

ANNEX A

Part 1 - Public Interest Certificate

Date: 16 June 2026

I, a delegate of the accountable authority for the Department of Defence, issue this Public Interest Certificate under section 22(1) of the *Government Procurement (Judicial Review) Act 2018* (the Act).

Having considered the information and advice provided to me, I am satisfied that it is not in the public interest for the procurement identified below to be suspended while:

An application for an injunction under Part 2 of the Act is being considered; or

A complaint under section 18 of the Act is being investigated.

I am satisfied that a suspension would be likely to result in real, material and not merely speculative adverse consequences for the public interest, including uncertain and unrecoverable delays to the procurement process and the consequent delay to delivery of a priority Defence capability.
