OFFICIAL

Morning,

s22

Following my phone call with James this morning, can we please have all reports ready to be published on the website by close of business today. I will be in touch to confirm when this should go live.

Please also prepare a brief with the reports to enable tabling.

Kind regards,

s47F

In relation to publishing the quarterly reports when will these be on the defence website please? It would be great if they could be published today - noting they are ready.
