Dear Minister,

Thank you for the opportunity to serve you and the Morrison Government. I hope to see you in person soon to convey my appreciation directly.

I know your office has been contacted by the Department with regard to transition-out arrangements. Rowena Bain in MECC is the point of contact, but if I can be of assistance please contact me directly.

I look forward to seeing you soon.

Regards

Greg

Greg,

Thank you for the message. It's been an honour and privilege working with you in Defence. I'll make sure my office knows about the transition. We've been hit hard with COVID so there may be a time lag on action.

See you in Canberra.

Best wishes

Andrew
