

Australian Naval Nuclear Power Safety Regulations public consultation – submission guidance

Your feedback is important to us.

The Australian Government is committed to transparent and regular community engagement on the nuclear-powered submarine legislative and regulatory framework.

This consultation period represents an opportunity for the community to share views and remain informed on the development of the regulations for Australia's conventionally armed, nuclear-powered submarine enterprise.

Please complete the form below and submit your feedback on the draft Australian Naval Nuclear Power Safety Regulations before 5.00pm AEST 30 July 2025.

Your name:

**Your organisation/community
association or club:**

Your contact email:

Please complete the following questions below:

Q1 | Do the views you are sharing represent a community group or club?

Q2 | How will the proposed Regulations affect you/your community organisation?

Q3 | Do you have any other comments on the Regulations for consideration?

Q4 | Would you like to stay in touch on the development of the regulations and the Australian Naval Nuclear Power Safety Regulator?

Q5 | How do you like to receive information from the Government?

Q6 | Do you consent to your submission being made public?

Q7 | Is there anything you would like to add?

Thank you for taking the time to provide your feedback.

Please email your response to annpsr.consultation@defence.gov.au
