwealth;
  - e. the proposed corporate structure and the financial and corporate viability of the tenderer and Subcontractors to fulfil Contract obligations;
  - f. the tendered prices and pricing structure, including the proposed Labour Rates; and
  - g. the tenderer's demonstrated technical and managerial capability to provide the Services.
- 3.1.3 The Commonwealth may at any time during the RFT process:
  - a. obtain additional information (whether that information is obtained through the RFT process or by any other means) relevant to a tenderer's tender;
  - b. use material tendered in response to one evaluation criterion in the evaluation of other criteria; or
  - c. subject to its IP and confidentiality obligations, use material tendered by the tenderer in other RFT processes conducted by the Commonwealth for purposes consistent with the Commonwealth's procurement objectives.
- 3.1.4 In assessing tenders, the Commonwealth may take into account any supporting documentation provided under clause 2.2.2 and 3.1.3a.

#### 3.2 Minimum Content and Format Requirements

3.2.1 Subject to clause 2.10, the Commonwealth may exclude a tender from further consideration if the Commonwealth considers that the tender does not comply with any of the Minimum Content and Format Requirements specified in the Tender Details Schedule.

#### 3.3 Conditions for Participation

3.3.1 The Commonwealth will exclude a tender from further consideration if the Commonwealth considers that the tenderer does not satisfy any of the Conditions for Participation specified in the Tender Details Schedule.

#### 3.4 Right to Exclude Non-Compliant Tenders

- 3.4.1 Subject to clause 3.4.2, tenderers should carefully note the following:
  - a. through this RFT process, the Commonwealth intends to create a Panel of suppliers for the potential supply of the Services;
  - b. in the interests of efficient and effective administration of the Panel, it is therefore very important for the Commonwealth that the terms and conditions of the proposed Deeds with suppliers are common to all suppliers:
  - c. also, in the interests of efficient and effective administration of this RFT process, the Commonwealth does not envisage or intend for any substantial (i.e. non-trivial) negotiation of the terms of the draft Deed with tenderers which includes negotiating with different tenderers on issues of particular concern to that tenderer; and

9

- d. accordingly:
  - (i) the terms and conditions of the draft Deed should be considered by tenderers as representing the Commonwealth's determined positions on the matters to be covered by the proposed Deeds with suppliers;
  - (ii) noting that the Commonwealth does not intend to negotiate the terms and conditions of the draft Deed, the Commonwealth's expectation is that tenderers will commit to comply with the terms of the draft Deed without amendment;
  - (iii) each potential tenderer will therefore need to carefully assess whether or not to submit a tender (particularly a tender which is non-compliant with the terms and conditions of the draft Deed); and
  - (iv) the Commonwealth reserves the right to exclude any tender from further consideration if the Commonwealth considers, in its absolute discretion, that the tender is non-compliant (in any substantial way) with the terms and conditions of the draft Deed.
- 3.4.2 For clarity, clause 3.4.1 is not intended to prevent or restrict a tenderer from advising of any error that it considers is contained in the terms and conditions of the draft Deed. The appropriate way for tenderers to provide that advice is to the Contact Officer in accordance with clause 2.3.

#### 3.5 Negotiation

- 3.5.1 The Commonwealth may engage one or more tenderers in negotiations, which may involve tenderers being asked to:
  - a. clarify, improve or consolidate any of the technical, commercial, legal, financial and operational aspects of their tenders; or
  - b. enter into an agreement with the Commonwealth relating to the terms of the detailed engagement with that tenderer.

#### 3.6 Preferred Tenderer Status

- 3.6.1 The Commonwealth may select a tenderer as preferred tenderer, but such selection:
  - a. does not affect or limit the Commonwealth's rights or the tenderer's obligations under the RFT; and
  - b. is not a representation that any resultant Deed will be entered into between the Commonwealth and that tenderer,

and the Commonwealth may recommence or commence negotiations under the RFT with any other tenderer whether or not a tenderer has been selected as preferred tenderer.

#### 3.7 Cost Investigation of Tenders

Note to tenderers: The Commonwealth may refer to the CASG Cost Principles in considering whether the costs that the Contractor seeks to recover under a resultant Deed are reasonable. An electronic version of the CASG Cost Principles can be accessed via the 'Contracting in CASG' webpage on the 'Doing Business with Defence' internet site at: <a href="http://www.defence.gov.au/casg/DoingBusiness/ProcurementDefence/ContractingWithDefence/PoliciesGuidelinesTemplates/ProcurementGuidance/costprinciples.aspx.">http://www.defence.gov.au/casg/DoingBusiness/ProcurementDefence/ContractingWithDefence/PoliciesGuidelinesTemplates/ProcurementGuidance/costprinciples.aspx.</a>

3.7.1 For the purposes of evaluating a tender, Commonwealth Personnel may conduct a cost investigation of the tendered price. On request by the Commonwealth, the tenderer is to facilitate any such cost investigation.

#### 3.8 Debriefing of Tenderers

- 3.8.1 Tenderers will be notified whether they have been successful or unsuccessful and may request an oral or written tender debriefing. Tenderers requiring a debriefing should contact the Contact Officer specified in the Tender Details Schedule.
- 3.8.2 Tenderers will be debriefed against the evaluation criteria contained in clause 3.1.

#### 1 DEED FRAMEWORK

#### 1.1 Definitions

1.1.1 In the Deed and in any Contract, unless the contrary intention appears, words, abbreviations and acronyms have the meanings given to them by Details Schedule or by the Glossary at Attachment H. The Glossary also contains a list of documents referred to in the Deed and details of the version that is applicable to the Deed and any Contract.

#### 1.2 Interpretation

- 1.2.1 In the Deed and in any Contract, unless the contrary intention appears:
  - headings are for the purpose of convenient reference only and do not form part of the Deed or any Contract;
  - b. the singular includes the plural and vice-versa;
  - c. a reference to one gender includes the others;
  - d. a reference to a person includes a body politic, body corporate or a partnership;
  - e. if the last day of any period prescribed for the doing of an action falls on a day which is not a Working Day, the action shall be done no later than the end of the next Working Day;
  - f. a reference to an Act is a reference to an Act of the Commonwealth, State or Territory of Australia, as amended from time to time, and includes a reference to any subordinate legislation made under the Act;
  - g. a reference to a clause includes a reference to a subclause of that clause;
  - h. a reference to a 'dollar', '\$', '\$A' or 'AUD' means the Australian dollar unless otherwise stated;
  - i. a reference to a specification, publication, Commonwealth policy or other document is a reference to that specification, publication, Commonwealth policy or document, in effect on the Effective Date specified at the Details Schedule and updated from time to time, or alternatively, a reference to another version of the document if agreed in writing between the parties:
  - j. the word "includes" in any form is not a word of limitation; and
  - k. a reference to a party includes that party's administrators, successors, and permitted assignees, including any person to whom that party novates any part of the Deed or any Contract.
- 1.2.2 All information provided as part of the Services under the Deed and any Contract shall be written in English. Measurements of physical quantity shall be in Australian legal units as prescribed under the *National Measurement Act 1960* (Cth) or, if Services are imported, units of measurement as agreed by the Commonwealth Representative specified in the Details Schedule.

#### 1.3 Term

- 1.3.1 The Deed is legally binding from the Effective Date specified in the Details Schedule. Unless terminated earlier and subject to this clause 1.3, the Deed expires on the Expiry Date specified in the Details Schedule.
- 1.3.2 The Commonwealth may extend the Term for five years by giving the Contractor notice in writing not less than 6 months before the date on which the Deed would otherwise expire.
- 1.3.3 Without affecting the extensions to the Term made by a notice under clause 1.3.2 or 1.1.1, the Commonwealth shall specify in that notice the adjustments which shall be made to the Deed to give effect to the extension of the Deed and each party shall amend its copy of the Deed in accordance with that notice.

1.3.4 The Contractor shall fulfil all Contracts entered into during the Term on the conditions current at the time the Contract is made notwithstanding that completion of the Contract may occur after the date on which the Deed has expired.

#### 1.4 Entire Agreement

1.4.1 To the extent permitted by law, the Deed, and each Contract, represents the parties' entire agreement in relation to the subject matter and supersedes all tendered offers and prior representations, communications, agreements, statements and understandings, whether oral or in writing.

#### 1.5 Precedence of Documents

- 1.5.1 If there is any inconsistency between the terms of any documents that form part of the Deed, a descending order of precedence shall be accorded to:
  - a. the COD (including the Details Schedule) and the Glossary (other than the referenced documents in the Glossary);
  - b. the attachments to the COD, other than the Glossary; and
  - c. any document incorporated by express reference as part of the Deed,

so that the term in the higher ranked document, to the extent of the inconsistency, shall prevail.

#### 1.6 Formation, Scope and Operation of Deed

- 1.6.1 The Deed constitutes a standing offer for the Term during which the Commonwealth may require the Contractor to provide Services as and when required by the Commonwealth in accordance with clause 1.6.2.
- 1.6.2 The Contractor acknowledges that:
  - a. the Commonwealth has established the Panel; and
  - it is one of a number of suppliers on the Panel which may be requested to provide Services.

#### 1.7 Ordering Services

- 1.7.1 The range of Services which the Contractor offers the Commonwealth are detailed at Attachment A to this Deed.
- 1.7.2 The Authorised Officer may seek Quotations from one or more suppliers on the Panel in the form of a Tasking Statement in accordance with Attachment C.
- 1.7.3 The Contractor shall provide either a Quotation in writing or a notice declining the invitation by the date that the Quotation is required as specified in the Tasking Statement. The Quotation shall contain all the information required by the Tasking Statement.
- 1.7.4 If the Authorised Officer seeks competitive Quotations under clause 1.7.2, the Commonwealth may:
  - a. seek Quotations on a fixed price or other basis; and
  - b. give other suppliers on the Panel and the Contractor the opportunity to provide a Quotation on the basis of refining their Labour Rates.
- 1.7.5 Quotations will be evaluated on the basis of best value for money consistent with Commonwealth procurement policies. Neither the lowest priced Quotation nor any Quotation will necessarily be accepted by the Commonwealth.
- 1.7.6 If the Authorised Officer is agreeable to the Quotation submitted by the Contractor, an Authorised Officer may deliver an Official Order to the Contractor for the Services at the prices in the Quotation.
- 1.7.7 If the Authorised Officer delivers an Official Order to the Contractor:
  - a. the Official Order shall form the Contract for the Services required by the Commonwealth. Any Contract so formed is effective from the date on which the

- Commonwealth submits the Official Order to the Contractor in accordance with clause 2.4.2; and
- b. unless otherwise agreed in the Contract, the terms of each Contract so formed will be those set out in the following documents, in a descending order of precedence:
  - the COD as applicable to the Contract;
  - (ii) the attachments to the COD;
  - (iii) the Official Order; and
  - (iv) any documents incorporated by express reference as part of the Contract.
- 1.7.8 No Services shall be carried out by the Contractor, and no amount shall become payable to the Contractor in respect of the Services, unless and until:
  - a. a Quotation has been submitted by the Contractor to the Authorised Officer in relation to a relevant Tasking Statement; and
  - b. an Official Order has been issued by the Authorised Officer for the provision of the Services to which the Quotation relates.
- 1.7.9 The Contractor shall, for the Contract Price, and any other payment required under any Contract, provide the Services in accordance with any Contract, and fulfil all other obligations as specified in that Contract.
- 1.7.10 The Contractor is not to respond to any directions in relation to Tasking Statements or Official Orders unless those directions are issued by the Authorised Officer or Commonwealth Representative.

#### 1.8 No Assurance of Orders

- 1.8.1 The Commonwealth does not make any representation nor in any way binds itself to placing any Official Orders, or engaging any Services during the Term.
- 1.8.2 Subject to clause 1.6.2, the Deed or any Contract is not to be interpreted as providing that the:
  - a. Contractor has the right to be the sole provider of the Services, or any part of the Services, to the Commonwealth; or
  - b. Commonwealth is prevented from seeking the Services from other members of the Panel or from other suppliers.

#### 1.9 Services

- 1.9.1 The Contractor acknowledges and agrees that:
  - a. the specification of the requirements for the Services in the Contract is the result of resource-intensive Commonwealth definition, Approval and procurement processes;
  - b. the Commonwealth has relied on the Contractor's representations about schedule (including as reflected in the Contract);
  - c. the Commonwealth has determined that the Contract is value for money on the basis that the provision of all Services is achieved in accordance with the Deed and the Contract and with no delay; and
  - d. it is reasonable that the Commonwealth at all times during the period of the Deed and any Contract has current knowledge and be advised by the Contractor of:
    - (i) progress under the Contract;
    - (ii) risks to the timely provision of the Services including potential minor omissions and defects;
    - (iii) any other potential or actual non-compliance with the Deed or any Contract;
    - (iv) risk management, including management of emerging risks; and
    - (v) any potential delay in meeting any timing obligation in the Deed or any Contract, for any reason, and whether or not the delay risk was foreseeable or has been previously identified.

#### 1.9.2 The Contractor shall:

- a. proactively ensure that the Commonwealth is kept informed of matters relevant to the issues in clause 1.9.1, using the communication channels and reporting processes in the Deed and any Contract; and
- b. comply with any directions by the Commonwealth or the exercise of any other Commonwealth powers under or in relation to the Deed or any Contract in dealing with such matters, including providing any additional information or knowledge that the Commonwealth requires.

#### 3.4 Right to Exclude Non-Compliant Tenders

- 3.4.1 Subject to clause 3.4.2, tenderers should carefully note the following:
  - a. through this RFT process, the Commonwealth intends to create a Panel of suppliers for the potential supply of the Services;
  - in the interests of efficient and effective administration of the Panel, it is therefore very important for the Commonwealth that the terms and conditions of the proposed Deeds with suppliers are common to all suppliers;
  - also, in the interests of efficient and effective administration of this RFT process, the Commonwealth does not envisage or intend for any substantial (i.e. non-trivial)
    - negotiation of the terms of the draft Deed with tenderers which includes negotiating with different tenderers on issues of particular concern to that tenderer; and
  - d. accordingly:
    - the terms and conditions of the draft Deed should be considered by tenderers as representing the Commonwealth's determined positions on the matters to be covered by the proposed Deeds with suppliers;
    - noting that the Commonwealth does not intend to negotiate the terms and conditions of the draft Deed, the Commonwealth's expectation is that tenderers will commit to comply with the terms of the draft Deed without amendment;
    - each potential tenderer will therefore need to carefully assess whether or not to submit a tender (particularly a tender which is non-compliant with the terms and conditions of the draft Deed); and
    - (iv) the Commonwealth reserves the right to exclude any tender from further consideration if the Commonwealth considers, in its absolute discretion, that the tender is non-compliant (in any substantial way) with the terms and conditions of the draft Deed.
- 3.4.2 For clarity, clause 3.4.1 is not intended to prevent or restrict a tenderer from advising of any error that it considers is contained in the terms and conditions of the draft Deed. The appropriate way for tenderers to provide that advice is to the Contact Officer in accordance with clause 2.3.

# Probity and Process Overview

The aim of today's session is to answer any questions you may have in relation to the probity principles which apply to tendering with the Commonwealth.

### Overview

- Key pieces of legislation and policy
- Key probity principles
- Issues that arise in practice
- The procurement process and the governing documents

### Key legislation and legislative instruments

- Public Governance, Performance and Accountability Act 2013 (Cth) (PGPA)
- Commonwealth Procurement Rules 2018 (CPRs)

### Procurement Policies

- Indigenous Procurement Policy
- Workplace Gender Equality Procurement Principles and User Guide

• The key requirements of any procurement irrespective of tendering method is to conduct a fair, open and transparent process that results in achieving value for money for the Commonwealth. The achievement of value for money requires the consideration of the financial and non-financial costs and benefits associated with procurement. How does it work in practice?

• If a contract is to be awarded through a limited tender, there must be records kept that comply with the requirements of paragraph 10.5 of the CPRs (describing the procurement, justifying the use of a limited tender and demonstrating value for money).

## Probity principles

- Confidentiality and Security
- Conflicts of interest
- No contact
- Media
- Gifts and Hospitality
- Offers of employment
- Fair and equitable treatment of all tenderers
- Accountable and defensible

- To manage these internal expectations the Commonwealth have mapped out the process that needs to be followed in the tender documents.
- The tender documents contain the relevant steps that need to be followed by you, the tenderer, to ensure the integrity of the process.
- Any departure from the process can give rise to probity and legal issues that may amount to a breach of statute, common law and Commonwealth policies, in addition to undermining the confidence of the delegate in the procurement.
